              GREENVILLE, NORTH CAROLINA;
 2
              MEETING
                             So, are you back in school now?
 3
              PHIL LEWIS:
 4
              STUDENT:
                             I am.
                                    I have online, so I really
   have a pretty open schedule.
 5
 6
              PHIL LEWIS:
                             Oh, you're online? That's good.
 7
              STUDENT:
                             Yes, sir. So, I'm pretty much at
   home all day.
8
9
              PHIL LEWIS:
                             Okay.
10
              STUDENT:
                             It's good.
11
              PHIL LEWIS:
                             So, you're a senior this year?
                             Junior. I'll be a senior next year.
12
              STUDENT:
13
              PHIL LEWIS:
                             You'll be - okay.
14
              STUDENT:
                             Yes, sir.
15
              PHIL LEWIS:
                             Well, what made you want to jump in
16
    this thing last year?
17
                             So, I worked for the - there's like
              STUDENT:
    a little election committee for the local elections that's
18
    with like - every Greek chapter has a representative and we
19
20
    just basically work on getting the college voting numbers up
21
    (inaudible).
```

(inaudible)? 1 PHIL LEWIS: 2 STUDENT: 7 PHIL LEWIS: Yea, I was telling Robbie, I told you about the, you know, the Colin deal. If he was as smart as he thinks he is, we'd be okay. 10 STUDENT: Uh-huh. Yeah. He's a nice quy. 11 PHIL LEWIS: Oh, he's a nice guy. Oh, we get along with him, but it's just he threw us a bunch of curve 12 13 balls and he very much - one thing that we are trying to do 14 is trying to change what's going on at East Carolina where the students are - everything's been - I mean, our - right 15 16 the fee increase last year for athletics was \$75. They knew it was going to be \$75 this year. Colin knew it. We pretty 17 much told him, "Look, Colin. If you vote with us, we won't 18 do it." It costs the students 1.3 million. 19 20 Yeah. Athletics is so - I always STUDENT: 21 forget how much money (Inaudible) 22 No, listen, he's on athletics, 12 PHIL LEWIS: 23 million dollars. ROBBIE MOORE: Twelve million dollars this year. 24 25 And you know, why other - just like PHIL LEWIS:

```
1 Clemson didn't sell out the last four years - football and
2 we're out there putting 60 mil- we didn't, but the current
   people that are still there ---
3
4
             STUDENT:
                           Uh-huh.
5
             PHIL LEWIS: --- between you and me are
6 responsible for that 60 million dollar increase over there
7
   for that ---
8
             ROBBIE MOORE: (inaudible)
             PHIL LEWIS: Which is nice ---
9
10
             ROBBIE MOORE: The students never get.
11
             PHIL LEWIS: --- but you use it six times a year
12
   and we're losing 12 million dollars.
13
             STUDENT:
                           Yeah.
14
             ROBBIE MOORE: (inaudible)
15
                            I actually just ate.
             STUDENT:
                            Still use (inaudible)
16
             PHIL LEWIS:
17
             STUDENT:
19
             PHIL LEWIS:
                            Okay.
20
             (speaking to waitress)
21
             PHIL LEWIS:
23
             STUDENT: I was in Alpha Gamma, which is -
24 remember the old (inaudible) house?
25
             PHIL LEWIS:
                            Okay.
```

```
Which is like - they're - they're
1
             STUDENT:
   the new (inaudible) campus ---
3
             PHIL LEWIS:
                            Okay.
4
                            --- after Sigad (phonetic) got
             STUDENT:
   kicked off, we got their house.
5
6
             PHIL LEWIS:
                            On Vince - on Vince Street?
7
             STUDENT:
                        On Vince Street, the big house on
8
   Vince Street. Yes, sir. But I just - it was too much and I
    just -
10
                            Oh my, I can imagine.
             PHIL LEWIS:
                            Yeah, I was like, "I'll find
11
             STUDENT:
12
    something better." So, I just work and kind of do that now.
13
             PHIL LEWIS: I sat beside Bernie at the
14
   basketball game. Bernie Carraway, she works for him.
15
             ROBBIE MOORE: Uh-huh.
             PHIL LEWIS: I sat beside him at the basketball
16
17
   game the other night. I was going to say something, but I
    said, "Naw, I think I'll wait and talk to you before."
18
19
             STUDENT:
                            Yeah, Mr. Bernie is super sweet.
20
             PHIL LEWIS:
                            He's a good guy.
21
             STUDENT:
                            Yeah, he's really sweet.
22
             PHIL LEWIS:
                            He's smart. He's a smart boy.
23
             ROBBIE MOORE: So, what do you think helped Colin
24
   win last year?
25
                            Colin was already in SGA, so he had
             STUDENT:
```

```
a lot of push from people already in SGA. I mean, more if
   they already knew him and he also knew a lot more than I did,
   honestly. I kind of just got thrown into it, so I didn't
3
   really know much about SGA.
5
              PHIL LEWIS:
                             Right.
6
                             But he knows all the ins and outs of
              STUDENT:
    it, so he really had a good understanding of the program.
8
              ROBBIE MOORE: He loves - he just loves that stuff.
9
                             He - Colin loves to do exactly what
              STUDENT:
   he's doing right now. Like, he - he fits well.
10
11
              PHIL LEWIS:
                             I asked him probably two months ago
   was anybody there to take his place and he pretty much made
12
13
    it sound like to me that there was nobody that could take his
   place, number one, and he just - he didn't know anybody that
14
   was going to take it.
15
16
             ROBBIE MOORE: Yeah, we went and met with him over
17
   at the SGA office, that's when he told us that.
18
              PHIL LEWIS:
                             Yeah.
19
                             Yeah.
                                    I know
              STUDENT:
                                                          is - I
20
    talked to the other day, definitely running, so.
21
              PHIL LEWIS:
                             Tell me about
22
              STUDENT:
                                            is from
                                                           and
                              , which is - they're fairly new.
23
    They're well-respected and did a really good job with
24
    their presidency and basically is going to do the same
25
```

```
1 thing that I did, where you just kind of - have a voice for
   the Greek population. That used to be what got you to win is
   if the Greeks all voted for you, but it's not the same
3
   anymore since we lost five frats - five frats, I think.
4
5
             PHIL LEWIS:
                            Yeah.
6
             STUDENT:
                            So, that's like a good ---
7
             ROBBIE MOORE: That's one of the problems ---
                            Yeah. Yeah.
8
             STUDENT:
9
             ROBBIE MOORE: --- that's one of the problems at
   East Carolina, there's nobody that - if they want to be Greek
10
11
   life, it's not a real reason to come to East Carolina.
12
                            Yeah, it's not really a pulling
             STUDENT:
13
   factor anymore like it used to be.
14
             PHIL LEWIS:
                            Is
                                             going to be a
15
         this year?
16
             STUDENT:
                                                 No,
17
                   be ---
         , so
18
                            Did ask you if you were going to
             PHIL LEWIS:
19
   run?
20
             STUDENT:
                            I didn't tell I was even
21
   considering it. I just asked kind of passing by if
22
   was doing it, and said, "Yeah."
23
             PHIL LEWIS: Do you think
                                         tied to Colin at
24
   all?
25
                            Oh, no.
                                         not tied to Colin.
             STUDENT:
```

1	Colin was
2	PHIL LEWIS: I'm just
3	STUDENT: (inaudible)
4	PHIL LEWIS: we're just trying to figure out
5	where the groundwork is and maybe - you know, you mentioned
6	Max. We both like Max. Max called him last night, we just
7	don't want to jump Max on what we're doing because he's
8	voting on the other side because he's one of those - he's
9	been there for seven years, he's the one who voted to spend
10	the 16 million dollars.
11	STUDENT: Uh-huh.
12	PHIL LEWIS: And all we're trying to do is - I
13	mean, enrollment is going down. It's not going up.
14	STUDENT: Uh-huh.
15	PHIL LEWIS: I mean, one thing they don't tell is
16	that we're down a thousand students from two and a half years
17	ago in credit hours.
18	STUDENT: That sounds about right.
19	PHIL LEWIS: And that's - that right there
20	ROBBIE MOORE: We're going to be down again this
21	spring semester.
22	PHIL LEWIS: I think we're going to lose 24
23	million this year.
24	STUDENT: Yeah, I could tell from knowing kids
25	from high school going to college. I - very few from my -

from Wilmington going to ECU this year. 2 PHIL LEWIS: Yeah. 3 STUDENT: I can think of maybe 10 and there used to be half of us would go to ECU. 5 PHIL LEWIS: Yeah. 6 So, it's definitely changing. STUDENT: 7 PHIL LEWIS: Wilmington is doing a good job. 8 State is doing a good job. 9 STUDENT: Uh-huh. State. We're losing a lot 10 to State. PHIL LEWIS: 11 State, Elon is doing a good job. 12 They're all - and High Point is doing a great job (inaudible) 13 ROBBIE MOORE: We're able to spend a lot more money 14 (inaudible) now (inaudible) it's just not (inaudible) 15 Yeah. STUDENT: 16 ROBBIE MOORE: (inaudible) there's 29 areas 17 (inaudible) just not (inaudible) 18 STUDENT: Yeah, the only town I know, Clayton, 19 there are so many kids from Clayton that still come. 20 PHIL LEWIS: Really? 21 STUDENT: That's the only place I can think of that's like ---22 23 Clayton is not that big. PHIL LEWIS: 24 STUDENT: No, it's not that big, but everyone I know is from Clayton.

