DATE: March 24, 2020
TO: Mayor and Members of the City Council
FROM: Terrance Davis, Public Works Director
SUBJECT: **PREPARATION OF ENGINEER'S REPORT FOR THE HIDDENBROOKE MAINTENANCE DISTRICT**

RECOMMENDATION

Adopt a Resolution authorizing the City Manger to appoint the SCI Consulting Group as the Engineer of Record to prepare the Engineer's Report for the Hiddenbrooke Maintenance District (HMD) created under the Landscape and Lighting Act of 1972.

REASONS FOR RECOMMENDATION

The City must authorize the Engineer of Record to proceed with the annual process of reviewing the current assessments and evaluating the proposed work in the Hiddenbrooke Maintenance District (HMD) to determine the appropriate assessments for the coming fiscal year.

BACKGROUND AND DISCUSSION

The California Landscape and Lighting Act of 1972 (California Streets and Highway Code 22500-22509) allows governmental agencies to form assessment districts for the purpose of financing the costs and expenses of landscape and lighting public areas. The City of Vallejo has 13 such districts formed throughout the City to provide funding for appropriate services.

The City Council will be considering 11 of the 1972 Acts districts and the Northeast Quadrant Landscape Maintenance District under separate Council actions. California Streets and Highway Code sections 22620-22631 requires that the City complete certain proceedings each fiscal year in order to levy and collect assessments.

The proceedings for 2020 will be as follows:

- March 24, 2020 Adopt a resolution describing any proposed new improvements or any substantial changes in existing improvements and authorizing the engineer to prepare and file a report.
- May 26, 2020 Approve the Engineer's Report and adopt a resolution of intention declaring the City's intent to levy and collect the assessments for the coming fiscal year.
- June 9, 2020 Conduct a public hearing affording all interested parties the opportunity to hear and be heard.
- June 9, 2020 Adopt a resolution confirming the Engineer's Report and the levy of assessments for the upcoming fiscal year.

FISCAL IMPACT

The estimated levying administration expenses including preparation of the Engineer's Report in the amount of $4,200 is funded by the HMD and there is no additional fiscal impact to the General Fund associated with the approval of this agenda item. The fiscal health of the district is to be studied and presented in the Engineer's Report.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

SUBJECT: **PREPARATION OF ENGINEER'S REPORT FOR THE 11 LANDSCAPE MAINTENANCE DISTRICT**

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to appoint SCI Consulting Group as the Engineer of Record to prepare the Engineer's Reports for the Landscape Maintenance Districts created under the Landscape and Lighting Act of 1972.

REASONS FOR RECOMMENDATION

The City must authorize the Engineer of Record to proceed with the annual process of reviewing the current assessments and evaluating the proposed work in each Landscape Maintenance District (LMD) to determine the appropriate assessments for the coming fiscal year.

BACKGROUND AND DISCUSSION

The California Landscape and Lighting Act of 1972 (California Streets and Highway Code 22500-22509) allows local governmental agencies to form assessment districts for the purpose of financing the costs and expenses of landscape and lighting public areas. The City of Vallejo has 13 such districts formed throughout the City to provide funding for the appropriate services.

The City Council will be considering the Northeast Quadrant Landscape Maintenance District and the Hiddenbrooke Maintenance District under separate Council actions. The 11 districts are Bordoni Ranch; Carriage Oaks; Garthe Ranch; Glen Cove III; Glen Cove III 2015; Hunter Ranch III; Marine World/Fairgrounds; Marin View; Sandpiper Point; South Vallejo Business Park; Town and Country II-V. California Streets and Highways Code sections 22620-22631 requires that the City complete certain proceedings each fiscal year in order to levy and collect assessments.

The proceedings for 2020 will take place as follows:

- March 24, 2020 Adopt a resolution describing any proposed new improvements or any substantial changes in existing improvements and authorizing the engineer to prepare and file a report.
- May 26, 2020 Approve the Engineer's Report and adopt a resolution of intention declaring the City's intent to levy and collect the assessments for the coming fiscal year.
- June 9, 2020 Conduct a public hearing affording all interested parties the opportunity to hear and be heard.
- June 9, 2020 Adopt a resolution confirming the Engineer's Report and the levy of assessments for the

upcoming fiscal year.

FISCAL IMPACT

The estimated levying administration expenses including costs of preparation of the Engineer's Reports in the amount of $9,500 is funded by the individual LMDs. There is no fiscal impact on the General Fund associated with the approval of this agenda item. The fiscal health of each district is to be studied and presented in the Engineer's Report.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

RESOLUTION NO. 20-_____ N.C.

A RESOLUTION AUTHORIZING PREPARATION OF THE ENGINEER'S REPORT FOR FISCAL YEAR 2020-21 FOR THE 11 LANDSCAPE MAINTENANCE DISTRICTS: BORDONI RANCH, CARRIAGE OAKS, GARTHE RANCH, GLEN COVE III, GLEN COVE III 2015, HUNTER RANCH III, MARINE WORLD/FAIRGROUNDS, MARIN VIEW, SANDPIPER POINT, SOUTH VALLEJO BUSINESS PARK, AND THE TOWN AND COUNTRY II-V

WHEREAS, the City of Vallejo provides for the maintenance and improvement of parks, setback landscaping, drainage systems and street lighting services through the City's Landscape Maintenance Districts; and

WHEREAS, the City Council, by previous Resolutions, formed and levied annual assessments for 11 Landscape Maintenance Districts (hereafter referred to as the "Districts"), pursuant to the provisions of California Constitution Article XIIID, and the Landscaping and Lighting Act of 1972 (the "Act") at California Streets and Highways Code Sections 22500 *et seq*.; and

WHEREAS, the 11 Districts are Bordoni Ranch; Carriage Oaks; Garthe Ranch; Glen Cove III; Glen Cove III 2015; Hunter Ranch III; Marine World/Fairgrounds; Marin View; Sandpiper Point; South Vallejo Business Park; and Town and Country II-V; and

WHEREAS, the City Council proposes to continue the specified Districts for the fiscal year commencing July 1, 2020, and ending June 30, 2021; and

WHEREAS, the Act at Sections 22620–2263 provides for the levy of annual assessments after formation of the Districts.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF VALLEJO AS FOLLOWS:

Within the Districts the existing and proposed improvements, and any substantial changes proposed to be made to the existing improvements, are generally described as follows:

Installation, maintenance and servicing of public facilities, and incidental expenses, including but not limited to, street lights, public lighting facilities, landscaping, sprinkler systems, statuary, fountains, other ornamental structures and facilities, landscape corridors, ground cover, shrubs and trees, street frontages, drainage systems, fencing, entry monuments, graffiti removal and repainting, and labor, materials, supplies, utilities and equipment, as applicable, for property owned or maintained by the City of Vallejo.

Approved as to form:
By: Shannan Edmeyer for
Claudia Quintana
City Attorney

BE IT FURTHER RESOLVED that SCI Consulting Group is hereby designated as Engineer of Record for purposes of these proceedings and is hereby ordered to prepare an Engineer's Report in accordance with Sections 22565 through 22574 of the Act, and California Constitution Article XIIID. Upon completion, the Engineer shall file the Engineer's Report with the City Clerk for submission to the City Council.

DATE: March 24, 2020
TO: Mayor and Members of the City Council
FROM: Terrance Davis, Public Works Director
SUBJECT: **ACCEPTANCE OF THE FLORIDA / CAROLINA STREETS PAVEMENT REHABILITATION PROJECT**

RECOMMENDATION

Accept the Florida / Carolina Streets Pavement Rehabilitation Project, performed by Team Ghilotti, Inc., of Petaluma, California, as complete and authorize and direct the City Clerk to file a Notice of Completion with the Solano County Recorder's Office.

REASONS FOR RECOMMENDATION

The City Engineer has determined that the work has been completed in accordance with the plans and specifications.

BACKGROUND AND DISCUSSION

On March 10, 2015, City Council adopted Resolution No. 15-032 N.C., establishing the PW9751: Florida Street Improvement Project with an initial budget of $340,000. This project covers a residential segment of Florida Street from Trinity Street to Santa Clara Street. City staff transferred in an additional $376,744 of Capital Outlay funding from completed projects to cover the full budget amount of $716,744 needed to complete the Florida Street Improvement Project.

On, June 13, 2017, City Council adopted Resolution No. 17-067 N.C., establishing the PW9746: Carolina Street Improvement Project with an initial budget of $648,500 of Measure B funding. This project covers a residential segment of California Street from Santa Clara Street to Sonoma Boulevard.

In March 2019, City staff added several streets that were identified for funds through the participatory budgeting process. Four streets were added to the project, Lorenzo Drive between Elliot Drive and Diana Drive, Diana Drive between Lorenzo Drive and Mini Drive, Rome Drive between Elliot Drive and Diana Drive, and an additive alternate for Dillon Drive between Elliot Drive and Diana Drive. The bid was awarded on the base bid without the additive alternate. Due to budget limitations the work for Dillon Drive will not be awarded.

The Plans and Specifications for this Pavement Rehabilitation phase of work were prepared and completed under the direction of the City Engineer. The advertising period started on May 28, 2019, and on June 18, 2019, sealed bids were opened and publicly read by the City Clerk. Team Ghilotti, Inc., of Petaluma, California was the lowest apparent responsive and responsible bidder and was awarded the contract in the amount of $807,761.41.

Construction began on Thursday, November 21, 2019 and the project was substantially completed by

February 4, 2020. The time of completion of the project work was 40 working days, however, the project experienced delays due to inclement weather. The contractor finished the contract within the 40 working days. The contract change orders totaled $37,206.69.

The final contract amount is $770,554.72. The proposed final estimate was reviewed and accepted by Team Ghilotti Inc.

FISCAL IMPACT

Acceptance of these improvements have no fiscal impact to the General Fund. The budget and expenditures for PW9751: Florida / Carolina Streets Rehabilitation Project is as follows:

FUNDING SOURCE	PROJECT BUDGET	EXPENDITURES
PW9751: Fund 201 (Capital Outlay) Measure B	$1,363,017	
PW9751: Fund 204 (Bridge Fund)	$ 23,703	
PBC5: Fund 201 (Capital Outlay)	$ 300,000	
Design Costs (Concrete & Pavement)		($ 249,507.46)
Construction - Concrete		($ 478,465.47)
Construction - Pavement		($ 770,554.72)
Construction Management & Inspection (Concrete & Pavement)		($ 116,272.38)
Material Testing (Concrete & Pavement)		($ 11,835.80)
Miscellaneous Costs (newspaper & reproduction)		($ 5,603.27)
TOTAL	$1,686,720	($1,632,239.10)

The remaining funds, $54,480.90 are proposed to be moved to PW9413: Downtown ADA Parking Lots Project, which is in need of extra funding.

