Mission To advance limited government, free markets and federalism

The **American Legislative Exchange Council** is the largest non-partisan, voluntary membership organization of state legislators in the United States. ALEC provides a unique opportunity for state lawmakers, business leaders and citizen organizations from around the country to exchange ideas and develop pro-growth model policy based on research, analysis and proven business practices.

Members work together at the intersection of policy development and real-world applications. Through research, evaluation, analysis and information exchange, the American Legislative Exchange Council presents a forum for dialogue between the government and businesses as they address issues and develop policies that protect hardworking taxpayers and improve the lives of all Americans.

Our unique public-private partnership is part and parcel of the American experience. Free enterprise, paired with limited government, is the basis of American success. Working together, American Legislative Exchange Council members present real solutions to create a stable and predictable business environment and grow jobs, opportunity and economic security.

>> ALEC MEMBER BENEFITS

ALEC Members work together at the intersection of policy development and real-world application. Through research, evaluation, analysis and information exchange, the American Legislative Exchange Council collaborates with government, the private sector and the public as they develop state-based policies that improve the lives of millions around the United States.

ALEC policy staff provides non-partisan research, policy analysis, expert testimony and reference materials on a wide spectrum of issues, including the *Rich States, Poor States: ALEC-Laffer State Economic Competitiveness Index*, the *Report Card on American Education* and *EPA's Regulatory Train Wreck* reports.

>> PRIVATE SECTOR GENERAL MEMBERSHIP

Membership in the American Legislative Exchange Council provides business leaders the opportunity to participate in policy discussions and network with other industry experts and legislators from across the country.

ALEC EVENTS

Each year, ALEC hosts three meetings that bring members together to share ideas and strategies, debate policies and learn from like-minded leaders throughout the country.

SPRING TASK FORCE SUMMIT

An intensive meeting of ALEC task force members, the Spring Task Force Summit keeps members abreast of new developments in the states and begins the annual policy development process.

ANNUAL MEETING

The ALEC Annual Meeting, held each summer, is one of the nation's largest state-level conferences. Nearly 2,000 state legislators and industry experts gather for three days to discuss and address major state-policy issues.

STATES & NATION POLICY SUMMIT

The States and Nation Policy Summit, held in the winter, is a three-day conference focused on priorities for the upcoming legislative session as well as the balance of power between the states and the federal government.