```
1
                             Oh, really?
              PHIL LEWIS:
2
                             Uh-huh.
              STUDENT:
                             That's where my (inaudible). So,
3
              PHIL LEWIS:
   what do you think the chances are that you'd run, and would
4
   you even want to (inaudible)
5
6
                             I don't really - I mean, I'm not
              STUDENT:
   opposed to running, it's just worrying about school and
   running.
8
9
              PHIL LEWIS:
                             Right.
10
                             Just because when I was running last
              STUDENT:
11
   semester, it - running takes just about everything out of
         It's all day, every day. It's at the beginning of the
12
13
   semester, so it's really hard to balance the two and it just
14
    - it was - me and were worn slap out by the end of it.
15
              ROBBIE MOORE: Yeah.
16
              STUDENT:
                             It's kind of hard to explain to your
   professors. They're - I thought they'd be more
17
18
   understanding, but they really weren't.
19
              PHIL LEWIS:
                             Okay.
20
              STUDENT:
                             And so, yeah. But I mean, I'm not
21
    opposed to it, I would just have to find a good VP and
22
    finding them and all that is just a matter ---
23
                             DO you think
              PHIL LEWIS:
                                                         has
24
   already got a VP running?
25
                             Probably. I would assume
              STUDENT:
```

```
have a VP running. I'm not sure though. I think - when are
   elections, next ---
3
                            (inaudible)
             PHIL LEWIS:
4
             ROBBIE MOORE: Like February 21st.
                            They're like - yeah, they're coming
5
             STUDENT:
   up, but I think submitted our ---
7
             PHIL LEWIS:
                            It was earlier this year, I think,
   than last year.
9
                            Yeah, submitted our stuff, I
              STUDENT:
   think, with like two days left until due dates, so were
10
11
   right at the cutoff and Colin had his stuff in for like
12
   weeks, so.
13
                            He knew what he wanted (inaudible)
             PHIL LEWIS:
14
                            Colin had everything, like, all of
              STUDENT:
   his media and everything I'm pretty sure was already - he had
15
16
    (inaudible) but everything was already templated, everything
17
   was ---
18
             PHIL LEWIS:
                            You can't spend but a thousand
19
   dollars, though, right?
20
             STUDENT:
                            Yes, sir. And I know - Colin ran a
21
   fair race, as far as all that went. He did everything
22
    (inaudible) that, as far as, you just can't post any - you
   can have it drafted, you just can't post it until I think
23
24
   like the first actual day.
25
                            If he knew all of what - what not to
             PHIL LEWIS:
```

```
do and what to do, I wonder why he - why he did some of the
   things he did?
 3
                            I couldn't tell - well, you mean, as
              STUDENT:
   far as being in office or during
                                     race?
                            No, I mean, during the race.
 5
             PHIL LEWIS:
                            I don't know. I just think that
 6
              STUDENT:
         could get away with it in a way because had to
               out,
17
             PHIL LEWIS:
                            Oh, it was that kind of stuff?
                            Yeah, it was that kind of stuff and
18
             STUDENT:
   we're like, yeah, right. So, Mr. Hanks stopped in and he
19
   made it right.
20
             PHIL LEWIS:
21
                            Hank?
                            I don't know Hank's last name. He
22
             STUDENT:
   basically oversees the SGA elections. I don't know what his
23
   position is, but he works in Student Affairs.
24
25
             PHIL LEWIS:
                            Oh.
```

```
But I don't know his last name, I
1
              STUDENT:
   just know his name is Hank.
3
              PHIL LEWIS:
                             We're just trying to understand, and
   you don't have a lot of time to make up your mind.
                             I know. That's - last year I was
5
              STUDENT:
   kind of just up - up in the middle of the night contemplating
   whether I wanted to do it, but I'm not opposed to it, but
    it's just finding a good VP is kind of the big part of it.
8
9
                            You think probably helped you
              PHIL LEWIS:
10
   some last year?
11
                                     helped me a lot because I
              STUDENT:
                             Oh,
   never had like stage fright ---
12
13
              PHIL LEWIS:
                             Why didn't you run for vice
14
   president and let run for president?
16
              STUDENT:
                             Because they wanted - the VP
17
   actually does most of like the actual work and I'm kinda just
18
   like a face.
                            Uh-huh.
19
              PHIL LEWIS:
                             And so, they thought that it would
20
              STUDENT:
   be - there would be kind of talk (inaudible) because
                            Well, do you think that this
24
              PHIL LEWIS:
           would be tough to beat?
```

```
STUDENT:
                           I don't - I don't think so. I think
1
       is well spoken, but not - like Colin kind of has an
   essence to him to where like you know Colin knows what he's
3
   talking about, even if he doesn't know what he's talking
   about, you feel like he does.
5
6
                           He acts like he's a little older
             PHIL LEWIS:
   than he is.
8
             STUDENT:
                           Yeah, and that - that plays well
   when you're running ---
10
             PHIL LEWIS:
                           Right.
11
                           --- because it makes you seem like
             STUDENT:
   you have knowledgeable and trustworthy. doesn't have
12
13
   the same essence as Colin does.
14
             ROBBIE MOORE: Did you know the before Colin,
15
16
                            I did know _____, yeah,
             STUDENT:
20
             PHIL LEWIS:
                           Well, but I - but was kind of
21
   in Colin's camp, wasn't ?
22
                           I don't really know. I never got
             STUDENT:
   too much into business. I just kind of knew
23
   from the elections, but like the Pitt County elections, but I
24
   didn't really know involvement with Colin, but I've
25
```

