## WELCOME TO THE INTERNATIONAL SPEAKERS SUMMIT

I'm really excited to welcome you to International Speakers Summit™. My team and I have had a wonderful time creating this event for you and the line-up of guests you'll get to hear from are incredible.

During the Summit you'll have access to interviews with some of the world's leading keynote speakers and speaker coaches. We're talking Speaker Hall of Fame inductees, Certified Speaking Professionals (CSP) and CSPGlobal's, the list goes on. You'll be able to learn from their experience and stories, get inspired, model their strategies and tactics, and also meet fellow speakers in our community.

The document you are reading now is the Summit Handbook. We're putting this together to help you get the most from this online event. Use it to mark off which sessions you want to watch or plan on watching, and note any insights or ideas you have along the way. At the end of the Summit you can review your notes and start taking action.

Free Pass holders will have access to each new session for 48 hours once it has gone live. We'll send you a daily email with links to each new session so that you don't miss anything.

To get unlimited access to all the Summit content, even after the event is over, as well as bonus courses, consider upgrading to a VIP Pass.

We'd like to also thank all of our incredible Summit guests who have taken the time to share with you some real insights and actionable tactics.

Finally, THANK YOU for attending this Summit and joining us on this adventure!

Sincerely,  
James Taylor M.B.A. F.R.S.A.  
Business Creativity Keynote Speaker  
Founder of International Speakers Summit™

The background of the cover is a collage of four images: a woman in a red top and leather jacket (top left), a woman with short blonde hair (top right), a man in a suit and tie (bottom left), and a man with a headset (bottom right). The images are semi-transparent and overlaid with a dark blue and teal geometric design. The title 'SUMMIT HANDBOOK' is centered in white, bold, sans-serif font. A yellow L-shaped graphic element is positioned to the right of the title.
