"Excavation numbers, reduction numbers, shoveling soil" Situation Clues

According to the deployment requirements of the Party Committee of the Autonomous Region on the "excavation numbers, reduction numbers, shoveling soil", targeting violent terrorist and extremist elements who used "Kuai Ya" software to spread audio and video with violent terroristic characteristics, the autonomous region's "integrated" platform conducted screening and analysis of "Kuai Ya" software users and discovered that from July 7, 2016 to present, the total number of "Kuai Ya" software users in Xinjiang is 1,869,310 (Uygur), among which there were 3,925 unauthorized imams (In the four states of Kashgar, Hotan, Aksu, Kezhou), 5,576 people associated with the unauthorized imams, 124 "Hijrat", 72 people associated with the "Hijrat", and 594 people associated with those who have left the country and haven't returned for a long time. Among related people there are 298 fugitives, 26,602 criminal detainees, 2,783 unauthorized imams, 38 unidentified persons, 214 people who left the country illegally, 301 people who have left the country and haven't returned for a long time, 1,597 who are "disconnected" targets who have shut down more than three times, and 32 people who have joined terrorist organizations such as the East Turkestan Islamic Movement.

There are a total of 40,557 people who have used the "Kuai Ya" software in the above-mentioned groups and have many harmful tags (for details see Annex 1), mainly involving 15635 people in Kashgar, 8008 in Aksu, 5740 in Hotan, 3526 people in Yili, 1865 in Kezhou, 1449 in Urumqi, 1086 in Bazhou, 300 in Bozhou, 1611 in Turpan, 434 in Changji, 268 in Hami, 149 in Tacheng, 95 in Karamay, 51 in Altay, 340 in the Xinjiang Production and Construction Corps (11 in Shihezi, 36 in the agricultural first division, 4 in the agricultural second division, 150 in the agricultural third division, 38 in the agricultural fourth division, 13 in the agricultural five division, 2 in the agricultural six division, 1 in the agricultural seven division, 15 in the

agricultural twelfth division, 18 in the agricultural thirteenth division, 52 in the agricultural fourteenth division).

All localities should make full use of grassroots stability maintenance forces, ten household joint defense and the "integrated" platform to carry out investigation and verification one by one, and for those suspected of terrorism, it is necessary to fix evidence and crack down according to the law in a timely manner; if it is not possible at the moment to eliminate suspicion, it is necessary to put in concentrated training and further screen and review. The verification situation should be reported within 3 days, and the attached table should be reported on a case-by-case basis. We also ask all localities to report lists of "unauthorized imams", people in education and training, and those suspected of joining the "East Turkistan Islamic Movement", "IS", and other terrorist organizations within three days.
