Background:
The Fiscal Department has currently been without a Chief Financial Officer for the past 2 months and it has been very impactful to the department. The fiscal team needs a Chief Financial Officer that can provide direction and support in all the budgetary needs as we are closing the books and starting a new fiscal year. Due to the current organizational demands, we need to provide structure and support. The District is aggressively seeking to find a Chief Financial Officer. Once the leader is on board, there should no longer be a requirement for these services.