ENVIRONMENTAL REVIEW

The project is exempt from the California Environmental Quality Act ("CEQA") pursuant to Public Resources Code sections 21083 and 21084 and 14 C.C.R. Sec. 15301 because it consists of the rehabilitation of existing street pavement within the City. There will be no increase in the number of lanes and no scenic resource will be altered or removed. A CEQA Notice of Exemption was filed with the Solano County Clerk on November 28, 2018.

FROM: Terrance Davis, Public Works Director
SUBJECT: **2019/2020 CAL FIRE URBAN AND COMMUNITY FORESTRY GRANT PROGRAM - CALIFORNIA CLIMATE INVESTMENT GRANTS**

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to submit an application for funding from the Urban and Community Forestry Grant Program of the California Department of Forestry and Fire Protection as provided through the Greenhouse Gas Reduction Fund, and to conduct negotiations, execute, and submit all documents for the grant.

REASONS FOR RECOMMENDATION

In order to obtain grant funding from CAL FIRE an approved Resolution is needed for the application process.

BACKGROUND AND DISCUSSION

The California Department of Forestry and Fire Protection (CAL FIRE) Urban and Community Forestry Program (Program) focuses on the use of trees and associated vegetation to provide multiple benefit solutions to communities. The projects funded through the Program result in a net greenhouse gas (GHG) benefit and play a significant role in meeting the State's GHG emission reduction targets. Eligible projects include:

- Urban Forest Expansion and Improvement
- Urban Forest Management Activities
- Urban Wood and Biomass Utilization

The Public Works Department has coordinated the preparation of a concept proposal (Attachment 1) for the following scope of work:

- Develop a comprehensive Urban Forest Management Plan that includes: A Citywide tree inventory, update of tree ordinance, and community engagement
- Requirement to plant 1,100 trees

The concept proposal was submitted in November 2019 and the City received a letter on February 6, 2020 (Attachment 2) inviting the City to submit a full application by April 16, 2020.

The grant application requires the adoption of a Resolution to certify the approval of the application prior to the submission to CAL FIRE. The attached Resolution addresses the following:

- Approves the filing of an application
- Certifies that the City will have sufficient funds to operate and maintain the project
- Certifies that funds are available to begin the project
- Certifies that grant funds will be expended by March 30, 2024
- Appoints the City Manager as the agent of the City to conduct all negotiations and execute documents on behalf of the City.

FISCAL IMPACT

The total project cost is estimated at $650,000. The grant funds up to 75% of the project, requiring a 25% match. The City proposes to provide an in-kind match of staff time. There is the possibility of getting the match reduced due to the location of the project being in and benefiting Disadvantaged and Low-Income communities.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

2019/2020 CAL FIRE CCI URBAN AND COMMUNITY FORESTRY GRANTS - CONCEPT PROPOSAL FORM

Fill out all applicable parts of this form completely. There are 3 separate grant types in the CAL FIRE CCI Urban and Community Forestry Grants (see grant guidelines). You will need to complete a separate form for each project you are applying for, regardless of grant type. Each applying organization is limited to 3 total Urban and Community Forestry applications. Be sure you fill out the relevant section for the grant type you are applying for. You will need to complete the Concept Proposal in one session. For this reason it is suggested that you print a copy of the form and use it to create a word processing document so that you can cut and paste your answers into each applicable field in the form. Press SUBMIT when you have completed the form. If it does not work, look for the red highlighted boxes - they must be completed. Once successfully submitted, you will receive a confirmation email.

Please Read This Carefully

All applicants must answer questions with red stars. Other questions are optional, or do not apply to all types.

Estimated Carbon stored (A) *

By your project, in metric tonnes of CO2e.

598+862 = **1,460**

Estimated avoided emissions (B) *

By your project in metric tonnes of CO2e.

287,361

Estimated emissions from project (C)

*The amount of emissions your project will generate in metric tonnes of CO2e.

30+14,111 = **14,471**

Net GHG benefit (A+B) - C = *

The net GHG reduction benefit of your project in metric tonnes of CO2e. This will be the estimated carbon stored plus the estimated avoided emissions, then subtract the estimated project emissions.

(1460+287361)-14471 = **274,350**

GHG Quantification assumptions *

Describe the assumptions you made about tree species and planting locations when quantifying the GHG benefit of the project. Explain why you made those assumptions. 750 character limit.

ARB quantification methodology was used for GHG calculations.

Trees have 40-yr lifespan, with 10% mortality rate. Planted 20 to 39 ft from buildings. North side used in calculations because trees offer the least heating/cooling benefits to calculated energy benefits.

7 species will be used in ROWs, are trees that are appropriate for the setting and will maximize GHG benefits while minimizing water and maintenance needs. These trees have proven to perform successfully in Vallejo. In order to avoid overhead utilities and other infrastructure, some street tree planting locations will be created by saw-cutting planting pits into existing sidewalk.

5 Species planted in park/open space setting.

GHG Tracking *

Explain how you intend to track and report GHG benefits throughout the project. 750 character limit.

All tree plantings will be included in the City of Vallejo tree inventory and incorporated into the TreePlotter program, which is used as the database for tracking and management purposes. TreePlotte will utilize i-Tree and ARB's calculator to calculate the carbon sequestration and energy savings for all trees planted during this project.

Quarterly tree planting tallies will be reported to Cal Fire, along with a running total of calculated benefits and co-benefits from all grant-related tree plantings. A final report will be provided to Cal Fire. When the complete street, median, and urban park tree inventory is completed, tree benefits and co-benefits will be calculated with i-Tree and ARB's calculator and reported.

Section 7B: Co-Benefits

Project Co-Benefits

Mark all boxes that apply. All marked boxes must be described below, and should be quantified to the degree possible. Marking "other co-benefits" will require additional explanation below.

- [x] Stormwater reduction
- [x] Improved water quality
- [x] Improved air quality
- [x] Energy savings
- [x] Biomass diverted from landfills
- [x] Improved public health
- [x] Enhanced active transportation
- [x] Reduced vehicle miles traveled
- [x] Vacant lot re-purposed
- [x] Improved urban forest management
- [x] Jobs created
- [x] Job training offered
- [x] Heat island reduction
- [x] Education events held/media produced

☒ Other co-benefits

Co-Benefit Descriptions *
Describe all co-benefits and quantify them whenever possible. Describe how the project will achieve the co-benefits. Be sure to detail any "other co-benefits" if the box was checked. 1,000 character limit.

Tree result in stormwater reduction and improved air quality. Near buildings, it results in energy savings by providing shade and reducing cooling needs. Research shows that trees improve mental health and make areas safer, which produces active residents.

An Urban Forest Management Plan will identify current number of trees and resources necessary for maintaining them. The plan will improve management by assessing current state of trees and strategizing recommendations to improve and identify approaches to sustainably fund maintenance.

Hiring an intern to assist provides for job training. Our partner, SCA, provides training to students interested in conservations of natural resources.

Community engagement will be conducted during the plan development and tree planting activities. Trees will have signs that inform the public on value of trees, and credit funding sources and partners, as a way to encourage the public to learn about and appreciate the many benefits trees provide.

Section 11: Project Narrative

Background and Rationale *

What problem, situation or condition will be addressed by this project? Was this identified by the community that will be served? Describe the community and how the project will benefit it.
1,500 character limit.

Vallejo is a diverse community of 120,000 citizens located in the northern bay area. Vallejo was home to the Mare Island Naval Shipyard, which was established in 1854 and operated until the base closed in 1996. During operating years of the Shipyard, Vallejo and surrounding cities experienced steady growth and stable economies. With the Shipyard closer and the recession, the City filed for chapter 9 bankruptcy in 2008. Prior to 2008, the City Public Works crews maintained, trimmed, removed and replaced street trees city wide. An ordinance governing street and right-of-way trees requiring an approved permit application to trim or remove trees with mandatory replacement. Since 2008 tree maintenance care has been the responsibility of the property owner. As a result, trees have been trimmed without using best management practices such as topping and have been removed without replacement. Our low income and disadvantaged communities have been affected the most by the elimination of street tree maintenance performed by city staff. If the grant is awarded, we will complete a citywide tree inventory to establish baseline date on existing trees, begin a tree planting/replanting program focused in our most disadvantaged neighborhoods and create a comprehensive Urban Forest Management Plan. Without a long term comprehensive plan, the City will be unable to strategically address our urban forest and remain reactive to issues that arise.

Project Objectives *

What are the objectives of the project proposed? Explain how the objectives meet the requirements and desirable attributes referred to in the grant guidelines for projects of this grant type. 1,500 character limit.

1) Conduct a complete inventory of all trees on streets, medians, and public right-of-ways within the first year. Baseline data is needed to determine the best course of action for an update to the tree ordinance. In addition, prioritization and maximizing the most effective ways to utilized the City's current resources.

2) Update the City of Vallejo Tree Ordinance by year 2. The ambiguity in the City's current Tree Ordinance makes it difficult to enforce and places all the liability of trees in the ROWs on the City. An updated Ordinance is needed to best strategize on moving forward with the Urban Forest Management Plan.

3) Complete a comprehensive Urban Forest Management Plan by the end of 2023. The Plan will detail priority in tree maintenance, cycles, and funding. It is needed for long term management of the urban forest and will be the guideline for the future tree care.

4) Facilitate tree planting in Vallejo's Disadvantage Communities and Low Income Communities throughout the grant period. Trees will be planted throughout the city to educate and inform the public about the benefits of trees and will connect to the larger Plan of the City.

Project Scope of Work *

How will the project achieve the objectives stated above? What kinds of preparations will need to be made? How will work be carried out? Who will be involved in the work? What kind of follow up will be needed? What is the nature of participation by the community? By partnering organizations? 1,500 character limit.

The City of Vallejo will hire qualified professionals to complete the tree inventory and develop an Urban Forest Management Plan. The work will be bid out following the City's procurement policies. The project will be managed by the Landscape Maintenance Manager (LMM), who is a certified arborist, with direction from the City's leadership team. The LMM will also be the liason between the City and CalFire with any updates and reporting.

Data derived from the tree inventory will inform and provide guidance on how to best update the City's current Tree Ordinance and development of the City's Urban Forest Management Plan.

Tree planting will be accomplished with our current partner, Student Conversation Association, with whom have previously partnered to successfully plant 350 trees. Trees being planted in the open spaces and parks will be accomplished with City Staff and through our partner agency, the Greater Vallejo Recreation District.

Workshops and community feedback will be gathered to develop the Urban Forest Management Plan. An intern will be hired to assist with the social media and community engagement for the project.

Past Project Work *
Describe any prior work of this type done by the applying organization. What were the results? What has been learned? 750 character limit.

The City and SCA established a partnership from a prior tree planting grant through CalFire. 350 trees have been planted to date for the project. SCA and the City has a prior CalFire grant that had planted 350 trees to date.

The City of Vallejo has retained a consulting urban forester from HortScience to advise on how to best proceed in updating the City's Tree Ordinance. One of the recommendations is to complete a tree inventory and gather baseline data on the current status of trees throughout Vallejo.

A Green Stormwater Infrastructure Plan was adopted by City Council on October 8, 2019.

RE: Concept Proposal for the CAL FIRE Urban and Community Forestry California Climate Investments (CCI) Grant Program

We are pleased to inform you that you have been selected to submit a California Climate Initiatives Project Application for your project titled **City of Vallejo Urban Forest Management Plan** in the **Urban Forest Management Activities** category. Your project has been assigned a Project Tracking number: **19-CCI-UF-MGMT-033** with an award amount not to exceed $500,000.00.

The Urban and Community Forestry Program CCI Grant Guidelines contain all the necessary information to submit your grant application. You will need to obtain the Project Application from your Regional Urban Forester listed in Appendix G of the Grant Guidelines.

CAL FIRE will carefully evaluate each application per the posted Urban and Community Forestry Program CCI Grant Guidelines. The following elements will be important in the grant evaluation process:

a. GHG quantification for CCI projects must follow the most current Air Resources Board Urban and Community Forestry Program Quantification Methodology FY 19-20 (PDF). Applicants must provide printouts of both the iTree Planting and ARB calculators with their project application. They also must follow the Air Resources Board Guidance for Jobs Benefit as referenced in the grant guidelines.

b. Competitive projects include clear descriptions of collaboration with partners. Such projects will describe authentic community engagement as a strong project element. Letters of commitment from partners describing how they intend to contribute to the project are a way to demonstrate such collaboration. A letter of support, or a letter that does not clearly demonstrate assistance or participation in some part of the project, is not the same as a letter of commitment.

c. Inclusion in the project of strong tree establishment practices, presence of long term urban forest management planning, a history of good urban forest practices by the

applying entity, and a commitment to long term maintenance of the project are ways to demonstrate assurance that the state's climate adaptation goals will be achieved.

d. All projects must show proof of what portion of their project is located within an AB 1550 community. A percentage of how much of the project will be in 1) disadvantaged communities, 2) low income communities, 3) low income communities adjacent to disadvantaged communities, and 4) benefits to low income households must be included. Please refer to the AB 1550 map to locate your project location to determine if it falls within these categories. CAL FIRE will award at least 70% of the funds to projects in such communities, therefore, this status will greatly affect a project's competitiveness.

e. Budgets must only be submitted in the MS Excel format provided by CAL FIRE, and should be accompanied by an explanation of the expenses as provided on the project application form.

f. A detailed tree species list as required on the project application form is of the highest importance. Failing to provide a detailed species list, with the expected number of each species to be planted, may result in disqualification. These should be the trees you intend to plant, not just trees used for determining GHG benefits in iTree.

Please submit an electronic application as instructed in the Project Application. This must be received by email at CALFIRE.Grants@fire.ca.gov no later than 3:00 PST on Thursday, April 16, 2020. You will also receive an invitation to a Box.com folder for you to submit all supporting documents. Make sure to check your 'Spam' folder as the invitation may end up there. The supporting documents must also be uploaded to your Box.com folder no later than 3:00 PST on Thursday, April 16, 2020. Failure to submit these by the due date may result in your proposal being disqualified. The Project Application funding request must not exceed the amount identified in this invitation. When submitting the required documents, each document in your application package must reference your project tracking number.

CAL FIRE typically invites twice the number of projects it will ultimately be able to fund. Therefore, the process remains very competitive. Invitations to submit an application and Department acknowledgement of a received application does not guarantee that the project will be funded. Successful applicants will be notified no later than May 29, 2020.

Sincerely,

JOHN MELVIN
Staff Chief – Acting State Urban Forester

SUBJECT: **BUDGET AMENDMENT TO REFLECT 2018 SAFER GRANT**

RECOMMENDATION

Adopt a resolution to amend the FY 2019-20 General Fund #001 budget to recognize the SAFER grant revenue in the amount of $572,934 and appropriate funds for the costs of the twelve limited term firefighter positions for the months covering March - June 2020.

REASONS FOR RECOMMENDATION

On February 11, 2020, the City Council accepted the 2018 Staffing for Adequate Fire and Emergency Response Grant through the Federal Emergency Management Agency (FEMA) to increase the City's current inadequate firefighting staff levels. Additional twelve limited term firefighters were added to the Salary Plan for the duration of the grant.

Approval of the Resolution will be the second step in the two-step process to amend the FY 2019-20 General Fund# 001 budget. The notice of intent to amend the budget was presented to City Council at the regular City Council meeting held on February 11, 2020.

BACKGROUND AND DISCUSSION

In Fiscal Year 2018-19, Vallejo Firefighters responded to 13,942 calls for service within Vallejo's 53 square mile (31 square miles of land, 19 square miles of water) service area. The call load is only expected to continue to increase. This service area includes heavy industry areas, waterways, historic Victorian and Craftsman buildings, Discovery Kingdom amusement park, three college/universities, several government buildings, public health buildings, hospitals, amusement park and anticipated community development projects. Additionally, the Department responded to mutual and automatic aid requests from neighboring fire departments with which the Vallejo Fire Department has automatic and mutual aid agreements covering approximately 907 square miles. The Department participates in California statewide mutual response, including wildland fires, as needed throughout the year.

On September 18, 2019, the Vallejo Fire Department was awarded a three-year grant totaling $4,239,712 from the FEMA SAFER Grant program to help fund the salary and benefit costs associated with hiring twelve firefighters, beginning March 11, 2020. The addition of twelve firefighters to the Vallejo Fire Department's staffing will help increase the number of trained front-line firefighters available to the City's citizens, contribute to the department's ability to meet industry-minimum standards, and help provide 24-hour staffing to provide adequate protection from fire and fire-related hazards. The firefighters hired under the SAFER grant are not guaranteed employment at the termination of the grant funding period.

FISCAL IMPACT

The Fire Department has been awarded a grant in the total amount of $4,239,712 to cover approved costs associated with the twelve firefighting positions over a three-year period. As a condition of this award, the Fire Department is required to contribute a local match totaling $2,635,496 of non-Federal funds over the same three-year period. Total amount awarded for the grant, including a local match, is $6,875,208.

Another condition of this grant requires the City of Vallejo to maintain 72 full-time firefighters, the actual operational staffing level that existed at the date the grant was awarded, in addition to the 12 awarded SAFER positions for a total staffing of 84. This total staffing must be maintained throughout the entire period of performance, regardless of when all grant funds are depleted. The firefighters hired under the SAFER grant are not guaranteed employment at the termination of the grant funding period.

Approved grant costs (costs eligible for reimbursement from the SAFER grant) include personnel costs and fringe benefits. Staff anticipates that over the three years, an additional $1,854,199 is needed to fully fund personnel costs and fringe benefits not covered by the approved grant.

Total costs to the City, including the local match ($2,635,496) and additional costs not covered by the grant (1,854,199), is $4,489,695 for the entire grant period for twelve firefighters. These costs exclude expenses such as academy costs, travel, equipment, instructors, supplies, overtime, and indirect charges.

The impact on the Fiscal Year 2019-20 budget will be increased revenue of $572,934 and increased expenditures of $869,899 for the months covering March - June 2020. Of $869,899 increased expenditures, $296,965 will be funded from existing budget of the Fire Department. Funding for future fiscal years will be proposed in the annual budget process.

The SAFER grant covers up to 75% of the usual annual costs of a first-year firefighter the first and second years of the grant and 35% of the usual annual cost of a first-year firefighter the third year of the grant. The total cost covered by Federal shares and the local match is outlined below.

	First Year	Second Year	Third Year	**Total**
Personnel	$1,041,096	$1,041,096	$1,041,096	**$3,123,288**
Benefits	$1,250,640	$1,250,640	$1,250,640	**$3,751,920**
TOTAL	**$2,291,736**	**$2,291,736**	**$2,291,736**	**$6,875,208**
Total City Share	$572,934	$572,934	$1,489,628	**$2,635,496**
Total Federal Share	$1,718,802	$1,718,802	$802,108	**$4,239,712**

The Period of Performance for the SAFER grant (the time in which the City is eligible to request reimbursement) begins March 11, 2020 and ends March 10, 2023. Due to the mid-Fiscal Year timing of the grant, budgeting will be spread across multiple fiscal years. The following chart identifies the Grant Year and corresponding Fiscal Year period:

SUBJECT: **FISCAL YEAR 2020-21 SENATE BILL 1 PAVEMENT PROJECTS**

RECOMMENDATION

Adopt a Resolution to establish a list of proposed projects to be submitted for Senate Bill 1 Road Maintenance and Rehabilitation account funding for Fiscal Year 2020-21.

REASONS FOR RECOMMENDATION

A primary condition of the SB1 Gas Tax for local streets and roads repair is complete transparency and accountability of the fund use by the local community. The City of Vallejo's goal is to add the upcoming fiscal year's planned SB1 funded projects to the five-year CIP list projects utilizing this additional road repair revenue.

This action would declare the City's intention to include the proposed SB1 project list in the Fiscal Year 2020-21 CIP budget.

BACKGROUND AND DISCUSSION

On April 28, 2017, Governor Brown signed Senate Bill 1 (SB1), the Road Repair and Accountability Act of 2017, to increase the per gallon fuel excise tax charged at the point of purchase. On November 6, 2018, the citizens of the State of California voted to keep SB1 funding in place.

SB1 is intended to fund critical road maintenance, rehabilitation, and transportation safety projects on both state highways and local streets and roads. Based on the State Department of Finance's statewide revenue projections as of January 2020, the City of Vallejo expects to receive $2,202,370 in fiscal year (FY) 2020-21 from SB1, in addition to the $3,009,450 projected Highway User Tax Account (HUTA, or gas tax) revenues.

The additional gas excise tax began collection in November 2017, with monthly disbursements beginning in January 2018. Disbursements for FY 20-21 will begin in August 2020.