```
always really liked . always been very kind.
2
                             I know that and Colin were real
              PHIL LEWIS:
3
   close.
4
                            Yeah.
              STUDENT:
                            I mean, I like - we like Colin.
5
              PHIL LEWIS:
   mean, I don't really know him. I don't really care. All I
6
   know is that the students are paying a million - over a
   million dollars more than they didn't have to pay. At that
   point, when he said something to us about going up on fees,
    to be honest with you, we didn't give a damn.
10
11
              STUDENT:
                            Yeah.
12
                            Because he - he voted against us; we
              PHIL LEWIS:
13
   didn't care.
14
             ROBBIE MOORE:
                            And we didn't.
15
                            You know, just to punish him if
             PHIL LEWIS:
16
   nothing else.
17
              STUDENT:
                            Yeah, I just - that's one of the
    things like he already knew about that I am still not very
18
   knowledgeable about the whole funding and all that.
19
20
              PHIL LEWIS:
                            He knew that they were going to - he
   knew that the $75 was going to be again this year was going
21
22
   to be voted on.
23
                            Uh-huh.
              STUDENT:
24
             ROBBIE MOORE:
                            It's going to be $50 next year.
25
              PHIL LEWIS:
                            Yeah, they're going to keep going up
```

- 1 unless somebody goes in there and says, "Look, stop it. Stop
- 2 the" and really, we're just looking kind of to stop the
- 3 madness. I mean, East Carolina can't keep sitting there and
- 4 losing enrollment. I mean, I was at the (inaudible) Table 9
- 5 and this lady comes up with her husband and we get to talking
- 6 and she works at East Carolina and she works in the marketing
- 7 and ---
- 8 ROBBIE MOORE: Communications.
- 9 PHIL LEWIS: --- she said she said, "I was at
- 10 Pitt Community College and I got a job over there thinking I
- 11 was really going up in the world." And she said, "It's
- 12 terrible. They don't know what the hell they're doing."
- 13 STUDENT: Yeah, I all my ---
- 14 PHIL LEWIS: Everybody is interim over -
- 15 everywhere, it's interim this, interim that, and interim, you
- 16 know.
- 17 STUDENT: Yeah, so, and my advisors, I think
- 18 I've had five different advisors ---
- 19 ROBBIE MOORE: Wow.
- 20 STUDENT: --- since my freshman year. Every
- 21 time I go to email one of them, they've guit.
- 22 PHIL LEWIS: What are you studying?
- 23 STUDENT: I'm in marketing. So, I I've
- 24 changed my major, which that explains one of them, but since
- 25 I've been in the marketing department, I've had a new advisor

- l like every semester just from them leaving, but I guess
- 2 that's just how it is.
- 3 PHIL LEWIS: I just think it's you know, we
- 4 just we just kind of got brought in to try to get some
- 5 common sense about it and that's what we've tried to do, but
- 6 we're having a hard time. Just like the last meeting we had,
- 7 trustees meeting we had, we do nothing. I mean, we ---
- 8 ROBBIE MOORE: The meeting started at 9:00, we were
- 9 done we finished at 10:30.
- 10 PHIL LEWIS: And get this, how much do you know
- 11 how much we do between the meetings?
- 12 STUDENT: Yeah ---
- 13 ROBBIE MOORE: There's so many people that think
- 14 that trustees have a lot of control of the operation of the
- 15 university.
- 16 STUDENT: Uh-huh.
- 17 ROBBIE MOORE: I'm in my second month now and it's
- 18 just not something may change, but it's just not true at
- 19 this point.
- 20 PHIL LEWIS: I was on that Catholic I'm not
- 21 Catholic, but I was on that Catholic board. I did way much
- 22 more on the St. Peters board than I ever thought about here.
- 23 STUDENT: Oh, really?
- 24 PHIL LEWIS: Just nothing. You just do nothing.
- 25 I mean, they they don't want you to do anything.

	5
1	STUDENT: Who's - who's making all the
2	decisions?
3	(speaking to waiter)
4	ROBBIE MOORE: The Executive Council to the Vice
5	Chancellor (inaudible) the Chancellor (inaudible)
6	STUDENT: Yeah.
7	ROBBIE MOORE: Without - unless the trustees get
8	involved, they make it without
9	STUDENT: Without anyone's consent?
10	ROBBIE MOORE: (inaudible)
11	PHIL LEWIS: So. I mean, I heard so many
12	different stories. I heard about Cecil, some people liked
13	him, some people didn't like him. Then I heard about, then
14	dan, we liked Dan, but Dan was everything Cecil wasn't.
15	STUDENT: They were polar opposites, yeah.
16	PHIL LEWIS: I mean, they were polar opposites,
17	but it kind of would help if we had somebody who could, I
18	mean, and I don't know how this chancellor search is going to
19	work. I mean, it's
20	STUDENT: Uh-huh. Don't we have a new one?
21	PHIL LEWIS: Well, we have an interim.
22	ROBBIE MOORE: (inaudible)
23	STUDENT: An interim, yeah.
24	PHIL LEWIS: He's 70 years old.
25	STUDENT: Oh, he's - I didn't know he was that

- 1 old.
- 2 PHIL LEWIS: Yeah, Ron Mitchell (phonetic) is 70
- 3 years old. He's a good guy. He was the (inaudible). Good
- 4 guy and it's probably who they should've chose to start with.
- 5 Just like Dan. The reason why Dan didn't keep his job wasn't
- 6 because he was down drinking, its they caught him driving.
- 7 STUDENT: Yeah.
- 8 PHIL LEWIS: That was that's what got him.
- 9 STUDENT: That whole thing was confusing as a
- 10 student. We didn't know what was going on.
- 11 PHIL LEWIS: Yeah, I can see why it would be, you
- 12 know? Hell, it was confusing to us.
- ROBBIE MOORE: Yeah, because we were kept in the
- 14 dark the entire 30 days when this law firm did an
- 15 investigation.
- 16 STUDENT: Oh, I didn't know that a law firm
- 17 did an investigation.
- 18 PHIL LEWIS: They had some law firm, but BOG is
- 19 the heavy hand up in Chapel Hill and they hired some law firm
- 20 out of Raleigh to do an investigation and anybody could I
- 21 mean, a 10-year-old could've done better than what they did.
- 22 All they were trying to do was come up with the answer to
- 23 what they wanted to come up with.
- 24 STUDENT: Yeah, I know what you mean.
- 25 PHIL LEWIS: So so, when do you think you'll

- 1 probably know. I mean, because what we'd love to talk to
- 2 you about maybe, I mean, I saw you I looked on your
- 3 Facebook and you had a Trump t-shirt and we kind of liked
- 4 that.
- 5 STUDENT: I I'm a huge Trump supporter.
- 6 PHIL LEWIS: Oh, good.
- 7 STUDENT: Yeah. My whole family is. We my
- 8 brother is a big second amendment guy, gun collector ---
- 9 PHIL LEWIS: Oh, yeah.
- 10 STUDENT: Oh, yes, sir.
- 11 PHIL LEWIS: A hunter?
- 12 STUDENT: He goes through all the motions to
- 13 be a hunter, but he's not dedicated enough to actually get
- 14 out there in the morning, but all the tree stands are up, but
- 15 he's just never in them. But yeah, we're going duck hunting
- 16 this weekend.
- 17 PHIL LEWIS: Where do you go duck hunting?
- 18 STUDENT: I don't know where we're going. We
- 19 usually go to Hyde County, but I don't know if we're still
- 20 going there this weekend.
- 21 PHIL LEWIS: Down there close to Wilmington, it's
- 22 low land, and there's people all over that place duck
- 23 hunting.
- 24 STUDENT: We just moved to Willard, which is -
- 25 do you know Wallace?

1	PHIL LEWIS:	Moved where?
2	STUDENT:	Do you know Wallace?
3	PHIL LEWIS:	Yeah.
4	STUDENT:	We live right outside of Wallace in
5	a town called Willard.	
6	ROBBIE MOORE:	Oh, do you?
7	STUDENT:	So, we're right (inaudible)
8	PHIL LEWIS:	Wallace, Rose Hill.
9	STUDENT:	Yes, sir. Yes, sir. Right around
10	there.	
11	PHIL LEWIS:	Where the bull - what's - the
12	(inaudible)?	
13	STUDENT:	Yes, sir. That's down by Murphy's.
14	PHIL LEWIS:	Yeah.
15	STUDENT:	But we moved down there, so the -
16	the river is right there	(inaudible)
17	PHIL LEWIS:	One of the Murphy - the wife of the
18	younger Murphy is on the	- she is the vice chair of the Board
19	of Governors in (inaudib	le)
20	ROBBIE MOORE:	Wendy Murphy.
21	STUDENT:	Oh, I didn't know that.
22	PHIL LEWIS:	Wendy Murphy.
23	STUDENT:	Yeah, they're nice people. I've met
24	- I met one of them some	where, but they're - they're - he was
25	really nice. I don't re	member his name, but I met him.

We had a political fundraiser for 1 PHIL LEWIS: 2 some guys, and she showed up with a helicopter (inaudible) 3 It sounds like them. STUDENT: 4 PHIL LEWIS: Yeah, one (inaudible) land in the 5 helicopter. 6 Yeah, that's one of the things I STUDENT: realized is they kind of run that whole town. Just from - I 8 know they own (inaudible) and they own ---9 PHIL LEWIS: They own the golf ---10 --- all the River Landing. STUDENT: 11 PHIL LEWIS: --- yeah, they own. 12 Yeah, all of River Landing. But STUDENT: 13 yeah, they're good people. 14 PHIL LEWIS: So, it's just you and your brother? 15 Yes, sir. And then - my brother STUDENT: 16 still lives with my parents. College wasn't for him. So, 17 he's back home trying to collect himself until he figures out 18 what he wants to do. It's not for everybody. In fact, 19 PHIL LEWIS: 20 it's not - I mean, there's more and more people it's not for 21 because they want to go in debt and do something (inaudible) 22 Yeah, that was my - that was my STUDENT: 23 parents big thing is they didn't want to send us without us 24 having a plan, which I understand because you're just paying 25 for nothing at that point.

                            So, do you think there's a chance if
             PHIL LEWIS:
   you don't run that this
                                         will be the only
3
   person running ---

             PHIL LEWIS:
7
             STUDENT:
                            --- they try to convince someone, I
8
   think because when ran, the person - the that ran
   against had no business running - it sounded - from
   what it sounded like, they just didn't know much about
10
   anything and I don't really know who donated it. I don't
11
   know how they got any funding, but I think they always try to
12
13
   have at least two candidates.
14
             PHIL LEWIS: How did you do your funding last
15
   year?
16
             STUDENT:
                            I got - from working on that
   elections board, I got funding through them. Some of the
17
       from - I don't know who, kind of did all that, but
18
   we got money through their donations. And then, my parents
19
   donated money, too, so that really helped.
20
21
             PHIL LEWIS:
                            We could donate. I mean, it's a
22
   free world.
23
                            I don't think they - I don't
             STUDENT:
   remember having to do paperwork for that. I may have for
24
25
   tracking funding. We just have to make sure that it doesn't
```

