**Re: FOIA Request Received September 24 and 26, 2019**

Dear Ms. Munks and Mr. Petrella:

On September 24 and 26, 2019, this office received three Freedom of Information Act ("FOIA") request ("Requests"), dated September 24 and 25, 2019 respectively, wherein the following records were requested:

*...any and all subpoenas or search warrants received by the Senate related to Sen. Martin Sandoval from July 22, 2019 through today (Sept. 24) for his Capitol or district office.*

*Any and all documents shared by federal agents in conjunction with the law enforcement search of Senate offices in the Illinois Capitol on Tuesday, September 24, 2019, including but not limited to a list of items agents removed from the Capitol.*

Pursuant to a conversation between Mr. Patterson and Ms. Munks, I combined these Requests into one response letter that was delivered on October 1, 2019. This response is a follow-up to that October 1 response.

Enclosed, please find the public records responsive to your Request. Please be advised that some information (individuals' personal signatures and a personal address) related to the above request have been redacted from the enclosed records pursuant to 5 ILCS 140/7(1)(b).

Thank you for your cooperation. With kindest personal regards, I remain

Sincerely yours,

Giovanni R. Randazzo  
FOIA Officer

## ATTACHMENT A-1

### DESCRIPTION OF PREMISES TO BE SEARCHED

Sandoval's Offices consist of office space in the corridor leading to, an office space immediately outside of, and an office inside of 111 Capitol Building, which is located at 402 South 2nd Street, Springfield, Illinois, to the west of 2nd Street and to the east of Spring Street. Sandoval's Offices are located on the first floor of the Illinois Capitol Building, roughly where the red arrow is in the following picture.

A goldish sign to the east of the entrance to the corridor says, "SENATOR SANDOVAL'S ASSISTANT," along with an arrow pointing south. The corridor leads south down a hall with greenish carpeting, white walls, and brownish trim to an area

where a brownish desk is located. To the east of the desk is a brownish door with a sign to the south of the door that says, "111." Below are pictures of (1) on the left, the corridor leading to room 111, with the desk located toward the rear of the corridor, in the middle section of the picture; and (2) on the right, the door to room 111.

Sandoval's Offices include the area from the entrance to the above corridor and south to the office space outside of room 111, in addition to room 111.

### ADDENDUM TO ATTACHMENT B-1

Pursuant to Rule 41(e)(2)(B) of the Federal Rules of Criminal Procedure, this warrant authorizes the removal of electronic-storage media and copying of electronically stored information found in the premises described in Attachment A-1 so that they may be reviewed in a secure environment for information consistent with the warrant. That review shall be conducted pursuant to the following protocol:

The review of electronically stored information and electronic-storage media removed from the premises described in Attachment A-1 may include the following techniques (the following is a non-exclusive list, and the government may use other procedures that, like those listed below, minimize the review of information not within the list of items to be seized as set forth herein):

- a. examination of all the data contained in such computer hardware, computer software, and/or memory storage devices to determine whether that data falls within the items to be seized, as set forth in Attachment B-1;
- b. searching for and attempting to recover any deleted, hidden, or encrypted data to determine whether that data falls within the list of items to be seized, as set forth in Attachment B-1 (any data that is encrypted and unreadable will not be returned unless law enforcement personnel have determined that the data is not: (1) an instrumentality of the offenses, (2) a fruit of the criminal activity, (3) contraband, (4) otherwise unlawfully possessed, or (5) evidence of the offenses specified above);
- c. surveying file directories and the individual files they contain to determine whether they include data falling within the list of items to be seized, as set forth in Attachment B-1; and
- d. opening or reading portions of files, and performing key-word searches of files, in order to determine whether their contents fall within the items to be seized, as set forth in Attachment B-1.

The government will return any electronic-storage media removed from the premises described in Attachment A-1 within 30 days of the removal unless, pursuant to Rule 41(c)(2) or (3) of the Federal Rules of Criminal Procedure, the removed electronic-storage media contains contraband or constitutes an instrumentality of crime, or unless otherwise ordered by the Court.
