Exceptional Service as an Employee of the District Attorney's Office

This certificate is hereby presented to Monica Robinson, who has provided outstanding service to the Citizens of York County, thereby bringing credit upon the office and the Law Enforcement Community.

Throughout the year, you have demonstrated dedication, diligence and exceptional work ethic in managing the Felony Drug caseload. Your willingness to go above and beyond your duties to research relevant legal authority, collect data and identify criminogenic trends with regard to drug use and trafficking in the County of York is commendable. Reporting through these activities may be utilized to inform investigative and prosecution strategies and your expanding institutional knowledge of controlled substance offenses has made you a trusted resource for this staff.

In addition to your efforts within the office, your drive to be involved with community-based agencies that endeavor to combat the opioid epidemic and your willingness to provide assistance in any way that is needed has not gone unnoticed.

As District Attorney of York County, I am honored to recognize you for your efforts in assisting the fight against illegal drug use and trafficking in the County of York. Congratulations for a job well done!
