

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

THE POKÉMON COMPANY  
INTERNATIONAL, INC., a Delaware  
corporation,

Plaintiff,

v.

JOHN/JANE DOES 1–3,

Defendants.

No. 19-1911

COMPLAINT  
WITH JURY DEMAND

Plaintiff The Pokémon Company International, Inc. (“Plaintiff” or “TPCi”), by and through its undersigned attorneys, for its Complaint against Defendants John/Jane Does 1–3 (“Defendants”), whose true names are currently unknown, hereby alleges and avers as follows:

**INTRODUCTION**

1. TPCi brings this action against Defendants to protect its valuable trade secrets. Defendants stole trade secrets from TPCi by taking illicit pictures of pages from an unreleased strategy guide created to accompany the release of two highly anticipated video games, Pokémon Sword and Pokémon Shield. The pictures revealed never-before-seen Pokémon and evolutions of Pokémon that TPCi and its partners intended to keep secret until the games’ release on

1 November 15, 2019. Over the course of 15 hours on November 1 and 2, 2019, Defendants  
2 disseminated TPCi's trade secrets on the Internet, causing TPCi harm.

3 2. Trade secrets are a form of intellectual property that provide legal protection for  
4 commercially valuable business and technical information that: (a) has been the subject of  
5 reasonable efforts to maintain its secrecy, and (b) derives independent economic value from not  
6 being generally known or readily ascertainable. Both the Defend Trade Secrets Act ("DTSA")  
7 and the Washington Uniform Trade Secrets Act ("WUTSA") protect trade secrets from  
8 misappropriation, which is the unauthorized acquisition, use, or disclosure of a trade secret.

9 3. TPCi owns valuable trade secrets in the images and content of the unreleased  
10 strategy guide for Pokémon Sword and Pokémon Shield. Before TPCi and its partners release a  
11 new game, they keep key components of that game—including certain of the new and returning  
12 Pokémon—secret.

13 4. There is value in this secrecy. The videogame industry is highly competitive with  
14 thousands of new games released annually. To maximize consumer interest and excitement in  
15 new Pokémon games, TPCi and its partners carefully time announcements about new Pokémon,  
16 features and functionality. When individuals disclose these details without TPCi's or its  
17 partners' consent (commonly called "leaks" or "spoilers") they threaten this value and undermine  
18 the carefully cultivated excitement and interest TPCi and its partners have worked so hard to  
19 generate. It also ruins the surprise for hundreds of thousands of Pokémon fans who are eagerly  
20 anticipating the release of the new game.

21 5. TPCi seeks to hold Defendants responsible for their misappropriation of TPCi's  
22 confidential and trade secret information, and requests all appropriate relief including but not  
23 limited to injunctive and monetary relief, damages, an accounting, and attorneys' fees.

## 24 PARTIES

25 6. TPCi is a Delaware corporation with its principal place of business at 10400 NE  
26 4th Street, Suite 2800, Bellevue, Washington, 98004.

7. On information and belief, Defendants John/Jane Does 1–3 are individuals residing in the United States. TPCi will amend this Complaint once it learns Defendants' identities.

## JURISDICTION AND VENUE

8. This Court has jurisdiction over the subject matter of Plaintiff's federal claim under 28 U.S.C. § 1331 and 18 U.S.C. § 1836(c) because the claims arise under the DTSA, 18 U.S.C. §§ 1832, *et seq.* This Court has supplemental jurisdiction over Plaintiff's related state law claim under 28 U.S.C. § 1367(a).

9. Personal jurisdiction over Defendants is proper in this Court. As more fully set forth below, Defendants misappropriated TPCi's valuable trade secrets and exposed those trade secrets on the Internet, undermining their inherent economic value. Defendants directed their actions to Washington. Defendants knew or should have known that the impact of their intentional acts would cause harm in this state, where TPCi is headquartered.

10. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(b) because a substantial part of the events or omissions giving rise to the claims occurred in this judicial district and has harmed TPCi in this judicial district.

## FACTS AND BACKGROUND

### A. The Pokémon Franchise

11. TPCi is an internationally renowned media franchise centered on fictional Pokémon characters featured in video games, trading cards, animated television shows, movies, comic books, toys, apparel, and accessories (collectively the “Pokémon Universe”).

12. A key part of the Pokémon Universe is the Pokémon video game series, a group of role-playing games that challenges players to capture, train, battle and trade Pokémon with the goal of becoming a champion Pokémon Trainer.