- 1 exceed, I think it was \$2,000, I thought.
 2 PHIL LEWIS: Oh, I thought it was a thousand.
- 3 STUDENT: They might've dropped it, honestly.
- 4 You never know with them.
- 5 ROBBIE MOORE: Did you get the book totals last
- 6 year of what it was?
- 7 STUDENT: It was about 60/40. I think. It
- 8 was around like 800 to 1200, but it was just one of those
- 9 things where I wished I had more time to prepare because my
- 10 first day I was still like making templates for signs and
- 11 stuff and his were already out. So, it was kind of I just
- 12 I wish I would've had more if I had more time (inaudible)
- 13 PHIL LEWIS: There's more females there than
- 14 males at East Carolina.
- 15 STUDENT: I know and that was the biggest
- 16 issue we had was getting sororities don't vote. It's hard
- 17 to get sororities to vote today just because they they're
- 18 not they don't really care, so (inaudible) community.
- 19 PHIL LEWIS: So, they go online and vote online?
- 20 STUDENT: Yeah, so that was the thing that was
- 21 annoying with us is I mean, my generation is so based off
- 22 of our phones.
- 23 ROBBIE MOORE: Yeah.
- 24 STUDENT: And you can't vote you can vote
- 25 online, but it doesn't work with the phone, so everyone. It

```
was such a big deal that they had to log in the computer and
   do it and it was like pulling teeth to get people to vote on
   their computer because thy just wanted to do it on the phone.
3
   So, that shows you how non-motivated our generation is.
5
                            It's the same way this year?
             ROBBIE MOORE:
                             I don't know if they fixed it, but
6
              STUDENT:
   we def- I remember bringing it up to them that they needed to
   edit the website so that it could be used on the phone.
8
9
                             Do you think that - so, (inaudible)
              PHIL LEWIS:
            who ran with Colin (inaudible) I don't know ---
10
11
              STUDENT:
                                graduated.
12
             PHIL LEWIS:
                                did?
13
              STUDENT:
                             Yeah, which I don't know how
14
              PHIL LEWIS:
                             How did run then?
15
                             I don't - well,
              STUDENT:
   so I don't - I don't really know that word.
18
19
              ROBBIE MOORE: You have to be an undergraduate?
20
              STUDENT:
                             Yes, sir. Except the attorney - I
21
           called the attorney general. basically like
22
   the law for SGA.
25
              (speaking to waiter)
```

```
It's a lot to know.
1
             PHIL LEWIS:
2
             ROBBIE MOORE:
                            It is.
3
                            It's just - that was the whole big
             STUDENT:
   thing is just trying to figure all of it out, just me and
4
       trying to figure out what was going on, but it was - it
5
   was fun and I like getting to know because a really
         , but it was worth it just to have a connection.
8
             PHIL LEWIS:
                            If you ran this time and is the
   head of the ECU (inaudible) do you think would help you?
10
             STUDENT:
                            Yeah, we're good friends, so I know
11
         would encourage them to vote. They're - they're
12
    encouraged to vote either way just because they're an SGA
13
    organization, but most of them I know - most of the
14
   Ambassadors from last year, and they all voted for us, I
    think. I think that whole organization voted. But there's
15
16
    only like a hundred of them, I think. 120. It's not as big
17
   as I thought it was.
18
             PHIL LEWIS:
                            They can get two or three other
19
   people.
20
             STUDENT:
                            Yeah, that's the thing. You just
21
   have to go. You forget that like the little organizations
22
            IT's like 25 in the Latino sororities, but if you
23
   get three of them, that's a hundred votes easily, that's just
    a thing. A lot of people forget about those.
24
25
                            So, did you - you didn't have a - a
             PHIL LEWIS:
```

```
groundswell of people (inaudible) helping you do anything.
   Was this mainly you and doing everything?
3
             STUDENT:
                            It was mainly me and We had my
   campaign advisor was
                                   who was a and
    ran the year before , and won by like or - I
5
          lost by like 50 votes. They had to do a second
   election because it was within the error - or region of
8
   error, whatever it's called, but they had to revote and
   lost by like 50 votes, but helped me a lot. That's where
   I got most of my information about how to run everything and
10
11
    was really, really helpful, but
12
                            One of the people that just came on
             PHIL LEWIS:
13
   the Board of Trustees, is a girl that, you know, works in
14
   finances and she's trying to help, her name is Angela Moss
   and she as the SGA president in 1999.
15
16
             STUDENT:
                            Uh-huh. Yeah, you told me about her
17
   on the phone.
18
             PHIL LEWIS: And if you made a decision to run,
19
   we'd like to get you with her ---
20
             STUDENT:
                            Uh-huh.
21
             PHIL LEWIS:
                            --- and ---
22
             STUDENT:
                            She could help out?
23
             PHIL LEWIS:
                            Uh-huh.
                            Yeah, I would feel a lot more
24
             STUDENT:
25
   confident this year because I actually know what's going on.
```

```
So, I mean, it's definitely - I'd have to talk to my family,
   you know, all my close friends and see, but it's definitely
    something I would consider at this point just because I
3
   believe in ECU and I just think that it does need work.
5
                             Well, I think it helps that you ran
              PHIL LEWIS:
6
   last year, too.
7
              STUDENT:
                             Oh, yeah, for sure because I know
   how everything goes and (inaudible)
9
              PHIL LEWIS:
                             How big is the Phi Gamma ---
10
              STUDENT:
                             Organization?
11
              PHIL LEWIS:
                             Yeah.
12
              STUDENT:
                             They're not that big. I talked to
13
   their - they all voted for me last year.
                                                    got all of
14
    them to vote and they - I think were like 75 - around 75.
15
    They're not the - fraternities aren't big here.
16
              PHIL LEWIS:
                             Right.
17
              STUDENT:
                             That's like - that's a big
18
    fraternity is 75. I don't know any of them that are over
    like 80.
19
20
              PHIL LEWIS:
                             Wow.
21
              STUDENT:
                             And then, K.A. - you have to
   remember though, that like ---
22
23
                             Yeah, how do the Phi Gammas and the
              PHIL LEWIS:
24
   K.A. get along?
25
                             They get along well, I think.
              STUDENT:
```

```
They're both like top-tiered as it's called. So, they're
   both good for (inaudible)
                            It's hard to believe that K.A. is a
3
             PHIL LEWIS:
   top tier.
4
                            But yeah, they - they're - they have
5
              STUDENT:
   a lot of social events together so that they get along well.
7
             PHIL LEWIS:
                            So, you think going to get some
8
   fraternity support?
9
                            Probably. - they probably won't
              STUDENT:
                         kind of stays to themselves, which is
10
   have a good -
   good because they never get in trouble - because no one
11
12
   really like - because you have to get invited to go to their
13
   stuff. But with that, they're seen is very exclusive in like
    a non-positive - like kind of - they don't want to associate
14
15
   with everyone else. They get like a ---
16
             PHIL LEWIS:
                            They're very inclusive?
17
              STUDENT:
                            Yeah, and they kind of get like a -
    they think they're better than everyone vibe, so a lot of the
18
    other, you know, more middle tier, low tier (inaudible) don't
19
   like them that much because of that. But I've never had an
20
21
    issue (inaudible)
22
                            Do you think there's a chance that -
             PHIL LEWIS:
    I mean, do they have many times where they had three or four
23
24
   people running?
25
                            Yeah, so when
                                           ran, there were
             STUDENT:
```

```
It was and then the that ran, I forgot his
           There was another group and it ended up being - it was
               , I forgot name, but - but it was three of
3
   like
   them and it got knocked down to two, and then, that's when
4
    they had to do the second vote is when it got knocked down to
5
   two, and then, they ended up beating
                                         . So, I don't
6
   think this year it'll get to three. I definitely don't see
    it getting to three, but I think they'll definitely have to
8
            I can't remember hearing about just one party.
                            So, talking about signs and things
10
             PHIL LEWIS:
11
    like that, name recognition is big, right?
12
              STUDENT:
                            Uh-huh.
13
                            So, what do they - Robbie is in the
             PHIL LEWIS:
   billboard business, so he's in the sign business so that's
14
   why I asked this question. How big was your - how big could
15
16
   your sign be and where did you put it?
17
              STUDENT:
                             I had one that I put on college -
18
   not College Hill - on the mall because I always do that like
   kind of walkway with the mall with all the signs. It was
19
20
    about the size of that door entrance. It was - it was large.
21
   And then, we had ---
22
                            Was it something y'all made or what?
             PHIL LEWIS:
                            Oh, no. I had it. I did the
23
             STUDENT:
    template for it. One of my friends at Bama was student body
24
25
   president of Bama, so he helped me make it. And then, I had
```

```
it sent off and (inaudible) and then, I did like flyers, too,
   to give out when we went and talked to chapters, and that's
   basically you're whole budget is that, and then, if you want
3
   to do like koozies or something, that's (inaudible)
5
                             Like what?
              PHIL LEWIS:
                             Like koozies, like
6
              STUDENT:
   koozies and that was really because guys love koozies for
8
   beer.
9
                             Okay.
              PHIL LEWIS:
10
                             So, they love those and that's
              STUDENT:
   pretty much your whole budget goes towards stuff like that.
11
   But if you get donations, it still counts - the value of the
12
13
   donations counts against your ---
14
              PHIL LEWIS:
                             Your two thousand.
15
                             Yeah, yeah.
              STUDENT:
16
              PHIL LEWIS:
                             Mmmm. Well, it seems like getting
17
    out early is a big deal.
18
                                      Definitely.
              STUDENT:
                             Uh-huh.
19
              PHIL LEWIS:
                             You might want to do it and having
20
    some help, you - somebody to help you organize. I think you
21
   not having is a negative towards you running, I guess.
22
                             Yeah, it would be, and it wouldn't
              STUDENT:
23
   because I still have all the connections through
   only thing would just not actually having with me, but I
24
25
   would still have all the same connections if I would run with
```

```
1
2
              PHIL LEWIS:
                             Do you have any idea if you did run,
   do you have anybody in the back of your mind of who ---
3
4
                             I would probably go for someone
              STUDENT:
   that's still in Greek life. Since I'm not in it, I just
5
   don't have all the ---
7
              PHIL LEWIS:
                             I was going to ask you if you
8
   thought that would hurt you.
9
              STUDENT:
                             No one really knows I dropped.
10
              PHIL LEWIS:
                             Uh-huh.
11
                             Because when I was in AGD, they kind
              STUDENT:
12
    of do this thing to where they put a lot of their
13
   forward, about why they present, and I don't know how to say
14
    this in a nice way. The
                             that make them look better,
    they put towards the front and I was - I was towards the
15
16
    front, so they all kind of know I'm in it and then, once I
   drop, it's not like it was a big thing. I kind of just left.
17
18
              ROBBIE MOORE:
                             Right.
19
                             And so, it's - it wasn't really a
              STUDENT:
20
   big (inaudible) but I still - mostly everyone still thinks
    that I'm in it, it's just the fact of not being able to get
21
22
   all of like the president's contact information. Like, when
    I ran last year, I was able to get a list of all the
23
   presidents so that I could contact them and that's how I got
24
25
    to go to all the chapters is by mailing - like I emailed
```

```
to go talk to Phi Gamma.
1
 2
             PHIL LEWIS:
                            Uh-huh.
                            And so, I would just need to find
 3
              STUDENT:
   someone that has that access and that would be the easiest
   way to do it.
5
6
             ROBBIE MOORE: (inaudible)
7
             STUDENT:
                            Yeah, that's - it's pretty easy to
   get the information.
9
             PHIL LEWIS: I mean, we could get that through
10
   (inaudible)
                           Virginia?
11
             STUDENT:
12
             PHIL LEWIS: Virginia Harden.
13
             STUDENT:
                            Dr. Harden?
14
             PHIL LEWIS: Yeah.
15
                           But have you - have you spoken to
             STUDENT:
   the lady that ran for us - what's her name? I can't
16
17
   remember. That's on the board with you?
18
             PHIL LEWIS:
                            Angela Moss
                            Yeah, did you speak to her about
19
             STUDENT:
   meeting with me?
20
21
             PHIL LEWIS: (no verbal response heard)
22
                            Okay. Gotcha.
             STUDENT:
23
             ROBBIE MOORE: She's great. Angela's fantastic.
24
                            Really, she's very smart and she -
             PHIL LEWIS:
   she's kind of got it - I mean, we kind of want to keep this
```

- 1 quiet because like Colin told Angela, "I'm going to vote for
- 2 you for chair."
- 3 STUDENT: Uh-huh.
- 4 PHIL LEWIS: Up until five minutes before the
- 5 vote and he had she I said, "Get your butt over there and
- 6 talk to that quy."
- 7 ROBBIE MOORE: That was the morning of the
- 8 trustees.
- 9 PHIL LEWIS: Morning of the trustees. And that
- 10 little jerk, he never he wasn't going to tell her.
- 11 ROBBIE MOORE: No.
- 12 STUDENT: So, wait, you did they end up
- 13 voting? I don't even know who ---
- 14 PHIL LEWIS: (inaudible)
- 15 ROBBIE MOORE: (inaudible) chair now.
- 16 STUDENT: Gotcha.
- 17 PHIL LEWIS: Which Vern is okay. The problem is,
- 18 all these guys are for Raleigh and they have all these
- 19 meetings in Raleigh, and they want to keep, you know ---
- 20 ROBBIE MOORE: They come into town for the trustee
- 21 meetings and they're over there writing in their pads, yes,
- 22 and what time are we going to get out so we can get out and
- 23 go back to Raleigh.
- 24 PHIL LEWIS: It's all for the show.
- 25 ROBBIE MOORE: It's all for show.

1	STUDENT: Gotcha. Gotcha. Yeah, just to be
2	on the board, just to be on the board.
3	ROBBIE MOORE: That's what it is.
4	STUDENT: Yeah.
5	PHIL LEWIS: Yeah. We didn't realize it until we
6	got on it. So, that's why we don't want Vern, that's why we
7	don't want Max. I mean, most of these guys don't want - I
8	mean, we got these problems that they don't want to talk
9	about.
10	STUDENT: Yeah.
11	PHIL LEWIS: I mean, just like athletics. I
12	mean, we've got all these problems in athletics and the
13	athletic director is like who can I talk to?
14	ROBBIE MOORE: He just - he wants - he wants help.
15	PHIL LEWIS: He wants some help.
16	ROBBIE MOORE: He wants to cut three sports.
17	STUDENT: Oooh. What sports? Would they all
18	be girls? Well, no, you have to balance them out, don't you?
19	ROBBIE MOORE: Yeah, you have to balance them out,
20	so it would probably be
21	PHIL LEWIS: Tennis?
22	ROBBIE MOORE: Tennis is probably one.
23	STUDENT: Awww, I love tennis.
24	ROBBIE MOORE: I know. I do, too. And tennis and
25	then one of the track and fields because indoor season and

1 outdoor season counts as two separate sports.