Purpose

This additional gas tax money may be used in any manner consistent with existing gas tax revenues - specifically basic road maintenance and rehabilitation projects and on critical safety projects. Examples of typical uses include:

- Road Maintenance and Rehabilitation
- Safety Projects

- Railroad Grade Separations
- Complete Streets Components
- Traffic Control Devices

Additionally, wherever possible and when cost-effective, recipients are asked to consider:

- Technologies and material recycling which will lower greenhouse gas emissions
- Electric and autonomous vehicle infrastructure
- Impacts from climate change and resiliency to impacts from fires, floods, and sea level rise
- Complete streets elements which improve bicycle and pedestrian facilities

Requirements

Each agency receiving funding is required to provide a list of projects proposed to be funded with the new gas tax pursuant to an adopted city budget. This is the primary purpose of this report to Council, which will ensure the City's compliance to receive its FY 20-21 funding allocation.

SB1 emphasizes accountability and transparency, and encourages the list of funded projects to include a non-technical description written so the main objectives of the project can be clearly and easily understood by the public. Additional information is required such as why the project is a high-priority and where the project is being undertaken so the public clearly understands. The project descriptions must also include a proposed schedule for completion and an estimated useful life of the improvements.The Capital Improvement Project Sheets and their attachments include this information.

Another critical requirement of SB1 is that each city or county continue to maintain a certain “level of effort” of street projects funded by the General Fund. The State requires that the City match the “Maintenance of Effort” (MOE) as the average of the amount of General Fund spent on these projects in FY's 2009-10, 2010-11, and 2011-12. The City of Vallejo had an average MOE for these years of $905,103 which the City will continue to maintain through SB1 implementation.

Schedule

Each year, the City must prepare and submit the list of projects to be funded with SB1 Gas Tax funds to the California Transportation Commission (Commission). The deadlines for reporting these projects, and then the subsequent completed project reports are listed below:

May 1, 2020	FY 2020-21 Project List due to Commission
August 2020	FY 2020-21 Disbursement Begin
October 2020	Completed FY 2019-20 Project Report due to Commission

Proposed Projects

The projects the City proposes to utilize SB1 Gas Tax funds in FY 2020-21 are as follows:

Project Title: Tennessee Street Improvements
Project Description: Pavement rehabilitation; sidewalk, curb & gutter improvements; installation of ADA-compliant curb ramps
Project Location: between Rollingwood Dr and Curtis Dr
Estimated Project Schedule: 7/2020 – 6/2021
Estimated Project Useful Life: 30 years

Project Title: Springs Road Improvements
Project Description: Pavement rehabilitation; sidewalk, curb & gutter improvements; installation of ADA-compliant curb ramps
Project Location: between Maywood Dr and Parkwood Dr
Estimated Project Schedule: 7/2020 – 6/2021
Estimated Project Useful Life: 30 years

Reporting and Auditing
Again, toward the goal of accountability and transparency, each fiscal year the City must report to the Commission a "Completed Project Expenditure Report" which clearly articulates the public benefit of these funds. This report shall include the project description, project location, amount of funds expended, estimated useful life, efforts to reduce greenhouse gas emissions, improve electric and autonomous vehicle infrastructure, address climate change impacts, implement complete streets elements, and any other statutory requirements for each project completed in the previous fiscal year.

FISCAL IMPACT

There is no fiscal impact on the General Fund associated with the approval of this item. The proposed funding and budget appropriation for the Road Maintenance Capital Projects Fund #226 will be included in the FY 2020-21 budget as follows:

	Revenue	Expenditure
Tennessee Street Improvements		
SB1 Appropriation	$1,000,000	$1,000,000
Springs Road Improvements		
SB1 Appropriation	$1,202,370	$1,202,370
Total SB1 Appropriation	**$2,202,370**	**$2,202,370**

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which

has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

RESOLUTION NO._____

RESOLUTION ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2020-21 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City, will receive an estimated $2,202,370 in RMRA funding in Fiscal Year 2020-21 from SB 1; and

WHEREAS, this is the fourth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate two major streets/roads, improve ADA accessibility infrastructure throughout the City this year and a number of similar projects into the future; and

Approved as to form:

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in an "poor" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "fair" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of the City of Vallejo, State of California, as follows:

1. The foregoing recitals are true and correct.

2. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2020-21 Road Maintenance and Rehabilitation Account revenues:

SUBJECT: **2019 FIRE INSPECTION COMPLIANCE REPORT**

RECOMMENDATION

Adopt a Resolution acknowledging receipt of the 2019 state mandated fire inspections report.

REASONS FOR RECOMMENDATION

On September 27, 2018, Governor Brown approved Senate Bill 1205. SB1205 requires the fire department to report annually to its administering authority, as defined, on the department's compliance with State mandated inspection requirements. SB 1205 requires the administering authority to acknowledge receipt of the report in a resolution or a similar formal document. This report serves as the annual report for 2019 compliance and provides additional details of the Vallejo Fire Department's fire and life safety inspection program.

California Health and Safety Code Sections 13145 and 13146 require every city and county fire department or district providing fire protection services to enforce the fire code as adopted. This report serves as the annual report for 2019 compliance and provides details of the Vallejo Fire Department's fire and life safety inspection program.

BACKGROUND AND DISCUSSION

Existing State law requires California fire departments to enforce the fire code as adopted by the California State Fire Marshal. Additionally, fire departments are required to perform annual inspections of every building used as a public or private school as well as all apartment houses, hotels, motels, lodging houses, and jails for compliance with adopted fire codes.

On December 2, 2016, the deadly "Ghost Ship" fire in Oakland California caused new focus of fire prevention efforts and accountability of local governments. The aftermath of this significant warehouse illegally converted art collective live/work fire prompted SB1205. Ultimately, 36 people lost their lives in the fire.

In response to the Ghost Ship fire, a series of investigative articles and editorials revealed that many of the required fire and life safety inspections were not being performed by local fire departments. In order to provide assurances that fire departments are performing the mandated inspection duties, SB1205 was authored requiring the reporting of certain inspection statistics to the local governing board.

The Vallejo Fire Department has a long-established program of conducting fire and safety inspections at commercial occupancies based on dedicated Fire Prevention Section staffing. However, staffing levels are

currently not at sufficient or adequate levels to support the State mandated inspection workloads. The chart below indicates the annual 2019 inspection progress completed by the Fire Prevention Section for State Mandated Inspections.

Institutional I2.1	Health Care-Dialysis	6	0
Total		**817**	**387**

In summary, the department completed **387** mandated inspections, **47%** of the required amount.

NEXT STEPS

The Fire Prevention Section staff will continue to perform mandated fire life/safety inspections as required by the California Health and Safety Code. In 2019, a vacant Fire Inspector position was filled and the Department continues to move towards implementing a Company-Level Fire Prevention Program that causes additional staffing to complete annual inspections. The additional inspection staffing will bolster our ability to effectively complete fire safety inspections. The next compliance report, for the calendar year 2020, will be provided in early 2021.

FISCAL IMPACT

The costs associated with performing required inspections and reporting is considerable. The California Health and Safety Code specifically outlines guidelines for fire agencies to follow including the ability to charge and collect inspection fees in an amount sufficient to pay the costs of that inspection or related fire and life safety activities. During the most recent City fee study, the Department's fee schedule was established in an attempt to obtain full cost recovery.

These costs have been absorbed in the current Fire Department budget.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable

indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

DATE: March 24, 2020
TO: Mayor and Members of the City Council
FROM: Mike Malone, Water Director
SUBJECT: **ACCEPTANCE OF WATER MAINS CIP FY 2018-19 PROJECT**

RECOMMENDATION

Accept the water mains CIP FY 2018-19 project performed by Team Ghilotti Inc., of Petaluma, California as complete and authorize and direct the City Clerk to file a Notice of Completion with the Solano County Recorder's office.

REASONS FOR RECOMMENDATION

The City Engineer has determined that the above work has been completed in accordance to the plans and specifications.

BACKGROUND AND DISCUSSION

The project replaced 7,963 linear feet of water mains for Vallejo city streets to include Edgemont Ave., Maurer Way, Bay View and Mountain View Avenues. This included 122 new 1-inch services, 7 fire hydrants, and 15 valves. Full street paving of Edgemont and Maurer was coordinated with the Public Works Department and added as a change order.

The construction contract was awarded to Team Ghilotti Inc., in the amount of $1,138,270 on December 18, 2018 through Resolution No.18-114. Construction began on February 25th, 2019 and was substantially completed by December 31, 2019. The project had a 120 calendar day contract.

Additional work was encountered and directed during construction. Unforeseen work included potholing and 209 lineal feet of pipeline extensions for an additional $88,701. Public Works paving was addressed for an additional $329,469. This resulted in contract change orders in the amount of $418,170. This included an extension of 61 calendar days for contract completion. The final contract amount to Team Ghilotti Inc., is 1,529,441. The proposed estimate was forwarded to the contractor and accepted on December 31, 2019.

FISCAL IMPACT

The appropriated project budget and estimated project expenditures are as follows and include no fiscal impact on the General Fund.

The water main replacement work for $1,226,972 (Contract amount of $1,138,270 plus $88,701 in City Council approved change orders) was funded by the Water Main Replacement FY18/19 Project (WT050) of the City Water Capital Fund (#404), with change order monies being transferred to #404 from the City Water Operating Fund (#401).

The Public Works Department used existing appropriations of $302,470 from Participatory Budgeting and Completed CIP projects pursuant to the budget amendment presented to council September 10, 2019.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines 15302 (c) as it consists of the replacement or reconstruction of existing utility systems and/or facilitates involving negligible or no expansion of capacity. A Notice of Categorical Exemption has been filed with the Solano County Clerk.

CONSENT CALENDAR 7.L.

DATE: March 24, 2020
TO: Mayor and Members of the City Council
FROM: Shawny K. Williams, Chief of Police
SUBJECT: **PURCHASE AGREEMENT WITH KEYW CORPORATION FOR RADIO FREQUENCY DETECTOR/CELL SITE SIMULATOR; RESOLUTION AUTHORIZING PURCHASE AND IMPLEMENTATION OF POLICY**

RECOMMENDATION

Authorize the City Manager to execute the agreement between the City and KeyW Corporation to purchase a radio frequency detector/cellular site simulator, including a vehicle and installation in an amount not to exceed $766,018 and adopt a resolution authorizing the Chief of Police to acquire the equipment and implement a usage and privacy policy.

REASONS FOR RECOMMENDATION

The Vallejo Police Department Crime Reduction Team (CRT) is currently tasked with the tracking and apprehension of serious violent offenders, covert surveillance during criminal investigations, human trafficking, and other plain clothes investigative operations aimed at reducing violent crime and protecting life in the community.

The ongoing advancement of cellular telephones and cellular telephone networks have made traditional methods of locating victims of violent crime, missing-at-risk persons, 9-1-1 callers, and suspects increasingly difficult or impossible without accurate real-time information.

The use of specialized technical equipment is necessary to help victims and locate persons. The Vallejo Police Department has determined that a radio frequency detector/cellular site simulator is the only available tool to effectively and efficiently accomplish those goals. A radio frequency detector/cellular site simulator is capable of doing in minutes what could take CRT detectives dozens of hours to accomplish. It operates by detecting, triangulating and measuring cellular phone radio frequencies.

A radio frequency detector/cellular site simulator would enhance CRT's ability tackle current cellular phone technological limitations and provide an effective solution in these situations. It will allow the department the ability to find missing victims and injured persons, apprehend violent and high-risk offenders, which otherwise may not be possible. This will enhance public safety by reducing violent crime within the community.

BACKGROUND AND DISCUSSION

In accordance with California Penal Code 1546.1 and the Vallejo Police Department Lexipol Policy, the radio frequency detector/cellular site simulator is only to be used in conjunction with a valid search warrant duly issued by a judge. The equipment does not retain data and is not capable of intercepting and listening to calls, text messages, dialed numbers or any other such content. This is not a device to search cellular phones but

merely analyzes cellular radio frequencies. The device is a main frame computer which must be mounted inside of a vehicle.

In November of 2019, an outside agency used a cellular site simulator for the Vallejo Police Department on several occasions. During the use of a cellular site simulator, CRT detectives were able to apprehend four homicide suspects, one robbery suspect, and gained valuable intelligence for several ongoing homicide cases. It should be noted that CRT detectives reported they would not have been able to locate these persons without that equipment. CRT detectives reported a 100% success rate with the equipment. CRT detectives have stated that this would greatly enhance their operational capabilities and that it would be regularly used.

Uses of the equipment will be for, but not limited to, natural disaster search and rescue, human trafficking, missing/exploited children, missing at-risk persons, kidnapping, sexual predators, mass casualty events, and violent crimes.

A major benefit of the radio frequency detector/cellular site simulator is that it works independent of cellular towers or satellites and therefore can be used in natural disaster situations where cell towers have been rendered inoperable. This will allow emergency personnel to find persons missing under those conditions.

The cost of the equipment with vehicle and installation, on-site training, three years of warranty, 24/7 technical assistance, unlimited usage, and software updates is $766,018. The estimated life expectancy of the equipment is approximately 7-10 years or longer depending on the advancement of cellular phone technology.

Privacy
The Vallejo Police Department seeks to be transparent regarding its use of the cellular site simulator. It should be noted that California Government Code 53166, which went into effect in January 2016, was specifically designed by the legislature to allow local law enforcement to own and operate cellular site simulators and to provide guidance on its usage. The policy adopted by the Vallejo Police Department regarding the cellular site simulator and related privacy issues has been crafted to be in full compliance with that code.

Maintaining individual privacy is of the utmost importance the Vallejo Police Department. The cellular site simulator only captures IMSI numbers, not telephone numbers. The device will not see any telephone numbers of cellular devices. An IMSI number is a 15 digit number unique to a SIM card within a cellular phone. An IMSI number by itself is virtually anonymous and meaningless to law enforcement. For any personal information to be obtained from an IMSI number a search warrant must be obtained. The search warrant must detail the probable cause for why information on an IMSI is needed. That information is retained by cellular phone providers and is not released absent a warrant. As a matter of practice IMSI numbers captured by the cellular site simulator are cleared out when the system is turned on/off.

Vendor Selection
Due to the unique capabilities of the radio frequency detector/cellular site simulator, the equipment is

developed and owned exclusively by the KeyW Corporation with all rights reserved. The KeyW Corporation maintains sole propriety ownership of this product line and it the only distributor of this product for law enforcement use. Therefore, staff is requesting an exemption to the competitive purchasing requirement based upon Vallejo Municipal Code section 3.20.090(A)(2), which allows for a sole source exemption when there is no adequate substitute.

Over the past several years the Vallejo Police Department CRT has contacted multiple vendors who offer radio frequency detectors/cellular site simulators. During this time a common supplier of the equipment stopped sales to non-Federal/Military purchasers. Due to that change, the only company to make a device that meets specifications set forth by the Vallejo Police Department is KeyW which is based out of Maryland. KeyW currently sells a radio frequency detector/cellular site simulator which meets the guidelines and specifications set forth by the Vallejo Police Department.

Department Policy

Department staff, along with the City Attorney's Office, have prepared and approved Vallejo Police Department Lexipol Policy 610 which details the nature of the equipment, authorized users, privacy issues, approved uses of the system, mandated training for authorized users, and interagency cooperation for the usage of the system. Upon purchase of the equipment, Lexipol Policy 610 will be issued.

FISCAL IMPACT

There will be no fiscall impact in the General fund associated with the approval of this item. Funds totaling $766,018 are available in the FY 2019-20 budget to cover the purchase agreement. The General Fund will provide up to $400,000 in funding for this equipment. The remainder of cost will be funded by Supplemental Law Enforcement grant funds in the amount of $204,018 and Asset Seizure program funds in the amount of $162,000. Staff does not anticipate any on-going costs for this equipment in future years, excluding regular vehicle maintenance conducted by the Public Works Fleet division.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

EQUIPMENT PURCHASE AGREEMENT

This Equipment Purchase Agreement ("Agreement") is made at Vallejo, California, dated for reference this _____ day of _____, 2020, by and between the City of Vallejo, a municipal corporation ("City"), and KeyW Corporation, a Maryland corporation, hereinafter referred to as "Vendor," who agree as follows:

1. Products. Subject to the terms and conditions set forth in this Agreement, Vendor shall provide the City products as specified in Exhibit A, entitled "Equipment."

2. Payment. City shall pay Vendor for materials rendered pursuant to this Agreement at the times and in the manner set forth in Exhibit B, entitled "Price." The payments specified in Exhibit B shall be the only payments to be made to Vendor for materials rendered pursuant to this Agreement.

3. Facilities and Equipment. Vendor shall, at its sole cost and expense, furnish all facilities and equipment which may be required for furnishing products pursuant to this Agreement.

4. Indemnification. Vendor shall indemnify, hold harmless, and defend City, its officers, officials, directors, employees, agents, volunteers and affiliates and each of them from any and all claims, demands, causes of action, damages, costs, expenses, actual attorney's fees, Vendor's fees, expert fees, losses or liability, in law or in equity, of every kind and nature whatsoever arising out of or in connection with Vendor's operations, or any subcontractor's operations, to be performed under this agreement for Vendor's tort negligence including active or passive, or strict negligence, including but not limited to personal injury including, but not limited to bodily injury, emotional injury, sickness or disease, or death to persons and/or damage to property of anyone, including loss of use thereof, caused or alleged to be caused by any act or omission of Vendor, or any subcontractor, or anyone directly or indirectly employed by any of them or anyone for the full period of time allowed by the law, regardless to any limitation by insurance, with the exception of the sole negligence or willful misconduct of the City.

The provisions of this section shall survive the expiration or termination of this Agreement.

5. Insurance Requirements. Vendor agrees to comply with all of the Insurance Requirements set forth in Exhibit C, entitled "Insurance Requirements." Failure to maintain required insurance at all times shall constitute a default and material breach.

6. Accident Reports. Vendor shall immediately report (as soon as feasible, but not more than 24 hours) to the City Risk Manager any accident or other occurrence causing injury to persons or property during the performance of this Agreement. The report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and

Approved as to form:

Claudia Quintana
City Attorney

telephone numbers of the persons involved, (b) the names, addresses, and telephone numbers of any known witnesses, (c) the date, time, and description of the accident or other occurrence.

7. Conflict of Interest. Vendor warrants and represents that to the best of its knowledge, there exists no actual or potential conflict between Vendor's family, business, real property or financial interests and the materials to be provided under this Agreement. Vendor shall comply with the City of Vallejo Conflict of Interest Code and not enter into any contract or agreement during the performance of this Agreement which will create a conflict of interest with its duties to City under this Agreement. In the event of a change in Vendor's family, business, real property, or financial interests occurs during the term of this Agreement that creates an actual or potential conflict of interest, then Vendor shall disclose such conflict in writing to City.

8. Licences, Permits, Etc. Vendor represents and warrants to City that all Vendor materials shall be provided by a person or persons duly licensed by the State of California to provide the type of materials to be performed under this Agreement.

9. Business License. Vendor, and its subcontractors, has obtained or agrees to apply prior to performing any materials under this Agreement to City's Finance Department for a business license, pay the applicable business license tax and maintain said business license during the term of this Agreement. The failure to obtain such license shall be a material breach of this Agreement and grounds for termination by City. No payments shall be made to Vendor until such business license(s) has been obtained.

10. Standard of Performance. Vendor shall provide all materials required pursuant to this Agreement in accordance with generally accepted practices and principles and in a manner consistent with the level of care and skill ordinarily exercised under similar conditions by a member of Vendor's profession currently practicing in California.

Vendor is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work, including without limitation applicable federal, state, and local laws and regulations, and all other contingencies or considerations.

Vendor's responsibilities under this section shall not be delegated. Vendor shall be responsible to City for acts, errors, or omissions of Vendor's subcontractors.

11. Force Majeure. Neither party shall be considered in default of this Agreement to the extent performances are prevented or delayed by causes or circumstances beyond either party's reasonable control, such as war, riots, strikes, lockouts, work slowdown or stoppage, acts of God, such as floods or earthquakes, and electrical blackouts or brownouts.

In the event that the Vendor is unable to meet the completion date or schedule of materials, Vendor shall immediately inform the City Representative of this in writing. If additional time is required to perform the work, the City Representative may adjust the schedule.

12. Time is of the Essence. Time is of the essence in this Agreement. Any reference to days means calendar days, unless otherwise specifically stated.

13. Term. The term of this Agreement shall commence upon issuance of purchase order and shall continue in full force and effect until June 30, 2020.

If the term of this Agreement extends into fiscal years subsequent to that in which it is approved, such continuation of the Agreement is contingent on the appropriation of funds for such purpose by the City Council of the City of Vallejo. If funds to effect such continued payment are not appropriated, Vendor agrees to terminate any materials supplied to City of Vallejo under this Agreement, and relieve City of any further obligation therefore.

14. Termination or Abandonment by City. The City has the right, at any time and in its sole discretion, to immediately terminate this Agreement by giving notice to Vendor. Upon receipt of a notice of termination, Vendor shall provide not materials except as specified in the notice. Before the date of termination, Vendor shall deliver to City all City records and documents, all work product, whether completed or not, as of the date of termination and not otherwise previously delivered.

The City shall pay Vendor for materials performed in accordance with this Agreement before the date of termination. If this contract provides for payment of a lump sum for all materials or by task and termination occurs before completion of the work or any defined task which according to the performance schedule was commenced before the notice of termination, the fee for materials performed shall be based on an amount mutually agreed to by City and Vendor for the portion of work completed in conformance with this Agreement before the date of termination. In addition, the City will reimburse Vendor for authorized expenses incurred and not previously reimbursed. The City shall not be liable for any fees or costs associated for the termination or abandonment except for the fees, and reimbursement of authorized expenses, payable pursuant to this section.

