Chief Stovall,

I wanted to inform you that I went to Court Nov. 8, 2007 - I was offered a plea agreement whereby I would plead guilty to Operating a Vehicle while Intoxicated (a misdemeanor) which would allow me to get my license back on or before Dec. 10, 2007. On the advise of my lawyer, I am accepting the agreement. Within this agreement I will be attending Court Ordered alcohol abuse classes. This was the best way to bring this matter to its conclusion and focus my attention - where it belongs- with the Fire Department. Again, I apologize for putting myself and the Fire Department in this situation. Nothing like this will ever happen again.

Sincerely,
Dan Forestal