1           13.     New generations of Pokémon characters are introduced through the release of  
2 video games in the series. When new video games are launched, they feature new Pokémon,  
3 characters, landscape, and gameplay that define the generation.

4           14.     The first generation of Pokémon launched in 1996 with Pokémon Red and  
5 Pokémon Blue, developed by GAME FREAK and published by Nintendo. TPCi worked on later  
6 games including the games in the seventh and most recent generation, Pokémon Sun and  
7 Pokémon Moon, launched in 2016. The games in this series are wildly popular and have been  
8 played by millions worldwide.

9           15.     In early 2019, TPCi's partners announced that the eighth generation of Pokémon  
10 would begin in late 2019 with the launch of two new games, Pokémon Sword and Pokémon  
11 Shield. Pokémon Sword and Pokémon Shield were released simultaneously worldwide on  
12 November 15, 2019.

13           16.     To create excitement and engagement surrounding the release and maximize  
14 interest in Pokémon Sword and Pokémon Shield, the timing of the announcements and ultimate  
15 release were carefully planned. For example, to encourage fan engagement around and interest  
16 in the games, teasers were released in the summer and fall of 2019 that described several of the  
17 new Pokémon available exclusively in Pokémon Sword and Pokémon Shield.

18           17.     Among the most exciting parts of Pokémon Sword and Pokémon Shield are the  
19 new landscapes, features, and Pokémon available in the games. The games chronicle the main  
20 character's journey through the Galar region, a new Pokémon setting inspired by the United  
21 Kingdom. The player aims to gain prominence by collecting, trading, and battling Pokémon.  
22 The player's goal is to defeat the reigning champion trainer and seize that title for him or herself.

23           18.     Pokémon Sword and Pokémon Shield introduce several highly anticipated new  
24 features. These include functions known as Dynamax and Gigantamax that increase the size  
25 (Dynamax) and change form (Gigantamax) of Pokémon to make them stronger for battle. While  
26

all Pokémon can be Dynamaxed, only certain Pokémon can be Gigantamaxed and they can be found only through certain events in Galar.

19. The game also introduces the “Wild Area” that permits the player to explore freely while controlling the camera, which enables optimal movement. Players in the Wild Area can band together to defeat powerful Pokémon, a feature called co-op battling. Players can also join together in Pokémon camps, where, among other things, they interact with each other’s Pokémon.

20. Pokémon Sword and Pokémon Shield introduce new species of Pokémon that players can collect, train, and deploy in battles against competitors. Discovering new Pokémon in the Galar region is part of the thrill of the games.

#### **B. The Pokémon Sword and Pokémon Shield Strategy Guide**

21. TPCi developed an official strategy guide to accompany the release of Pokémon Sword and Pokémon Shield, called *Pokémon Sword & Pokémon Shield: The Official Galar Region Strategy Guide* (“Strategy Guide”). The Strategy Guide includes tips and tricks on how to play the game as well as images of Galar Pokémon. There is also a collector’s edition of the Strategy Guide. The collector’s edition of the Strategy Guide is shown below:

22. The Strategy Guide is available for purchase on November 22, 2019, one week after TPCi and its partners released Pokémon Sword and Pokémon Shield.

**C. The Unreleased Strategy Guide Contains TPCi's Trade Secrets**

23. The Strategy Guide contains components of Pokémon Sword and Pokémon Shield that TPCi worked diligently to keep secret prior to the games' launch. This includes images and descriptions of Pokémon released for the first time in Pokémon Sword and Pokémon Shield. It also includes images of new evolutions for existing Pokémon, that is, forms the Pokémon assume as they gain experience and strength.

24. The Strategy Guide also reveals which Pokémon can be Gigantamaxed and where in Galar players can deploy this feature. This enables players who purchase the Strategy Guide to collect and train Pokémon they know can grow to become powerful in battle.

25. The Strategy Guide collector's edition contains bonus features such as exclusive artwork and images of Galar Pokémon.

26. Prior to the official release of Pokémon Sword and Pokémon Shield, information about the games' content is treated with utmost secrecy. For example, TPCi performs background checks on employees, stores game content files on secure computers, restricts access to game working files to a limited number of individuals (who can only gain access to files by entering a username and password), allows those individuals to transfer game files using only secured methods, uses digital measures to trace and mark files to prevent unauthorized access, and requires users with access to game files to sign non-disclosure agreements. Additionally, access to TPCi's offices are restricted by key card.

27. These measures also apply to the Strategy Guide. In addition, TPCi requires contractors who work on Strategy Guide content to sign non-disclosure agreements. This includes contractors who work where any Strategy Guides are stored.

