More than half of West Virginians are unsure about the WVSSAC's addition of a fourth class to high school basketball

Recently the West Virginia Secondary School Activities Commission added a fourth class for high school girls' and boys' basketball starting in 2020. Under the new system, current enrolment figures would have Class A schools ranging from 9-481; Class AA from 126-702; Class AAA from 231-905; and Class AAAA from 827-1887. Do you favor or oppose the addition of a fourth class to high school basketball?
