

No doubt many of you have heard about the events at this week's School Board meeting.

I'm holding an **impromptu community meeting at the 81st Ave Library (1021 81st Ave - Study Room 1) tomorrow**, Saturday 10/26, from 3:30 - 5:00 pm, and will be available to talk with community members.

One thing I am hearing a lot is that people don't feel like they are being listened to, and that their questions are not being answered. This is an opportunity to be heard, to ask questions and get answers.

If you can't make it tomorrow, here are some other opportunities to connect with me:

11/4 6 pm **Discuss Cohort 3 of Blueprint Process**, Lockwood Campus ([6701 International Blvd](#)) Note: All are welcome to attend, but we will be focused on the challenges specific to District 6.

11/7 6 pm **7-11 Committee Meeting regarding Webster CDC** (8000 Birch St)

11/15 4 pm **Office Hours** at MLK Jr Library (6833 International Blvd)

Or feel free to reach out via email and we can set up another time to talk; my email is shanthi.gonzales@ousd.org.

I don't know how we should address the deep divides in the community right now, but am trying to be in dialogue. I hope some of you will join me tomorrow, or at another time that works for you.

Thank you for all that you do,

Gonzales for School Board