- 2 STUDENT: Gotcha.
- ROBBIE MOORE: So yep, there's been some talk and
- 4 he's got all the numbers of what it would cost what it
- 5 would save us to cut three sports.
- 6 STUDENT: Cut them, yeah.
- 7 PHIL LEWIS: But Colin really likes where he is
- 8 because he's he was the game shaker.
- 9 STUDENT: Uh-huh.
- 10 PHIL LEWIS: And you know, I'm a big boy. Just
- 11 tell me you're not going to vote for this and we're fine, but
- 12 don't sit here and lie to us and ---
- 13 ROBBIE MOORE: But since then, he really hasn't -
- 14 he's done nothing. He doesn't speak at any of the trustee
- 15 meetings.
- 16 STUDENT: Uh-huh.
- 17 ROBBIE MOORE: He has really zero input since then.
- 18 PHIL LEWIS: Yeah.
- 19 ROBBIE MOORE: They kind of use them as a pawn to
- 20 get the chairmanship.
- 21 PHIL LEWIS: The only time I heard him speak was
- 22 on the Student Beat.
- 23 ROBBIE MOORE: Well, he spoke. He passed out the
- 24 resolution to the student fees, and then, he spoke on it.
- 25 And the chairman was like, "You got anything else?" And he's

Page 37

- like, "No." And the vote was passed 12 to 1.
- 2 PHIL LEWIS: But we would've voted the other way,
- 3 it's just that ---
- 4 ROBBIE MOORE: Yeah, we would've voted (inaudible)
- 5 for sure.
- 6 PHIL LEWIS: I just wasn't going to - I wasn't
- 7 going to support him. I mean, he - you gotta work together
- 8 and we just want to see some change.
- 9 STUDENT: Yeah.
- I mean, it's just so much. And 10 PHIL LEWIS:
- 11 look, we probably, on the other side, we think Max is
- 12 probably the better one on the other side.
- 13 STUDENT: Uh-huh.
- 14 And we get along with Max. PHIL LEWIS:
- problem is and Max is a mess. Max has probably got three 15
- 16 credit hours (inaudible)
- 17 STUDENT: Uh-huh.
- 18 PHIL LEWIS: I mean, he never graduated.
- I didn't know that. 19 STUDENT:
- 20 PHIL LEWIS: But he ---
- 21 ROBBIE MOORE: Oh, yeah. So, we've got three
- 22 trustees that didn't graduate.
- 23 I didn't know that. STUDENT:
- 24 ROBBIE MOORE: From any university.
- 25 PHIL LEWIS: Nothing against it, I'm just ---

- 1 Yeah, I know. STUDENT: 2 PHIL LEWIS: --- but he's one - he's supporting he wants to support the old quard, which, you know, we 3 understand, but we just want some change and whoever wins, 4 the term will start July 1. 5 6 Yeah, I remember. It was over the STUDENT: 7 summer. (speaking to waiter) 8 9 So, we're just out trying to - we PHIL LEWIS: 10 appreciate you meeting with us and I want to make sure you 11 and Robbie got y'all's contact ---12 ROBBIE MOORE: Yeah. 13 PHIL LEWIS: --- you know, y'all get these other 14 contacts and maybe, I quess, in the next 10 days you're going 15 to make a decision. 16 Yes, sir. I'll probably have it by STUDENT: 17 the end of the week just because I just need to talk to my 18 family and (inaudible)
- I mean, I'm not going to I would 19 PHIL LEWIS:
- 20 love for you to talk to Angela Moss.
- 21 STUDENT: Uh-huh.
- 22 ROBBIE MOORE: We can line that up and you can talk
- 23 to her over the phone.
- PHIL LEWIS: 24 I can line that up and you can talk
- to her by phone or she'll come down here. And and

- 1 confidentially, as long as you don't have to show where you
- 2 get the money I mean, we have no problem I don't have any
- 3 problems supporting you.
- 4 ROBBIE MOORE: Yeah.
- 5 PHIL LEWIS: Robbie can help you with signs and
- 6 things like that. I mean, we Robbie is really in with the
- 7 legislature.
- 8 STUDENT: Uh-huh.
- 9 PHIL LEWIS: Like the guy that's probably going
- 10 to be the next speaker of the house is one of his best
- 11 friends, John Bell and we'd love to and you know, if you
- 12 get run in I think I don't I don't think if I if we
- 13 go to Virginia and say, "Okay. We know Shelby's running.
- 14 We might have some" I think she would do what she could.
- 15 She wants to see us win, too, but she can't say it.
- 16 STUDENT: Uh-huh.
- 17 ROBBIE MOORE: She can't she can't really get
- 18 involved.
- 19 STUDENT: Yeah.
- 20 ROBBIE MOORE: But, you know ---
- 21 PHIL LEWIS: Her and Max (inaudible)
- 22 ROBBIE MOORE: --- she wants some changes bad.
- 23 PHIL LEWIS: They hate each other. We just, you
- 24 know, but we, you know, we just want to make a change. We
- 25 want to make a change and our I think Robbie is the one

- 1 that should be the chair. He's got time number one, you've
- 2 got to have the time and he's owns the billboard company, if
- 3 he if he goes to work one day and finds he doesn't go to
- 4 work one day, he does what he wants to do. Not bad at 48
- 5 years old to be able to do that.
- 6 PHIL LEWIS: But just like Vern Vern works for
- 7 the (inaudible). He's traveling all the time. He doesn't
- 8 have time to do that. We need someone in Eastern North
- 9 Carolina to be the chair.
- 10 ROBBIE MOORE: We haven't had a chair in Eastern
- 11 North Carolina in at least a decade.
- 12 PHIL LEWIS: Right.
- 13 STUDENT: Uh-huh.
- 14 PHIL LEWIS: And I think Angela would be a great
- 15 one to work with and we got a guy over in (inaudible) that
- 16 owns (inaudible) ray that owns (inaudible) Exclusive would
- 17 probably be an officer. He's not that involved, but you
- 18 would probably get his vote.
- 19 STUDENT: Uh-huh.
- 20 PHIL LEWIS: You would have to do some stuff for
- 21 him.
- 22 ROBBIE MOORE: He's a long-time friend of ours. We
- 23 helped him get on the trustees, but he's not been involved
- 24 just because we don't we don't really do that much.
- 25 PHIL LEWIS: Just to give an example, they don't

- 1 they never have they say (inaudible) laws, they can't do
- 2 anything because then you have to tell the paper and do this
- 3 and do that.
- 4 STUDENT: Yeah, that's why I was I was
- 5 looking at the website and I forgot that all of y'all's
- 6 minutes are public record, aren't they?
- 7 PHIL LEWIS: Even if they have if we said they
- 8 were going to have a meeting today of the economic
- 9 development committee, which I'm on, then they'd have to call
- 10 the paper and tell them. Now, whether they showed up or not,
- 11 I don't know.
- 12 STUDENT: Yeah.
- ROBBIE MOORE: But they're so scared that any of
- 14 these meetings we have, that the media is going to show up,
- 15 we don't have any meetings. We run from the media.
- 16 STUDENT: It's just y'all sitting there.
- 17 ROBBIE MOORE: It's the craziest thing ever. It's
- 18 not like we're having some secret thing to take over the
- 19 world.
- 20 STUDENT: Yeah.
- 21 PHIL LEWIS: We're having meetings about stuff
- 22 related to East Carolina, it's a public institution that we
- 23 should have in the public domain, but we don't. We just
- 24 don't do anything.
- 25 STUDENT: Yeah, they're (inaudible)

- 1 PHIL LEWIS: So, we we kind of so, we don't
- 2 want the other side to know that we're kind of checking in to
- 3 see if maybe okay. So, not this coming July but the next
- 4 July, most of those six go off.
- 5 STUDENT: Uh-huh.
- 6 PHIL LEWIS: So, we know we're going to get
- 7 changed, but we don't want to have to wait until July of ---
- 8 STUDENT: A whole year.
- 9 ROBBIE MOORE: Yeah, July 21.
- 10 PHIL LEWIS: 21 to do it. We'd like to have some
- 11 change now.
- 12 STUDENT: Now, yeah.
- 13 PHIL LEWIS: And we the guy that you know the
- 14 BOG, Harry Smith, which I don't (inaudible)
- 15 STUDENT: Yeah, he got was he the one who
- 16 left? Gotcha.
- 17 PHIL LEWIS: I mean, he takes his own china shop
- 18 with him. He's a bull. He takes his china shop with him.
- 19 But he's a really smart guy and and we can it's one of
- 20 those type things we get along with him. He was chair of the
- 21 BOG. He could've done so much for us.
- 22 STUDENT: Yeah.
- 23 PHIL LEWIS: And he's told us, "I'll go back. If
- 24 you get control, I'll go back." And whether he will or
- 25 whether he won't is two different things, but we're actually

```
are going to a thing for him Thursday night at the - in
   Chapel Hill, but we're, you know, we got a new chancellor
   search, it will probably be over in ---
3
4
             ROBBIE MOORE:
                            In May.
             PHIL LEWIS: --- May, June, something like that.
5
   And we hope that they - it's our - we hope that they pick
7
   somebody with some (inaudible) ties.
8
             STUDENT:
                            Are there any people you know that
   they're looking into or no?
10
             PHIL LEWIS:
                            They're - I mean, now, they're doing
11
   this listing tour.
                            Uh-huh.
12
             STUDENT:
13
             ROBBIE MOORE: So, that's going on. That'll go on
14
   until mid- end of February. And then, in March is when
15
    they're going to start interviewing candidates.
16
             STUDENT:
                            Gotcha.
17
             PHIL LEWIS:
                            And one - we've heard - we've heard
    this. We don't know if this is true. We know it's being
18
   pushed. I don't know if you know Don Edwards, UBE.
19
20
             STUDENT:
                            Oh, yeah. Yes, sir.
21
              PHIL LEWIS:
                            He's pushing this named
          who is the head of the
23
   got a
              named
24
             STUDENT:
                            Is from here?
25
                            And
             PHIL LEWIS:
                                     a ---
```

ROBBIE MOORE: from 1 Huh. 2 STUDENT: 3 ROBBIE MOORE: I mean, been 5 PHIL LEWIS: 8 Ohhh. STUDENT: 9 PHIL LEWIS: 13 STUDENT: Uh-huh. --- but it's a worth a look. He's 14 PHIL LEWIS: from - I think we need to look at, you know, one of the big 15 things and I think I saw something that you liked Cecil. 16 I didn't have any opinion towards 17 STUDENT: Cecil. 18 19 PHIL LEWIS: Uh-huh. Okay. I just - I'm indifferent. I never 20 STUDENT: met him. 21 The biggest problem I have ---22 PHIL LEWIS: ROBBIE MOORE: Did you ever meet Dan? 23 STUDENT: I never met either of them. No, 24 I kind of just never got the opportunity.

```
So, what would happen is if you were
1
              PHIL LEWIS:
   sitting here and Cecile walked right by, he wouldn't speak to
   you, me or Robbie, but if Dan came by, he would come by,
3
    "Y'all want a beer?" That's the - that's the difference.
4
                             Yeah. He - I know they're polar
5
              STUDENT:
               had met both of them.
6
   opposite.
7
              PHIL LEWIS:
                             Uh-huh.
8
              STUDENT:
                             And seemed to like both of them,
        loves everybody, so you can never tell with
10
   opinion.
11
              ROBBIE MOORE:
                            Right.
12
              PHIL LEWIS:
                             Yeah. So, maybe - make sure y'all
13
   exchange ---
14
              ROBBIE MOORE:
                             Okay.
15
                             Contacts?
              STUDENT:
16
              PHIL LEWIS:
                             And maybe we can talk - we can
   easily get Moss to call you before Friday if you wanted her
17
    to or if you wanted to wait until Friday and maybe we could -
18
19
   we'll do whatever you want.
20
                             Yeah, I just - I probably will just
              STUDENT:
21
    talk to my family, talk to everybody, sort of think it over,
22
   and then, I'll let you know.
23
              PHIL LEWIS:
                             Okay.
24
                             Hopefully, by like - what's today,
              STUDENT:
   Monday? I'll have something by Wednesday at least.
25
```

```
When do you got to have a - you
1
              PHIL LEWIS:
   mean, next - the next Wednesday?
3
                             No, this coming Wednesday, yeah.
              STUDENT:
4
             PHIL LEWIS:
                            Okay. Right.
                             It's just basically just to ask my
5
              STUDENT:
   parents. I mean, I'm in for it, it's just as far as getting
   them to support because they were skeptical last year and
   since I didn't win, I feel like they'll be more skeptical
   this year, so.
10
                            Well.
             PHIL LEWIS:
11
             ROBBIE MOORE: Yeah.
12
             PHIL LEWIS:
                             I think you - you know a lot more
13
   than you know now - than you knew.
14
              STUDENT:
                             Yeah.
15
                            I mean, you know a lot more. You
             PHIL LEWIS:
   know the do's and the don'ts.
16
17
                            Uh-huh.
             STUDENT:
18
                            And I think you just got to find a -
             PHIL LEWIS:
19
20
             STUDENT:
                            A strong vice.
21
              PHIL LEWIS:
                            Yeah. So, I mean, I think that's
22
    (inaudible)
23
             ROBBIE MOORE: I could probably get
24
    (inaudible) to help her with that.
25
              PHIL LEWIS:
                            Yeah, tell her about
```

```
1
            ROBBIE MOORE:
                                       John Bell is the
3 House Majority Leader.
5
            STUDENT:
                         That's awesome.
6
            ROBBIE MOORE:
                        So, now running - running
     working in three campaigns, but running - also
10
   running two campaigns ---
11
            STUDENT:
                         That's awesome.
12
            ROBBIE MOORE: (inaudible)
13
           PHIL LEWIS: For the State?
14
           ROBBIE MOORE: Yeah.
15
           STUDENT:
                         Wow.
16
           PHIL LEWIS: Who is running the campaign for?
           ROBBIE MOORE: running campaign, and
17
         running this other that's running for House
18
19
   over there, and then, just ran the mayor's campaign in
              . And then, got a couple of other
20
21
   cities helping out with.
23
            STUDENT:
                         Uh-huh.
24
            PHIL LEWIS:
                         very - the Murphys are very
25 tied to John Bell (inaudible) and Senator Jim Perry who we'd
```

- 1 like for you to meet and whatever because we think they -
- 2 they would like there's no doubt they would like to see
- 3 change.
- 4 STUDENT: Uh-huh.
- 5 PHIL LEWIS: They just they're kind of like
- 6 tired of what's going on. Is that a good quote, I mean?
- 7 ROBBIE MOORE: Yeah, I mean, just so many people
- 8 west of us are tired of seeing East Carolina in the newspaper
- 9 and the media in a bad light.
- 10 STUDENT: Yeah, it's ---
- 11 ROBBIE MOORE: A lot of issues we've brought upon
- 12 ourself about things we've done.
- 13 STUDENT: Yeah, I do I love ECU, but I do
- 14 think I can see I can't remember the last time I saw a
- 15 good headline about ECU.
- 16 PHIL LEWIS: Well, we beat SMU, that's a good
- 17 outcome. You know, do you go to any of the basketball or
- 18 football games?
- 19 STUDENT: I went to a couple of the football
- 20 games. I just we could never stay my friends I would
- 21 get tickets with my friends and they would want to go. There
- 22 are no girls I'm friends with are big football fans, so.
- 23 PHIL LEWIS: Right.
- 24 STUDENT: I would always fight with them and
- 25 then I'm like, I might as well just go home. We're not

- 1 getting into an argument over football.
- 2 PHIL LEWIS: One other thing that you one other
- 3 one thing that Colin had that he got this year was he got
- 4 to go up at the Chan-every go up and stay at the
- 5 Chancellor's suite every game.
- 6 STUDENT: Uh-huh.
- 7 ROBBIE MOORE: He was there every time.
- 8 STUDENT: Well, good for him. I'm surprised
- 9 Colin went to football games. I couldn't see Colin at a
- 10 football game.
- 11 ROBBIE MOORE: Well, he was there with his friends.
- 12 PHIL LEWIS: Yeah, he went with two or three of
- 13 his friends. So, but if it's okay with you, we'd just like
- 14 to keep this quiet.
- 15 STUDENT: Uh-huh.
- 16 PHIL LEWIS: And to see where it goes and whether
- 17 you do it or not, we'd love to see you do it. We would do
- 18 everything we could to work with you, but we've got to you
- 19 know, we've got to kind of be guiet about what we do and what
- 20 we say and whatever. And like I said, we like Max, but ----
- 21 ROBBIE MOORE: Yeah, this will be Max's last year.
- 22 PHIL LEWIS: Yeah.
- 23 ROBBIE MOORE: He's not eligible to be reappointed
- 24 after this year.
- 25 STUDENT: Gotcha.

