Exceptional Service as an Employee of the District Attorney's Office

This certificate is hereby presented to Olivia Rudisill who has provided outstanding service to the Citizens of York County, thereby bringing credit upon the office and the Law Enforcement Community.

Over the past 13 months, you have coordinated well over 600 extraditions for offenders wanted in York County but incarcerated in out-of-state jurisdictions, as well as inmates incarcerated in York County who must be returned to the state in which they are wanted.

In your capacity as our Extradition Coordinator, you have worked tirelessly to create relationships with hundreds of law enforcement agencies, prisons and District Attorney's Offices across the nation and abroad, which often makes for a smoother extradition process. Furthermore, you have displayed the personality and skill set to navigate the legal complexities that working with multiple state agencies can create.

Your professionalism is on display each week in the courtroom as well. Olivia is one of the few non-attorney personnel that go before the court on a consistent basis. The manner in which you conduct yourself with those inside and outside of our criminal justice system reinforces the reputation of this office.

In addition to becoming an expert in the extradition process, you have recently welcomed the tasks of forfeiture process and assisting in the out of state material witness warrant process.

As District Attorney of York County, it gives me great personal and professional satisfaction to award you this commendation for your excellent service.
