Stephen, Excellent article highlighting your unique talents, intellect, and political savvy. The President is truly fortunate to have someone who is in sync with his mindset and able to drive his agenda. Congratulations! On another matter, I hate to even bother you with all you have going on but I will be in Washington, D.C. for a wedding from the 11<sup>th</sup> to the 16<sup>th</sup>. About one month ago, I had asked if you could direct me to someone that could help me arrange a White House tour for the former President of UMASS Dartmouth, the former Owner of Acushnet Rubber, their spouses and my wife and me. Although I have been trying to connect with John Zadrony, we have not been able to speak. He had hoped to speak with me on two previous occasions about the tour and some thoughts I have for strengthening our immigration front to avoid the recent court decisions in Massachusetts and elsewhere, but I am sure he must have had some conflicting issues. Anything you could do to direct me to someone who could make this possible, I really and truly would appreciate it. I would even be willing to meet with John to discuss the thoughts and ideas while the others did the tour if that is possible. It would mean a lot to me if this tour could be possible for Oct. 12<sup>th</sup> or 13<sup>th</sup> as those are the days that are open. I am sorry to be even asking you for your support on this request as I know you are incredibly busy. Thanks for your consideration and for any effort you are willing to offer to support this request. Stay well and keep up the good work. Hope you enjoy your weekend!
