What is the Law Enforcement Officers Relief Fund?

Your local Law Enforcement Officers face disasters every day and are the first on the scene to protect and save lives – often while risking their own. The Law Enforcement Officers Relief Fund was established to provide support and resources to officers and family members of the Law Enforcement Community when tragedy strikes.

The organization will, without restriction, provide assistance by all manners and means to Law Enforcement personnel, as well as the immediate family members who have suffered loss as a result of disaster, violence, injury, or any other calamity. In the case of common disaster or unusual tragedy, the organization may expand the scope of its services to include other members of the public at its sole discretion.

The Law Enforcement Officers Relief Fund is a 501(c) 3 non-profit charitable corporation and donations are tax deductible.

For more information and to find out how you can help please visit: www.leorfgc.org or email info@leorf.org

A message from: The Chairman

On behalf of the Law Enforcement Community, we would like to thank you for your continued support. Annually, we put together a golf classic to benefit the Law Enforcement Officers Relief Fund. We're hosting this year's event at the beautiful Sarasota National in Venice, Florida.

The Fund was created to assist Law Enforcement Officers and their families when faced with tragedy, such as violence or natural disaster. It can sometimes take weeks to put together the necessary paperwork to collect the benefits officers and their families have earned and deserve. The Law Enforcement Officers Relief Fund is there immediately to support our public safety officers in their greatest time of need.

The Fund is a 501(c)3 non-profit charitable corporation and donations are tax deductible.

Thank you once again for your support of this important cause.

Sincerely,

Sam A Cabral

A message from: The Tournament Chairman

In 2019, we will host the Law Enforcement Officers Relief Fund Golf Classic at Sarasota National in Venice, Florida.

The Committee has spent time developing the Tournament so that everyone will enjoy themselves and raise money for a great cause. Please review the Supporter and Journal reservation forms to contribute not only to benefit your local community, but to also benefit the Law Enforcement Community as a whole.

We look forward to seeing you on the course and welcome your feedback so that we can further enhance future tournaments.

Sincerely,

Dan Farrell

Sarasota National

Sarasota National Golf Club's eighteen hole championship course provides an exhilarating test for golfers of any skill level. Sarasota National Golf Course has been designed by Gordon Lewis, multi award winning golf course designer.

Golf Course Architecture - Gordon Lewis

"Our goal is to enhance the natural beauty, minimize construction and maintenance costs and give personal attention to the project. I insist on being involved at all stages of the design process and keep all the planning, such as construction drawings and documents, in-house and personally attend all meetings and on-site inspections. My record of repeat business suggest this plan works.

The perfect course is our ultimate objective with each project. I want to challenge not only the low handicap golfer and Tour professional but allow the beginner an enjoyable and memorable round of golf."

Not only is this course notable by its remarkable designer, this course is also an Audubon International Certified Signature Sanctuary. The Sarasota National Course surrounds itself with native wetlands and preserves, which provides a dramatic backdrop that is beautiful while the course remains challenging.

Scramble Format

Scramble formats are probably the most enjoyable type of tournament play because only the best shots are played at each hole. All players tee off and from that drive, the best ball is selected. All players hit their next shots from that point and the best ball is again selected.

The process is repeated until the ball is "holed out" with a two-putt limit. In each foursome, they must select at least two drives from each player for the eighteen hole tournament.

Courses will be played on during the Tournament. Players handicaps, provided on the registration form, will determine which course your foursome will play. Course of play is assigned by I.U.P.A. and course officials.
