Exceptional Service as an Assistant District Attorney

This certificate is hereby presented to Jennifer Tobias in recognition of your hard work, dedication and sacrifice whereby bringing credit upon the office and the Law Enforcement Community.

Jennifer Tobias is a 1997 graduate of the Widener School of Law in Harrisburg. She earned her law degree at night while working at the Pennsylvania Senate and House of Representatives. Attorney Tobias served as legal counsel for the Senate State Government Committee until 2000 when she first became a prosecutor in the Dauphin County District Attorney's Office.

After five years as a prosecutor, Attorney Tobias left the Dauphin County District Attorney's Office to raise her son. In 2006, Attorney Tobias began working part time for the Dauphin County Clerks of Courts, representing indigent defendants in the post-conviction relief petitions and appeals. She also began serving as conflict counsel in Dauphin County in 2017. In March 2019, Attorney Tobias decided she wanted to go back to the prosecution side of criminal law and joined the York County District Attorney's Office. When Attorney Tobias joined our office as a deputy prosecutor in March 2019, her ability and experience were obvious and shortly thereafter, in May 2019, she was promoted to the position of senior deputy prosecutor.

Attorney Tobias continues to serve as a senior deputy prosecutor supervising the trial team assigned to Judge Trebilcock's courtroom. Not only does she handle her cases and supervise her trial team efficiently and effectively, but she is always willing to assist others in the office. She is the definition of a team player and we trust that she can handle whatever issue or challenge that is put in front of her.

Attorney Tobias has successfully litigated a number of complex and serious cases just in the short time she has been with the office. In the past year, she had successful trials of: (1) an aggravated assault committed with an illegal firearm; (2) a case of possession of cocaine with intent to deliver; and (3) a case involving the illegal possession of a firearm. Attorney Tobias has shown her ability to handle a wide variety of cases, while displaying the same level of compassion and fairness in every case.

It is a true honor to recognize Attorney Tobias and the excellent work she has done on behalf of the District Attorney's Office this year.