15. Assignment and Subcontracting. Vendor shall not subcontract, assign or transfer voluntarily or involuntarily any of its rights, duties or obligation under this Agreement without the express written consent of the City Manager or his or her designee in each instance. Any attempted or purported assignment of any right, duty or obligation under this Agreement without said consent shall be void and of no effect.

16. Successors and Assigns. All terms, conditions, and provisions of this Agreement shall apply to and bind the respective heirs, executors, administrators, successors, and

assigns of the parties. Nothing in this section is intended to affect the limitation on assignment.

17. Non-Discrimination/Fair Employment Practices. Vendor shall not, because of race, religious creed, color, sex, national original, ancestry, disability, medical condition, age, marital status or sexual orientation of any person, refuse to hire or employ, or to bar or discharge from employment, or to discriminate in compensation, or in terms, conditions or privileges any person, and every employee will receive equal opportunity for employment and shall be granted equal treatment with respect to compensation, terms, conditions or other privileges of employment, without regard to his race, religious creed, color, sex, national origin, ancestry, or disability, medical condition, age, marital status or sexual orientation.

Vendor warrants and represents it is an equal opportunity employer and agrees it shall not discriminate on the basis of race, religious creed, color, sex, national origin, ancestry, disability, medical condition, age, marital status or sexual orientation in the selection and retention of employees, subcontractors or procurement of materials or equipment.

18. Notices. All notices or instruments required to be given or delivered by law or this Agreement shall be in writing and shall be effective upon receipt thereof and shall be by personal service or delivered by depositing the same in any United States Post Office, registered or certified mail, postage prepaid, addressed to:

If to City:

Any party may change its address for receiving notices by giving written notice of such change to the other party in accordance with this section.

Routine administrative communications shall be made pursuant to section 1 of Exhibit A.

24. Integration Clause. This Agreement, including all Exhibits, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had prior to the execution of this Agreement. This Agreement shall not be amended or modified except by a written agreement executed by each of the parties hereto.

25. Severability Clause. Should any provision of this Agreement ever be deemed to be legally void or unenforceable, all remaining provisions shall survive and be enforceable.

26. Law Governing. This Agreement shall in all respects be governed by the law of the State of California without regard to its conflicts of law rules. Litigation arising out of or connected with this Agreement shall be instituted and maintained in the courts of Solano County in the State of California or in the United States District Court, Eastern District of California, Sacramento, California, and the parties consent to jurisdiction over their person and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

27. Waiver. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent or any other right hereunder.

28. Ambiguity. The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

29. Gender. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

30. Headings. The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

31. Compliance with Laws. Vendor will comply with all statutes, regulations and ordinances in the performance of all materials under this Agreement.

32. News and Information Release. Vendor agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Representative.

33. City Representative. The City Representative specified in Exhibit A, or the representative's designee, shall administer this Agreement for the City.

34. Counterparts. The parties may execute this Agreement in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

35. Facsimile Signature; Electronic Signature. This Agreement shall be binding upon the receipt of facsimile signatures or e-mailed by PDF or otherwise. Any person transmitting his or her signature by facsimile or electronically shall promptly send an original signature to the other party pursuant to the notice provision of this Agreement. The failure to send an original shall not affect the binding nature of this Agreement.

36. Authority. The person signing this Agreement for Vendor hereby represents and warrants that he/she is fully authorized to sign this Agreement on behalf of Vendor.

37. Exhibits. The following exhibits are attached hereto and incorporated herein by reference:

Exhibit A, entitled “Equipment,” including any attachments Exhibit B, entitled “Compensation,” including any attachments Exhibit C, entitled “Insurance Requirements,” including attachments

Compensation

1. Vendor's Compensation. City agrees to pay Vendor for those products set forth in Exhibit A of this Agreement, for a total not to exceed of seven hundred sixty six thousand eighteen dollars ($766,018.00).

2. Invoicing. Invoices must be submitted, itemized as to quantity, part number, and description. In addition, invoices must show the name of the department, division, or section to which the material was delivered, and the City of Vallejo Purchase Order Number.

All delivery tickets must have a description of the commodity delivered. Mail invoices to the accounts payable section of the department and to the address, as noted on individual purchase orders. Delivery tickets and packing slips will contain the same information as the invoice. All pack slips and delivery tickets must include the receiving employee signature and printed name.

All prices shall be F.O.B. destination, address 111 Amador Street, City of Vallejo.

3. Payment. Payment is due thirty (30) days after the City has approved the invoice or after the City has accepted the goods, whichever occurs later.

Request for payment shall be sent to:

Vallejo Police Department
Attn: Financial Management Section
111 Amador Street Vallejo,
CA 94590
vpd.finance@cityofvallejo.net

4. Accounting Records of Vendor. Vendor shall maintain for three (3) years after completion of all materials hereunder, all records under this Agreement, including, but not limited to, records of Vendor's direct salary costs for all Materials and Additional Materials performed under this Agreement and records of Vendor's Reimbursable Expenses, in accordance with generally accepted accounting practices. Vendor shall keep such records available for audit, inspection and copying by representatives of the City's Finance Department or other government agencies during regular business hours upon twenty four (24) hours' notice.

The obligations of Vendor under this section shall survive this Agreement.

5. Taxes. Vendor shall pay, when and as due, any and all taxes incurred as a result of Vendor's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

6. Taxpayer Identification Number. Vendor shall provide City with Vendor's complete Request for Taxpayer Identification Number and Certification, Form W-9, as issued by the Internal Revenue Service, and any other State or local tax identification number requested by City.

EXHIBIT C INSURANCE

REQUIREMENTS

Vendor shall procure and maintain for the duration of this Agreement, including any extensions thereto, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of materials hereunder by the Vendor, their agents, representatives, or employees or subcontractors.

1. Minimum Limits of Insurance. Vendor shall maintain limits no less than:

A. General Liability: $1,000,000 per occurrence for bodily injury, personal injury, and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2. Deductible and Self-Insured Retention. Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City of Vallejo, its officers, officials, employees and volunteers; or the Vendor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

3. Other Insurance Provisions.

A. The insurance is to be issued by companies licensed to do business in the State of California.

B. For any claims related to the equipment provided pursuant to this Agreement, the Vendor's insurance coverage shall be primary insurance as respects the City of Vallejo, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the City of Vallejo, its officers, officials, employees, agents, or volunteers shall be excess of the Vendor's insurance and shall not contribute with it.

C. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees, agents, or volunteers.

D. The Vendor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

E. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

4. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII.

5. Verification of Coverage. Vendor shall furnish the City with certificates of insurance and original endorsements effecting general and automobile liability insurance coverage required by this clause. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the City before work commences.

6. Subcontractors. Vendor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

7. Payment Withhold. City will withhold payments to Vendor if the certificates of insurance and endorsements required in Paragraph F, above, are canceled or Vendor otherwise ceases to be insured as required herein.

KeyW PROPRIETARY

NON-DISCLOSURE AGREEMENT

This Non-Disclosure Agreement ("Agreement") is entered into by and between The KeyW Corporation, a Maryland corporation ("KeyW"), with an office located at 7740 Milestone Parkway, Suite 500, Hanover, MD 21076, and the Vallejo Police Department, ("Receiving Party"), with an office located at 111 Amador Street, Vallejo, CA 94590 on the last date set forth in signature block (the "Effective Date"). In order to protect certain KeyW-developed products ("Products") and KeyW Confidential Information both KEYW and the Receiving Party mutually agree as follows:

1. The parties intend to engage in negotiations and/or discussions concerning the purchase of CONDOR and all of its accessories (the "Purpose"), and in connection with such discussions or negotiations, KeyW may disclose or deliver to the Receiving Party and the Receiving Party's directors, officers, employees, agents or advisors (collectively, the "Representatives") certain of its trade secrets or confidential or proprietary information or KeyW products.

2. The term "Confidential Information," as used in this Agreement, shall collectively refer to any and all information or material (tangible or intangible) that is disclosed to the Receiving Party by KeyW, whether written, electronic, oral or graphic, or obtained by the Receiving Party from a third party or any other source, including, but not limited to, information concerning KeyW Products and their associated software, operating manuals, and any related documentation (including each Products technical/ engineering description(s) and capabilities), financial plans and records, marketing plans, business strategies, relationships with third parties, client lists, present and proposed products, trade secrets, know how, processes, computer software programs, software tools and descriptions of functions and features of software, source code, computer hardware designs, information regarding customers and suppliers, founders, employees and affiliates, methods for systems integration, company systems or software. Confidential Information shall also include any notes, analyses, compilations, studies or other material or documents prepared by the Receiving Party which contain, reflect or are based upon, in whole or in part, the Confidential Information.

   Notwithstanding anything to the contrary, the Receiving Party shall not have any obligation with respect to any Confidential Information of KeyW or any portion thereof which the Receiving Party can establish:

   a. is publicly available or becomes publicly available through no action or fault of the Receiving Party;

   b. was obtained by the Receiving Party from a third party, provided, that the source of such information or material was not bound by a contractual, legal or fiduciary obligation of confidentiality to KeyW or any other party with respect thereto;

   c. was previously known by or in the possession of the Receiving Party without any obligation to keep it confidential, subject to the Receiving Party's ability to document such knowledge; or

   d. was independently developed by the Receiving Party without reference or access to KeyW's Confidential Information, subject to the Receiving Party's ability to document such development.

3. The term "Products," as used in this Agreement, shall collectively refer to KeyW's tools, equipment, and capabilities, both hardware and software products that provide users a capability to locate targets of interest. The Products protected under this NDA include, but are not limited to: The CONDOR system. These Products are restricted and otherwise controlled under United States Code, Title 18, and by other governing policies, regulations and laws, and missions utilizing the Products, in whole or in part, shall also be covered in their entirety by this NDA.

4. Except where prohibited by law, the Receiving Party will use the same degree of care to protect such Confidential Information and Products of KEYW as it uses to protect its own information of like importance, but with no less than a reasonable degree of care. The Receiving Party and its Representatives shall hold in confidence, and shall not disclose, or cause or permit to be disclosed, any Confidential Information of KeyW; provided, however, that (i) the Receiving Party may make any disclosure of such information to which KeyW gives its prior written

consent, (ii) any of the Confidential Information may be disclosed by the Receiving Party to its Representatives who need to know such information in connection with the Purpose and who are informed of the confidential nature of such information and of the terms of this Agreement and who agree in writing to keep such information confidential, and (iii) in connection with a sale of the Product(s) to an end user, any of the Confidential Information may be disclosed by the Receiving Party to end users of the Product who are informed of the confidential nature of such information and of the terms of this Agreement and who agree in writing to keep such information confidential. Further, Receiving Party will ensure the operation of KeyW Products will be restricted to only those personnel permanently assigned to Receiving Party departments or sections tasked with completing electronic surveillance missions. Authorized personnel should be sworn members who possess arrest authority, but may include full-time civilian employees permanently assigned to the same department sections tasked with supporting electronic surveillance missions. The Receiving Party shall be responsible for any breach of this Agreement by any of its Representatives, and agrees, at its sole expense, to take reasonable measures to restrain its Representatives from unauthorized disclosure or use of the Confidential Information or Products. The Receiving Party and its Representatives shall use the Confidential Information only for the Purpose and the Confidential Information shall not be used for any other purpose without the prior written consent of KeyW.

The Receiving Party is subject to this NDA and except for court ordered, or other judicially mandated disclosures, will not disseminate, publish or release any (i) Confidential Information or (ii) information about the operations, missions, equipment, concept of operations, mission, equipment/technology or investigation results, methods or any other information related to or arising out of the use, deployment or application of the Products that would be deemed a release of technical data as is described and agreed to under this NDA. In the event of a court ordered or judicially mandated disclosure, Receiving Party shall use its best efforts to make such disclosure in a manner that provides maximum protection of the information to be disclosed. Receiving Party shall notify KeyW upon receipt of such order or mandate, provide a copy of any such written order or mandate, and provide KeyW with prompt written notice of any such request or requirement prior to the disclosure so KEYW may seek a protective order or other appropriate remedy. If, in the absence of a protective order or other remedy or the receipt of a waiver by KeyW, the Receiving Party is nonetheless, legally compelled to disclose any such information, the Receiving Party may, without liability hereunder, disclose to such tribunal only that portion of the Confidential Information or information relating to the Products which outside counsel advises, in writing, that the Receiving Party is legally required to disclose, provided that the Receiving Party shall use its best efforts to preserve the confidentiality of same, including, without limitation, by cooperating with KeyW to obtain an appropriate protective order or other reliable assurance that confidential treatment will be afforded to such information.

5. Except where prohibited by law, Receiving Party shall not discuss, publish, release or disclose any information pertaining to the Confidential Information or Products covered under this NDA to any third party individual, corporation, or other entity, including any affiliated or unaffiliated State, County, City, Town or Village, or other governmental agency or entity without the prior written consent of KEYW and shall further limit the circulation and disclosure of information regarding the Confidential Information or Products within its own organization to its employees or agents having a “need to know” about the Confidential Information and Products and shall ensure that they are informed of the sensitive nature thereof and agree to and are required to observe the provisions of confidentiality set forth herein and under Title 18 of the United States Code.

6. Upon termination or expiration of this Agreement, or within fourteen (14) days after receiving a request by KeyW, the Receiving Party shall destroy or return all Confidential Information, and all copies thereof, and, upon request, the Receiving Party shall furnish to KeyW written confirmation that it has complied with this section. Notwithstanding the foregoing, neither the Receiving Party nor its Representatives will be required to erase electronically stored Confidential Information that has been saved to a back-up file or other electronic medium in accordance with its or its Representatives ordinary back-up practices.

7. KeyW is and shall remain the exclusive owner of its Confidential Information and all patent, copyright, trade secret, trademark, domain name and other intellectual property rights therein or in the Products. No license or conveyance of any such rights to the Receiving Party is granted or implied under this Agreement.

8. This Agreement does not create any agency or partnership relationship.

9. The Receiving Party shall take precautions to ensure information concerning the Products and Confidential Information are stored and/or destroyed in a manner that precludes unauthorized access. Information about the Products and Confidential Information may not be used in legal proceedings, press releases, court documents, public forums, interviews, direct or indirect statements to the media or public, without first obtaining prior written consent from KeyW.

10. In the event the Receiving Party receives a request pursuant to the Freedom of Information Act (5 U.S.C. § 552) or an equivalent state or local law, the civil or criminal discovery process or other judicial, legislative or administrative process to disclose information concerning the trade secret or pricing information related to the Products, associated software, operating manuals, and any related documentation (including its technical/engineering description(s) and capabilities), or any information that mentions information related to KeyW personnel, the Receiving Party will immediately notify KeyW of any such request telephonically and in writing in order to allow sufficient time for KeyW to review the request. Receiving Party will not be required to notify KeyW of requests related solely to usage of the Product or statistics related to the Product.

    Notifications shall be directed to the attention of:

    The KeyW Corporation
    Attention: General Counsel
    7767 Old Telegraph Road, Building 3
    Severn, MD 21144
    443-875-5324

11. Nothing herein shall obligate either party to proceed with any transaction between them, and each party reserves the right, in its sole discretion, to terminate the discussions contemplated by this Agreement concerning the Purpose.

12. KeyW represents and warrants to the Receiving Party that it has the right to disclose any Confidential Information disclosed under this Agreement, and that such disclosure does not violate the rights of any third parties. **NO OTHER WARRANTIES ARE MADE BY KEYW UNDER THIS AGREEMENT.** The Receiving Party acknowledges and agrees that all Confidential Information is provided as-is, without any representation or warranty, express or implied, as to the accuracy or completeness thereof.

13. This Agreement shall terminate two (2) years from the Effective Date of this Agreement. The Receiving Party's duty to protect Confidential Information and the Products shall survive until such time as all such information disclosed hereunder becomes publicly known and made generally available through no action or inaction of the Receiving Party.

14. The Receiving Party hereby agrees that its failure to perform any obligation or duty which it has agreed to perform under this Agreement will cause irreparable harm to KeyW, which harm cannot be adequately compensated for by money damages. It is further agreed by the Receiving Party that an order of specific performance or for injunctive relief against the Receiving Party in the event of a breach or default under the terms of this Agreement would be equitable and would not work a hardship on the Receiving Party. Accordingly, in the event of a breach or default by the Receiving Party hereunder, KeyW, without any bond or other security being required and in addition to whatever other remedies are or might be available at law or in equity, shall have the right either to compel specific performance by, or to obtain injunctive relief against, the Receiving Party, with respect to any obligation or duty herein or breach thereof.

15. This Agreement shall bind and inure to the benefit of the parties hereto and their successors and assigns. The Receiving Party may not assign or otherwise transfer this Agreement or any of its rights and obligations hereunder to any third party without the prior written consent of KeyW, which consent shall not be unreasonably withheld.

16. This Agreement shall be governed by the laws of the State of California, without reference to conflicts of laws principles.

17. If any provision of this Agreement is found to be invalid or unenforceable in whole or in part, the parties agree that such provision shall be reformed and construed to the maximum extent enforceable, and that the remaining provisions shall remain valid and enforceable to the maximum extent compatible with law.

18. This document contains the entire agreement between the parties with respect to the subject matter hereof, and neither party shall have any obligation, express or implied by law, with respect to trade secret or confidential information of the other party except as set forth herein. Any failure to enforce any provision of this Agreement shall not constitute a waiver thereof or of any other provision. This Agreement may not be amended, nor any obligation waived, except by an amendment in writing signed by both parties hereto.

19. The parties and their Representatives shall abide by all export laws, rules and regulations of the United States Government, or any agency thereof, including, but not limited to, the Export Control Regulations of the US Department of Commerce, the International Traffic in Arms Regulations of the US Department of State, and the National Industrial Security Program Operating Manual (DOD 5220.22-M), in connection with the disclosure, use, export and/or re-export of all information disclosed under this Agreement.

ACTION ITEM 8.A.

DATE: March 24, 2020
TO: Mayor and Members of the City Council
FROM: Gillian Hayes, Planning and Development Services Director
SUBJECT: **PUBLIC HEARING - HOUSING ELEMENT ANNUAL PROGRESS REPORT CALENDAR YEAR 2019**

RECOMMENDATION

Hold the Public Hearing, take public input, and, adopt a Resolution accepting the attached 2019 Annual Progress Report (APR) and directing staff to submit the APR to the California Department of Housing and Community Development (HCD) and the California Office of Planning and Research (OPR).

REASONS FOR RECOMMENDATION

State law requires that all cities (including Charter cities) provide APRs on the status of their housing elements. The City of Vallejo (City) will meet that requirement with submittal of the attached APR to HCD and OPR. In addition, submittal of the APR will help make the City more competitive in applying for State and regional grants.

BACKGROUND AND DISCUSSION

California Government Code Section 65400 requires cities and counties to adopt a general plan for development within their boundaries that includes, among other things, a Housing Element. The Housing Element is a comprehensive statement of the jurisdiction's housing needs and proposed actions to meet those needs at all income levels.

The City Council adopted the current 5th cycle Housing Element for the 2015-2023 period on May 26, 2015, and HCD subsequently certified compliance of the Housing Element with State requirements. The Housing Element demonstrates how the City is addressing regional housing needs based on an allocation (RHNA). While the Housing Element must address specific statutory requirements, it is also intended to reflect local community values and priorities via community input.

State law also requires planning agencies to provide an annual report by April 1st to the legislative body, OPR, and HCD on the jurisdiction's progress in meeting its share of regional housing needs, as well as local efforts to remove governmental constraints to the maintenance, improvement, and development of housing. The APR must be considered at a public hearing.

Staff has prepared the attached APR (see Exhibit A attached to the Resolution) for review by City Council, in compliance with HCD requirements. By complying with state law, the City will be eligible and/or more competitive for certain funding opportunities, including Caltrans' recent Senate Bill 1 planning grants, and the Metropolitan Transportation Commission's One Bay Area Grant program.

Following is a summary of key information in the APR:

- Table A documents the number of housing units for which entitlement applications were submitted. The City received applications for a total of 118 units; an increase of 87 from 2018.
- Table A2 documents the number of units receiving land use entitlements, building permits, and certificates of occupancy. The City entitled 10 units, issued building permits for 62 units, and issued certificates of occupancy for 73 units. All of these units were single-family dwellings or accessory dwelling units.
- Table B documents the City's progress toward meeting its RHNA goals. Including the 64 units completed in 2019, the City has produced 210 units (18.3 percent) toward its total RHNA of 1,152 units. All of these units are in the Moderate or Above Moderate Income category, which accounts for 691 units of the total RHNA.
- Table C documents sites identified or rezoned to accommodate shortfall housing need. There were no such sites in 2018.
- Table D describes the progress of the various programs and activities identified in the Housing Element. These are mostly executed by the City's Planning Division and the Vallejo Housing Authority. As indicated in the table, most programs and activities are ongoing or in progress. Significant achievements in 2019 include completion of a vacant site inventory and participation in the annual count of homeless persons. A number of programs involve changes to density, parking, and other development standards; these changes will be addressed in the City's new zoning ordinance, which is currently underway and anticipated to be completed in late 2020.
- Table E documents projects receiving a commercial development bonus pursuant to Government Code Section 65915.7. There were no such projects in 2019.
- Table F documents units rehabilitated, preserved and acquired for alternative adequate sites pursuant to Government Code section 65583.1(C)(2). There were no such sites in 2019.
- Table G documents locally owned lands included in the Housing Element sites inventory that have been sold, leased or otherwise disposed of. There were no such site in 2019.

