

***You're Invited
to the 48th Annual
Environmental Show of the South
May 15-17 in Chattanooga***

tn.gov/environment/esos

“Great Networking” . . . “Excellent Technical Presentations”

The Show of the South brings together environmental professionals like you and over 1200 of your closest friends!

People from all different disciplines—engineers, attorneys, geologists, scientists, landfill operators, hazardous materials managers, consultants and local government representatives—will converge on the Chattanooga Convention Center for 2.5 days of educational and networking opportunities.

The Environmental Show of the South provides high-quality professional development with over 13 hours of technical sessions and close to 8 hours planned for networking with our 160 exhibitors.

Attendees choose from seven or more options during the breakout sessions. Coordinated start and stop times for presentations and discussions allow attendees to tailor their conference experience to best fit their interests, while still enjoying plenty of networking time together in the exhibit hall.

Sessions include:

- Air quality
- Materials management
- Water resources
- Environmental law, including ethics
- Remediation & Vapor intrusion
- Coal combustion residuals
- Solid Waste
- Hazardous waste
- Underground storage tanks
- Toxic substances

Schedule of Events

Arrive early on Tuesday to take advantage of all the “Scenic City” has to offer, including the Show of the South Golf Tournament being held at **Harrison Bay State Park’s Bear Trace Golf Course** designed by Jack Nicklaus. Learn more at showofthesouth.org. Tuesday evening, meet everyone at the **Tennessee Aquarium** for our private reception, including light appetizers and self-guided tours.

The conference opens early Wednesday morning—pick up your registration packet and peruse your technical track options while enjoying breakfast with the exhibitors—and concludes just before lunch on Friday. We promise to keep you busy the whole time! In addition to our **Reception in the Exhibit Hall** Wednesday evening, we’ll meet up at the Marriott on Thursday night and get familiar with some local haunts together.

- 1:00 pm Third round of breakout sessions begin
- 2:30 pm Ice Cream Social held in the Exhibit Hall
- 4:30 pm Breakout sessions conclude
- 6:30 pm Meet at the Marriott for a Pub Crawl

Friday, May 17

- 7:30 a.m. Doors open for breakfast
- 8:15 a.m. Closing session begins
- 11:00 a.m. Event concludes

CHATTANOOGA

Chattanooga Convention Center
One Carter Plaza
Chattanooga, TN 37402

Chattanooga, Tennessee is within a day's drive for over half the population of the U.S. and is one of the South's top travel destinations. Tucked between the mountains of Southeast Tennessee, along the beautiful Tennessee River, Chattanooga is one of America's most breathtaking cities.

The Environmental Show of the South is returning to the **Chattanooga Convention Center** in the heart of Chattanooga's business district and only moments from the scenic riverfront. The city's **free electric shuttle** connects to many other hotels as well, providing easy access to downtown attractions, restaurants, and shopping venues.

There's no limit to what Chattanooga has to offer. Learn more at chattanooga.com

Professional Development

Professional Engineers can earn 13.5 hours of professional development. Engineers should keep their own records, including a marked copy of the agenda, paid receipt, and badge.

Attorneys can earn Continuing Legal Education (CLE) credits through the Tennessee Bar Association. Select the CLE option during registration.

Certified Landfill Operators can earn up to 9 hours of continuing education at no additional charge. Be sure to sign in at your session.

SWANA Members can earn Continuing Education Units (CEUs) for relevant topics. Pick up a CEU form at the TN SWANA booth.

Certified Hazardous Materials Managers/Practitioners can earn up to 5 Certification Maintenance Points (CMPs) per day. CHHMs and CHMPs should keep their badges and agendas.

Professional Geologists in TN do not need continuing education, but those licensed in other states may be able to earn credit.

In the Exhibit Hall...

The conference showcases a full spectrum of environmental goods and services, with over 160 organizations staffing booths. That's a lot of hands to shake! If you're up to the task though you could win exciting prizes such as a big screen HDTV, thanks to the generosity of our sponsors.

Winners will be selected during the Ice Cream Social on Thursday afternoon, which also marks the close of the Exhibit Hall, although many exhibit staff will stay to enjoy the Aquarium Reception and Closing Session as well.

Looking to increase your own organization's presence? Become an exhibitor (or sponsor) yourself! Exhibitor registration includes a full conference attendee and three dedicated booth workers, as well as a 10'x10' professionally draped booth, a table and chairs. Visit tn.gov/environment/esos/exhibit for details.

And around town...

Many hotels are in easy walking distance or accessible within minutes on the free, electric shuttle, and the following hotels are offering special rates for conference attendees.

Chattanooga Marriott Downtown

What Else Do You Need to Know?

Registration: Includes access to all technical sessions, the tradeshow, continental breakfasts, lunches, and refreshment breaks. The standard registration fee is **\$315**. An early bird discount of \$30 is available until February 28. A late fee of \$60 will be assessed to all registrations received on or after May 1, including on-site registrations.

Government Employees: The \$60 late fee is waived.

Students: Full-time students pursuing a degree in related disciplines are eligible for a discounted rate of \$150. Verification of current enrollment is required.

Spouses/Non-Technical Guests: Share the fun with your travel partners! This pass gives them access to the receptions, plus lunches and exhibit hall access. Note: this cannot be used for employees of attending organizations.

Additional Fees:

Attendees can purchase **Certificates of Attendance** with registration for \$10. Certificates may be picked up on site on Thursday afternoon or Friday morning. Attorneys wishing to earn **Continuing Legal Education** credits through the Tennessee Bar Association will incur an additional \$150 fee.

Register Online: Visit tn.gov/environment/esos to register online with payment by credit card or e-check. Your confirmation and receipt will be emailed to you.

Register By Mail: If you need to be invoiced or must mail a check, you complete our registration form and submit it to the address shown.

Additional Information: Contact Rachel Goulet at TDEC's Division of Solid Waste Management at rachel.s.goulet@tn.gov or 615-532-0788.

Register early to get the best deal!
