

Dear Senators of the Elon Student Government Association,

I am writing to inform you all that I am resigning from my position as President of the Class of 2022 effective immediately.

In light of my resignation, I want to clarify that I am resigning for me and my well being. In addition to pursuing an education in both Dance Performance and Choreography and Political Science, there are a lot of things I am juggling at this moment. While I will always value advocating on behalf of the student body at this pristine university, I must be an advocate for myself as well. Because of this, I am taking a step back from the Elon Student Government Association. This decision has not been an easy one. However as much as it pains me, I know that it is the right decision.

I would also like to take this time to thank each and every one of you. Thank you for assuming your positions and working to make our campus better for everyone. Although I am taking a break, this is not goodbye forever! I look forward to seeing what this senate accomplishes in the near future and I also look forward to working with many of you in the future!

With Love,

Lauryn C. Adams