28. TPCi does not allow copies or proofs of the Strategy Guide to be printed at its offices. Physical copies of the Strategy Guide are created during the production process, which is handled by vendors. Each production vendor must sign a non-disclosure agreement and provide an elevated security plan. Printed copies of the Strategy Guide are kept in secure areas

1 with limited access where the books are concealed under tarps. Only production facility  
 2 employees with proper security clearance have access to the Strategy Guide during the  
 3 production process. Those with permission to access the secured areas are not permitted to bring  
 4 in cellular phones or cameras.

5 29. TPCi derives significant economic value from maintaining the secrecy of details  
 6 of Pokémon Sword and Pokémon Shield and the Strategy Guide prior to the games' release. The  
 7 company's and its partners' carefully planned and timed publicity strategy stokes a swell of  
 8 media interest and fan enthusiasm that results in a substantial number of players purchasing the  
 9 games. For example, TPCi partner GAME FREAK released a 16-minute video on June 6 that  
 10 teases key features of Pokémon Sword and Pokémon Shield. The video has more than 4.2  
 11 million views and 125,000 likes on YouTube.<sup>1</sup> An earlier video that announced Pokémon Sword  
 12 and Pokémon Shield and promised their release in late 2019 garnered nearly 6 million views and  
 13 more than 180,000 likes.

14 **D. Defendants Stole Trade Secrets from the Strategy Guide and Leaked Them on the**  
 15 **Internet**

16 30. On or about November 1, 2019, Defendants began releasing pictures of TPCi's  
 17 unreleased Strategy Guide that disclosed numerous never-before-seen Pokémon, including their  
 18 special forms and attributes.

19 31. At approximately 7:28 p.m. (PDT),<sup>2</sup> Defendants worked together to post the first  
 20 leaked picture of a new Pokémon, Gigantamax Machop, on Discord, a free platform that  
 21 provides text, image, video, and audio communications between users in a chat channel. A  
 22 screenshot of the message with the first Discord Strategy Guide leak is attached as Exhibit 1, and  
 23 the image that appears after clicking the .jpg hyperlink in the message is attached as Exhibit 2.

24  
 25 <sup>1</sup> <https://www.youtube.com/watch?v=PpjVUOJkX-s&list=PL2JiZAV5BmDXWAFFFoDmnBipVPC-wuoVP&index=7&t=0s>.

26 <sup>2</sup> The screenshots of the Discord posts contain time stamps that are shown in Universal Time Coordinated ("UTC"). PDT is 7 hours behind UTC.

32. Over the course of the next 15 hours, Defendants posted an additional 18 pictures from the unreleased Strategy Guide on Discord. These 18 posts are attached as Exhibits 3-38. The following are select examples of the Discord messages, with the corresponding images immediately below:

33. Several of the images Defendants leaked are present only in the collector's edition of the Strategy Guide. *See* Exs. 8, 14, 32.

34. Discord enables its users to post anonymously. Discord users need only an email address to create an account and they create usernames to communicate on the platform. A user can change the username associated with their account at any time, making it more difficult to track a specific Discord user.

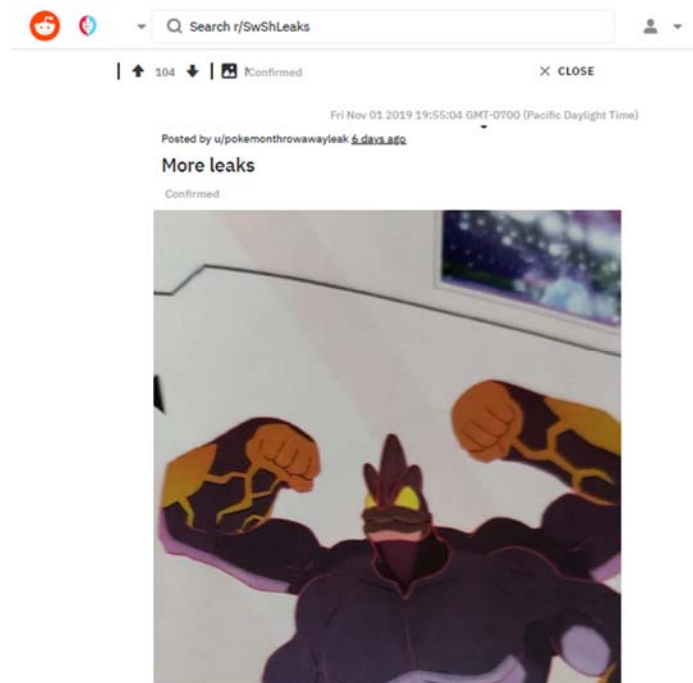

35. Once posted on Discord, the leaked pictures rapidly spread across the Internet. Within minutes of the first post for each picture, the picture was re-posted on 4chan (an Internet

forum where users can post and comment on images anonymously) and then on a dedicated forum on Reddit for leaked information regarding Pokémon Sword and Pokémon Shield.

