CITY OF CAMAS, WASHINGTON

ORDINANCE NO. 19-007

AN ORDINANCE of the City of Camas, Washington, providing for the submission to the voters of the City at a general election to be held on November 5, 2019, of a proposition authorizing the City to issue its general obligation bonds for the purpose of financing recreation improvements including the construction of a new community center with a recreation pool, competitive pool and sport field improvements, in the principal amount of no more than $78,000,000 payable by annual property tax levies to be made in excess of regular property tax levies, and to levy those excess property taxes

WHEREAS, the City Council of the City of Camas, Washington (the “City”), has determined that it is in the best interest of the City to undertake the construction of a new community center with a recreation pool to be located in Camas, Washington and the addition and/or improvements to sport fields (the “Project”); and

WHEREAS, the City Council wishes to seek voter approval for the issuance and sale of not to exceed $78,000,000 of general obligation bonds of the City to pay the costs of the Project and the costs of issuance of such bonds, to be repaid by an annual excess property tax levy; and

WHEREAS, the constitution and laws of the State of Washington provide that the question of whether or not the City may issue such bonds be submitted to the qualified electors of the City for their ratification or rejection at an election;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CAMAS, WASHINGTON, DOES ORDAIN AS FOLLOWS:

Section 1. Project. The City Council finds that in order to provide community amenities it is in the best interest of the City to undertake the construction of a community center with a recreation pool, competitive pool, and the addition and/or improvements to sport fields.

The Project shall include all necessary equipment, supplies, and appurtenances. The cost of all necessary architectural, engineering, legal and other consulting services, inspection and testing, administrative expenses, site acquisition or improvement, demolition, on and off-site utilities, transportation improvements, related improvements and other costs incurred in connection with the Project shall be deemed a part of the costs of such capital improvements.

The estimated cost of the Project, including the costs of issuing and selling the bonds authorized by this ordinance, is declared to be approximately $78,000,000.

The City Council may modify the details of the foregoing Project where necessary or advisable in the judgment of the City Council.

Section 2. Description of Proposed Bonds. The Bonds may be issued as a single issue, as a part of a combined issue with other authorized bonds, or in more than one series, as deemed
advisable by the City Council and as permitted by law. The Bonds shall be fully registered bonds; shall bear interest payable as permitted by law; shall mature within 21 years from the date of issue, or within any shorter period fixed by the City Council; shall be paid by annual property tax levies sufficient in amount to pay both principal and interest when due, which annual property tax levies shall be made in excess of regular property tax levies without limitation as to rate or amount but only in amounts sufficient to meet such payments of principal and interest as they come due; and shall be issued and sold in such manner, at such times and in such amounts as shall be required for the purpose for which such Bonds are to be issued. The exact date, number of series, form, terms, option of prior redemption, price, interest rate or rates and maturities of the Bonds shall be hereafter fixed by ordinance of the City Council. Pending the issuance of the Bonds, the City may issue short-term obligations pursuant to chapter 39.50 RCW or such other obligations as are permitted by law to pay for the costs of the Project. Such obligations and their costs may be paid or refunded with proceeds of the Bonds when issued.

Section 3. Proceeds of the Bonds. If available money from the proceeds of the Bonds is more than sufficient to pay the costs of the Project, or if state or local circumstances require any alteration in the Project, the City may acquire, construct, equip and make other park and recreation related capital improvements to the City’s facilities, or retire and/or defease a portion of the Bonds, all as the City Council may determine and as permitted by law. If the proceeds of the sale of the Bonds and other available money are insufficient to make all of the capital improvements herein provided for, or if it has become impractical to accomplish the Project or portions of the Project, the City may use the proceeds of the Bonds and other available money for paying the costs of those portions of the Project deemed by the City Council to be most necessary and in the best interest of the City.

Section 4. Calling of Election. The City Council requests that the Auditor of Clark County, Washington (the “Auditor”) call and conduct a general election in the City, in the manner provided by law, to be held therein on November 5, 2019, for the purpose of submitting to the voters of the City, for their approval or rejection, the question of whether or not general obligation bonds of the City shall be issued in the principal amount of not more than $78,000,000 (or such lesser maximum amount as may be legally issued under the laws governing the limitation of indebtedness), the proceeds of which shall be expended to pay the costs of the Project, and annual excess property taxes shall be levied to pay and retire the Bonds.

If such proposition is approved by the requisite number of voters, the City shall be authorized to issue the Bonds in the manner described in this ordinance, to spend the proceeds thereof to pay the costs of the Project, and to levy excess property taxes to pay and retire such Bonds. The proceeds of the Bonds shall be used for capital purposes only and not for the replacement of equipment.

Section 5. Ballot Proposition. The City Clerk is authorized and directed to certify, no later than August 6, 2019 (by 5 p.m.) to the Auditor, as ex officio supervisor of elections in the City, a copy of this ordinance and the proposition to be submitted at that election in the form of a ballot title prepared by the City Attorney pursuant to RCW 29A.36.071, as follows:
