

STUDENT SUCCESS ACT CHANGES

- Removed authority of county boards to increase their regular levy rate.
- Changed effective dates throughout.
- Corrected language in the teacher-pupil ratio section to be consistent with the intent to not change class sizes.
- Removed all of the strike/work stoppage language except for prohibiting extracurricular activities on days school is closed due to a work stoppage or strike.
- Added language to the Innovation in Education article providing that no waivers from state board rules can be granted without the approval of the State Board.
- Allows any accredited WV public institution of higher education to apply to convert or create a charter school, but prohibits an institution of higher education from applying to itself or another institution of higher education.
- Made several changes to provisions relating to the searchable budget database and website such as adding language providing that the State Superintendent shall not be required to violate FERPA; and providing that employee addresses are not to be made public or otherwise displayed on the budget data website.
- Removes language providing that net enrollment does not include any adult charged tuition or special fees beyond that required of the regular secondary vocational student.
- Made changes to the title, cleanup, and other technical amendments.