36. For example, 17 minutes after Defendants leaked the first picture on Discord, it was posted on 4chan:<sup>3</sup>

37. And within 27 minutes of Defendants' original Discord post, the picture was already on Reddit:<sup>4</sup>

38. From there, the pictures quickly reached a worldwide audience across the Internet.

<sup>3</sup> Like the Discord posts, the 4chan post time stamp is on UTC.

<sup>4</sup> The screenshot of the Reddit post contains a time stamp shown in PDT, which is 7 hours behind UTC.

39. TPCi reacted swiftly. It identified over 300 URLs on dozens of platforms that linked to websites containing the leaked Strategy Guide pictures. The leaked pictures appeared on mainstream social media platforms such as Facebook, Twitter, and Imgur, as well as popular video game news outlets such as Polygon and Dot Esports, and numerous Nintendo-focused forums and blogs.

40. In an effort to mitigate the damage caused by Defendants' leaks, TPCi submitted takedown requests to the platforms to remove the leaked images.

41. Through these posts, Defendants disclosed images of multiple Pokémon, the Gigantamax form for certain Pokémon, and the attributes (such as type and weaknesses) for others. This information had previously never been revealed to the public—TPCi kept it secret to build anticipation for the release of Pokémon Sword and Pokémon Shield.

42. Defendants' trade secret theft and subsequent leak harmed TPCi by disrupting its ability to market Pokémon Sword and Pokémon Shield and the Strategy Guide, reducing the fan interest and engagement TPCi and its partners generate by keeping key elements of the games secret, and disclosing certain of the contents of the unreleased Strategy Guide, which gamers purchase to obtain the information Defendants leaked.

### **FIRST CAUSE OF ACTION**

#### **(Violation of the Defend Trade Secrets Act, 18 U.S.C. §§ 1832, *et seq.*)**

43. TPCi repeats, realleges, and incorporates herein by reference the allegations in the foregoing paragraphs as if fully set forth herein.

44. TPCi owns and/or possesses certain confidential and trade secret information relating to the Pokémon Sword and Pokémon Shield video games, including non-public information concerning new characters, developments, features, and functionality in Pokémon Sword and Pokémon Shield.

1           45.     TPCi's confidential and trade secret information relates to products and services  
2 that are used, sold, shipped and/or ordered in, or that are intended to be used, sold, shipped  
3 and/or ordered in, interstate or foreign commerce.

4           46.     TPCi and its partners have taken reasonable steps to protect the secrecy of its  
5 confidential and trade secret information, including the secrecy of the information Defendants  
6 misappropriated. For example, TPCi conducts background checks on employees, stores game  
7 content files on secure computers, restricts access to game working files to a limited number of  
8 individuals (who can only gain access to files by entering a username and password), allows  
9 those individuals to transfer game files using only secured methods, uses digital measures to  
10 trace and mark files to prevent unauthorized access, and requires users with access to game files  
11 to sign non-disclosure agreements. Additionally, access to TPCi's offices are restricted by key  
12 card.

13           47.     Further, TPCi requires contractors who work on the Strategy Guide content to  
14 sign non-disclosure agreements. This includes contractors who work where any Strategy Guides  
15 are stored.

16           48.     TPCi's confidential and trade secret information derives independent economic  
17 value from not being generally known to, and not being readily ascertainable through proper  
18 means by, another person who can obtain economic value from the disclosure or use of the  
19 information.

20           49.     Defendants have misappropriated TPCi's confidential and trade secret  
21 information by, *inter alia*, acquiring it, using it, and disclosing it to third parties without TPCi's  
22 consent. This includes taking surreptitious pictures of the Strategy Guide and working together  
23 to disseminate that confidential information over the Internet to a wide audience of would-be  
24 customers.

25           50.     Defendants' conduct has caused and, unless enjoined by this Court, will continue  
26 to cause irreparable injury to TPCi.

51. Defendants' misappropriation of TPCi's confidential and trade secret information has also caused and will continue to cause TPCi substantial injury, including, *inter alia*, actual damages, lost profits, harm to reputation, competitive harm, and diminution in value of its trade secrets. Defendants' misappropriation was also willful and malicious.

52. As a result of the foregoing, TPCi has been damaged and is entitled to damages in an amount to be proven at trial, as well as injunctive relief and an award of exemplary damages and attorneys' fees pursuant to 18 U.S.C. § 1836(b)(3)(C)-(D).

**SECOND CAUSE OF ACTION**  
**(Violation of the Washington Uniform Trade Secrets Act, RCW 19.108.010 *et seq.*)**

53. TPCi repeats, realleges, and incorporates herein by reference the allegations in the foregoing paragraphs as if fully set forth herein.

54. TPCi owns and/or possesses certain confidential and trade secret information relating to the Pokémon Sword and Pokémon Shield video games, including non-public information concerning new characters, developments, features, and functionality in Pokémon Sword and Pokémon Shield.

55. TPCi's confidential and trade secret information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.

56. TPCi and its partners have taken steps reasonable under the circumstances to protect the secrecy of its confidential and trade secret information, including the secrecy of the information Defendants misappropriated. For example, TPCi conducts background checks on employees, stores game content files on secure computers, restricts access to game working files to a limited number of individuals (who can only gain access to files by entering a username and password), allows those individuals to transfer game files using only secured methods, uses digital measures to trace and mark files to prevent unauthorized access, and requires users with

1 access to game files to sign non-disclosure agreements. Additionally, access to TPCi's offices  
2 are restricted by key card.

3 57. Further, TPCi requires contractors who work on the Strategy Guide content to  
4 sign non-disclosure agreements. This includes contractors who work where any Strategy Guides  
5 are stored.

6 58. Defendants misappropriated TPCi's confidential and trade secret material by  
7 acquiring TPCi's trade secrets through improper means, including by improperly gaining access  
8 to a copy of the unreleased Strategy Guide and photographing it without TPCi's consent.  
9 Defendants worked together to widely disclose TPCi's trade secrets without TPCi's express or  
10 implied authorization by posting images of the Strategy Guide on the Internet. At the time of  
11 this disclosure, Defendants knew or had reason to know that the unreleased Strategy Guide  
12 images were trade secrets.

13 59. Defendants' conduct has caused, and unless enjoined by this Court, will continue  
14 to cause irreparable injury to TPCi.

15 60. Defendants' misappropriation of TPCi's confidential and trade secret information  
16 has also caused and will continue to cause TPCi substantial injury, including, *inter alia*, actual  
17 damages, lost profits, harm to reputation, competitive harm, and diminution in value of its trade  
18 secrets. Defendants' misappropriation was also willful and malicious.

19 61. As a result of the foregoing, TPCi has been damaged and is entitled to damages in  
20 an amount to be proven at trial, as well as injunctive relief and an award of attorneys' fees  
21 pursuant to RCW 19.108.040.

### 22 JURY DEMAND

23 Pursuant to Federal Rule of Civil Procedure 38(b), plaintiff demands a trial by jury as to

**INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**  
**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleadings or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

**I. (a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

**(b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

**(c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

**II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), Fed.R.Civ.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

*United States plaintiff.* (1) Jurisdiction based on 28 U.S.C. §§ 1345 and 1348. Suits by agencies and officers of the United States are included here.

*United States defendant.* (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

*Federal question.* (3) This refers to suits under 28 U.S.C. § 1331 where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

*Diversity of citizenship.* (4) This refers to suits under 28 U.S.C. § 1332 where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

**III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

**IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable.

**V. Origin.** Place an "X" in one of the six boxes.

*Original Proceedings.* (1) Cases which originate in the United States district courts.

*Removed from State Court.* (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C. § 1441. When the petition for removal is granted, check this box.

*Remanded from Appellate Court.* (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

*Reinstated or Reopened.* (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

*Transferred from Another District.* (5) For cases transferred under Title 28 U.S.C. § 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

*Multidistrict Litigation - Transfer.* (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. § 1407.

*Multidistrict Litigation – Direct File.* (7) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.

**VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC § 553; Brief Description: Unauthorized reception of cable service

**VII. Requested in Complaint. Class Action.** Place an "X" in this box if you are filing a class action under Rule 23, Fed. R. Civ. P.

*Demand.* In this space enter the dollar amount being demanded or indicate other demand, such as a preliminary injunction.

*Jury Demand.* Check the appropriate box to indicate whether or not a jury is being demanded.

**VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

**INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**

**Authority For Civil Cover Sheet**

**Date and Attorney Signature.** Date and sign the civil cover sheet.