So, but we would love to - we would 1 PHIL LEWIS: love to see you run, not only because it would great to have 2 a female - when was the last time we had a female SGA 3 president? 4 5 STUDENT: Ten years? 6 ROBBIE MOORE: Has it been that long? I think it was - it's either 9 or 10 7 STUDENT: years from the last time, yeah, it's been - I remember that 8 was one of our big selling points to the sororities and they 10 still didn't (inaudible) 11 ROBBIE MOORE: They didn't? And that it's kind of hard for 12 STUDENT: 13 students to see the effects of student body president. 14 That's the one thing I keep hearing is like people go, "Well, 15 what is Colin doing?" I'm like, (inaudible). I haven't 16 heard anything about Colin since he got elected, so. 17 ROBBIE MOORE: What were the big things that he ran 18 on that you think made him win? Whenever Colin speaks, you think 19 STUDENT: 20 that he's saying a lot of things that make sense until you 21 write them down and realize he's talking about nothing. 22 PHIL LEWIS: Oh, yeah. 23 And so, he would make all these STUDENT: proposals and all this stuff and like about lowering things 24 25 that he had no control over. And so, it sounded like - when

- 1 Colin speaks he just sounds like he knows everything and
- 2 then, you'd be like, "Wait, what is he actually" his platform
- 3 was essentially (inaudible)
- 4 PHIL LEWIS: Well, I will tell you that we Moss
- 5 could help you put together something ---
- 6 STUDENT: Uh-huh.
- 7 PHIL LEWIS: --- that's really slick, that ---
- 8 STUDENT: I just need to work on public
- 9 speaking was really hard because I've never had any kind of
- 10 speech anxiety. Like, I've always been I'm very outspoken,
- 11 but the debate, I've never freaked out ---
- 12 PHIL LEWIS: Well, you were with somebody who -
- 13 who knew what he was talking about.
- 14 STUDENT: Yeah.
- 15 PHIL LEWIS: Even though he I mean, he does.
- 16 He does his homework.
- 17 STUDENT: He doesn't he never seems like
- 18 he's rattled, ever.
- 19 PHIL LEWIS: Right, right.
- 20 STUDENT: Like, I've never seen Colin seem off
- 21 his element and that's where I knew what he was saying, he
- 22 couldn't do, but I was so sacred and ---
- 23 PHIL LEWIS: Well, one thing you can say is that
- 24 we're spending 1.3 million for athletic fees more this year
- 25 than you were last year. I would try to do everything I

- 1 could to keep the last and look, if you would run and win,
- 2 we'll help you. We'll give you seven votes to where they
- 3 won't screw ---
- 4 ROBBIE MOORE: Yeah, they won't be able to raise
- 5 them.
- 6 STUDENT: Uh-huh.
- 7 PHIL LEWIS: They won't they won't (inaudible).
- 8 Look, for a million dollars, we don't give a shit. We don't
- 9 care.
- 10 ROBBIE LEWIS: It's a billion-dollar budget.
- 11 STUDENT: I was about to say, a million is not
- 12 that much (inaudible)
- 13 PHIL LEWIS: Yeah, (inaudible)
- ROBBIE MOORE: The entire university is (inaudible)
- 15 PHIL LEWIS: We don't want to put it on the backs
- 16 of the students.
- 17 STUDENT: Yeah. That's the big thing, it's --
- 18 -
- 19 ROBBIE MOORE: And if we raise them again this
- 20 time, we would be the highest in the system, athletic dues of
- 21 all the schools.
- 22 PHIL LEWIS: So, if nothing else, all you've got
- 23 to do is five different things like that and say ---
- 24 STUDENT: And then, put them ---
- 25 PHIL LEWIS: --- why why didn't Colin do a

better job of talking to the - of why we can't raise our 2. fees? 3 Uh-huh. STUDENT: 4 And you know what, all that matters, PHIL LEWIS: you can say maybe by that time you've talk to five or six 5 board of trustee people and say, "I want to go and talk to 6 7 people about not raising fees." That's the ---8 ROBBIE MOORE: See the vote was 12 to 1. 9 PHIL LEWIS: Yeah. 10 Colin was the only one that voted ROBBIE MOORE: 11 against these. 12 But we - hey, but we've got our six PHIL LEWIS: 13 pretty strong. 14 STUDENT: Uh-huh. 15 PHIL LEWIS: So, we - we just weren't going to 16 fight over it. 17 STUDENT: Yeah, it's not worth it. 18 I mean, we could've won 7 to 6. PHIL LEWIS: 19 ROBBIE MOORE: Yeah. 20 PHIL LEWIS: But I'd be giving Colin a victory, 21 what in the hell do I want to do that for? 22 ROBBIE MOORE: He didn't give me one. 23 Yeah, I know (inaudible) STUDENT: 24 PHIL LEWIS: When he walked in that day - when I watched him walk in that day, he was as white as I mean ---

- 1 ROBBIE MOORE: I was upstairs in the Student Union
- 2 and he walked in just minutes before the meetings was to
- 3 start. He walked in with (inaudible) and they walked in and
- 4 went up the elevator to our meeting and he didn't talk to
- 5 anyone. He wasn't he didn't have any intention of talking
- 6 to anyone.
- 7 STUDENT: Yeah. I mean, I do feel bad for him
- 8 in that aspect because he's a kid.
- 9 ROBBIE MOORE: Oh, yeah.
- 10 STUDENT: And he's not always going to make
- 11 the right decision and ---
- 12 PHIL LEWIS: No, look. No, I it's hard to
- 13 believe that he is a kid.
- 14 ROBBIE MOORE: The thing about is though that on
- 15 that Mond- so, we met on Thursday. On Monday, he wasn't
- 16 going to vote for her. On Tuesday, he said, "I'm solid. I'm
- 17 going to vote for you." So, he let her go Tuesday,
- 18 Wednesday, up to Thursday morning thinking, hey, I'm with
- 19 you. She had met with him on multiple occasions. And then,
- 20 he changed again.
- 21 STUDENT: Yeah, that's just I sympathize,
- 22 but that would terrify me knowing that I had to go against
- 23 someone like that, but to be honest just to be honest.
- 24 ROBBIE MOORE: Yeah. I mean, he could've sent her
- 25 a text, email, anything, that he was going to tell her no.

	<u> </u>
1	STUDENT: Yeah.
2	ROBBIE MOORE: That was
3	STUDENT: That comes with age, just the
4	maturity of
5	PHIL LEWIS: Well, we had another one, we had a
6	female (inaudible) that called up the guy that was running
7	and says, "I can't vote. I can't vote for you (Inaudible)"
8	so I'm going to vote for the female." But she changed her
9	mind and never called the female and said, I can't vote for
10	you. I'm going to vote for (inaudible)." So, it was all
11	kind of a
12	ROBBIE MOORE: And she's a - well, into her adult
13	years. She's in her 50s.
14	PHIL LEWIS: Yeah, you almost at some point they
15	were just
16	ROBBIE MOORE: Playing games.
17	PHIL LEWIS: Yeah, playing games.
18	STUDENT: I know what you mean.
19	PHIL LEWIS: But no, we would love to hear from
20	you and hear what you think and I think that no matter what
21	we do, like if you did decide to run, we would like to keep
22	it low key because we think we could help you without letting
23	onto that you would be a candidate that we support because I
24	think we could have - I mean, we know a lot of people that
25	are at Eastern Carolina. I got a guy that works (inaudible)
1	

1	he's got his MBA. He's got a lot of kids all day. You could
2	- there's a lot of people that could go and help you with
3	your platform and
4	STUDENT: Campaign and all that, yes.
5	PHIL LEWIS: doing the campaign or whatever.
6	STUDENT: I will defiantly have an answer for
7	you by the end of the week, for sure, but I'll
8	PHIL LEWIS: And I can understand your fear
