Exceptional Service as an Employee of the District Attorney's Office

This certificate is hereby presented to Jesse Coy who has provided outstanding service to the Citizens of York County, thereby bringing credit upon the Law Enforcement Community.

Jesse received his Bachelors of Arts degree in American Studies from The College of William & Mary in 2005 and his Masters of Criminal Justice Degree from Boston University in 2008. Shortly thereafter, Jesse returned to Pennsylvania where he began his career with the Office of the District Attorney.

Over the past decade, Jesse has worked as a Case Manager, Office Manager with the Public Defenders Office, and as a Deputy Administrator in this office, serving as Office Manager, Criminal Intelligence Analyst and now heads up the administrative operations at the Law Enforcement Center. No matter the task, or position, Jesse has consistently exceeded expectations. There is no better example than when Jesse was asked to take on the role of Criminal Intelligence Analyst. On top of his already demanding workload, Jesse attended trainings and took online courses in order to obtain the necessary certifications for this position. Since obtaining these certifications, Jesse has been qualified as an expert witness before the Court of Common Pleas, assisting in the Commonwealth's successful prosecution of numerous drug and gun offenders.

Upon taking office, I had a vision of creating a Law Enforcement Center which would serve the growing needs of this office and our law enforcement partners. With a lease set to expire on our current Drug Task Force location, I asked Jesse to run point on this vital project. For the next two years, Jesse worked tirelessly to not only locate a facility large enough to meet our expanding needs, but to design the workspace in a manner that best supported these growing functions. Jesse's tireless dedication and work have now provided the County of York with essentially a one-stop-shop for law enforcement. The Law Enforcement Center is now home to the York County Drug Task Force, The

York County Forensic Team, The York County Cyber and Intelligence Teams, The United States Marshals Fugitive Task Force, The York County Quick Response Team, members of the Office of Attorney General, the Pennsylvania State Police, the Bureau of Alcohol, Tobacco, Firearms and Explosives, the Federal Bureau of Investigation and trainings for local law enforcement.

The Office of the District Attorney is fortunate to have someone with your skillset, tenacity and dedication to its mission.

As District Attorney of York County, it gives me great pride to award you this commendation for your excellent service.