FISCAL IMPACT

City Council acceptance of the APR and submission of the APR to HCD will have no direct or immediate fiscal impact on the City. However, these actions may benefit the City's finances in the future by making it eligible and/or more competitive for certain grants, and by supporting future development.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

RESOLUTION NO

ACCEPTING CITY OF VALLEJO 2019 ANNUAL PROGRESS REPORT ON THE HOUSING ELEMENT 2015-2023

WHEREAS, Government Code Section 65400(a)(2)(B) requires local planning agencies to provide by April 1st of each year an annual progress report (APR) on the status of the housing element of the general plan to the legislative body, the California Office of Planning and Research (OPR), and the California Department of Housing and Community Development (HCD); and

WHEREAS, Government Code Section 65400(a)(2)(B) requires the APR to include the agency's progress in meeting its share of regional housing needs determined pursuant to Government Code Section 65584 and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing; and

WHEREAS, Staff has provided a report and hearing to receive public comments pursuant to Government Code Section 65585(3)(c); and

WHEREAS, on May 26, 2015 the City of Vallejo adopted its Housing Element for the 2015-2023 period, which HCD subsequently certified as complying with State requirements; and

WHEREAS, on March 24, 2020 the City Council conducted a duly noticed public hearing to consider the 2019 Housing Element APR (exhibit A), at which testimony and evidence, both written and oral, was presented to and considered by the City Council, and the City Council has considered the report and recommendations of the Planning Manager, and has determined that the annual progress report is both fair and appropriate; and

WHEREAS, by submitting the Housing Element APR for calendar year 2019, the City of Vallejo will be eligible and/or more competitive for certain funding opportunities, including the California Department of Transportation's recent Senate Bill 1 planning grants, and the Metropolitan Transportation Commission's One Bay Area Grant program; and

Approved as to form:
By: Shannan Echmeyer for
Claudia Quintana
City Attorney

NOW, THEREFORE, THE COUNCIL OF THE CITY OF VALLEJO DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The Council hereby accepts the 2019 Housing Element annual progress report as provided, which is attached hereto as Exhibit A and incorporated herein; and

Section 2. The Council of the City of Vallejo hereby authorizes the City Manager, or his designees, the Assistant City Manager, and/or the Planning Manager, to prepare and submit the 2019 housing element annual progress report to OPR and HCD as required.

Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	**Objective**	**Timeframe in H.E**	**Status of Program Implementation**
Program A 1.1.1: Housing Element Annual Review	Prepare an annual analysis of the City's progress in implementing the Housing Element, for submittal to City Council and HCD. Expand inventory of available sites to accommodate unmet need, as necessary	**Annual**	**2016 annual review analysis submitted.** **2017 annual review analysis submitted.** **2018 annual review analysis submitted.** **2019 annual review analysis submitted.**
Program A 1.1.2: Vacant Land Inventory and RHNA Monitoring	Maintain a vacant land inventory for residential, commercial, and industrially zoned parcels, and update inventory (site information) as projects are approved through the Planning Division. Annually review inventory to ensure enough land to meet the City's RHNA allocation through the 5th cycle planning period.	**Ongoing (2023) and annual.**	**Complete in 2019. Vacant invantory list will be updated annually.** **Will reasses/refine approach as needed; concurrent with GIS upgrade. Vacant land inventory and housing priorty are discussed at the City's biweekly development pipeline meeting.**

Program A 1.1.3: Mixed-Use Development	Encourage and facilitate residential development in mixed-use zones, particularly units affordable to extremely low-, low- and very low-income households. With General Plan update, Sonoma Blvd Specific Plan, and Zoning Code update, consider providing more flexibility for mixed-use development with residential units on the ground floor of certain commercial areas (except for storefronts abutting the public sidewalk) or under certain conditions. Facilitate the construction of residences in mixed-use developments and high density by: 1) discouraging the development of exclusively commercial projects in areas designated for mixed-use; 2) providing marketing materials on the City's website that delineate site opportunities for mixed-use and provide technical assistance for developers; 3) providing developers a predicable path to entitlement of mixed- use projects; 4) encouraging lot consolidation for mixed-use developments; and 5) establishing a protocol to monitor development interest and progress toward mixed-use development.	**General Plan, Specific Plan adopted in 2017:** **Zoning Code underway(2019)**	**General Plan 2040 and Sonoma Blvd. Specific Plan was adopted August 2017.** **Zoning Code update is in progress. Staff is exploring policy options for mixed-use, mixed-income housing projects. Study sessions and community open hosuing are being conducted with the Planning Commission.**
Program A 1.1.4: High Density	As part of the General Plan update and Zoning Code update, increase density of high density residential from 27 to 30 units per acre.	**Zonig Code underway**	**Zoning code updat in progress. City Staff will evaluate opportunities to remove constriants and streamine housing project approvals. Staff is proposing to increas density to a maximum of 40 untis per acre.**

Program A 2.1.1: Underutilized Commercial Land Conversion Program	With General Plan and Zoning Code update, expand opportunities for residential and mixed-use development. With Zoning Code update, offer regulatory incentives, such as expedited permit processing, for projects that contain an affordable housing component. Promote the availability of both underutilized sites and regulatory incentives through the City's website, during pre-application meetings, and during other relevant community outreach workshops/meetings. Monitor the supply of underutilized sites and evaluate whether the incentives are providing the necessary catalyst to ensure that development is occurring consistent with the RHNA needs. Make changes to this program to ensure that infill development remains a realistic and viable development strategy.	**Study, site inventory 2015; General Plan 2017; Zoning 2020; Other ongoing.**	**Study, site inventory, promo materials in progress.** **General Plan 2040 adopted August 2017.** **Zoning code update in progress.City Staff will evaluate opportunities to remove constraints and streamline housing project approvals. Staff is proposing to allow more mix-use ditricts in within corridors and highly transit areas. Anticipated completion date is late-2020.** **Other items ongoing.**

Program A 3.1.1: Removal of Governmental Constraints	With Zoning Code update, review local regulations to remove or mitigate constraints on the production of housing, where possible, including: a) remove regulations requiring a major conditional use permit for multi-family housing; b) allow licensed group home and other residential facilities with 6 or fewer residents by right in residential areas accordance with State law; c) encourage housing suitable for extremely low-income households.	**Zoning Code underway (2020)**	**Item (b) completed. Zoning code update in progress.City Staff will evaluate opportunities to remove constraints and streamline housing project approvals. Anticipated completion date is late-2020.**
Program A 3.1.2: Density Bonus Amendment	With Zoning Code update, incentivize the development of affordable housing, including increased density allowances and reduced parking standards in compliance with State law.	**Zoning Code underway (2020)**	**Zoning code update in progress.City Staff will evaluate opportunities to remove constraints and streamline housing project approvals. Anticipated completion date is late-2020. Although the City does not have a density bonus ordinance, it follows Government Code Section 65915 when an applicant requests a density bonus. Staff is proposing to include the density bouns regulations within the zoning code update.**
Program A 4.1.1: Housing Marketing and Promotion	Facilitate the development of housing that is affordable to households with a wide range of incomes, particularly in the downtown area, by updating land use policies and regulations and marketing and branding the City as an investment opportunity for moderate and above moderate income households.	**Zoning Code underway (2020)**	**Zoning code update in progress.City Staff will evaluate opportunities to remove constraints and streamline housing project approvals. Staff is proposing to allow more mix-use ditricts in within corridors and highly transit areas. Anticipated completion date is late-2020.**

Program B 1.1.1: Section 8 Rental Subsidy Program (Tenant-Based)	Apply to HUD for vouchers, if available, for extremely low-, very low-, and low- income households, making extremely low-income households a priority. (VHA) Continue owner outreach efforts, including the Family Self-Sufficiency Program, a property manager meetings, regular presentations to the Solano Board of Realtors, and participation in the Napa/Solano Advisory Chapter of the California Apartment Association. (VHA) Continue to contract with gosection8.com, an online landlord listing service to attract new landlords. (VHA)	**Ongoing (2023)**	**Ongoing**
Program B 2.1.1: Below-Market-Rate Financing Program (New Construction)	Explore the feasibility of adopting a Housing Impact Fee that would assist in meeting Vallejo's "fair share" of Regional Housing Needs Allocations.	**Apply for affordable housing funds annually; ongoing (2023)**	**Applied for funds in 2016. Ongoing.**
Program B 2.1.2: Housing Impact Fee	Explore the feasibility of adopting a Housing Impact Fee that would assist in meeting Vallejo's "fair share" of Regional Housing Needs Allocations.	**Present to City Council in 2016. In 2019 add a Housing Impact Statement to Staff Reports to convey the effect of a proposal on achieving the affordable housing goals.**	**Exploration/feasibility of HIA under consideration.**
Program B 2.1.3: Commercial Linkage Fee	Explore the feasibility of a Commercial Linkage Fee that would provide an additional source of funding for affordable housing (i.e. jobs/housing nexus study).	**Conducted in 2017**	**In Progress.**

Program B.2.1.4 Low-Moderate Income Housing Funds	Support very low- and extremely low-income housing development with RDA Successor Agency funds. Seek new funding sources for the development of affordable housing.	**Ongoing (2023)**	**Ongoing.**
Program B.2.1.5: Explore Additional Funding Opportunities	Seek additional funding for extremely low income rental housing from State and Federal resources, such as funding from the national Housing Trust Funds when funding becomes available, HOME funds, and CDBG.	**Apply as funding becomes available**	**Ongoing.**
Program C 1.1.1: Conversion Monitoring and Response Program	If City receives notice by owners of planned conversion of units to market rate, contact qualified and interested nonprofit organizations to begin developing plans to preserve, acquire, or replace the affordable units and notify tenants of affected properties of their rights, potential date of conversion, and options. Consider additional outreach such as hosting workshops and distributing updated information on the web. Contact owners at least two years prior to expiration date to determine best approach to keep the units affordable. Investigate the status of Ascension Arms to ascertain the risk of conversion to market rate, and take immediate action to prevent conversion.	**Ongoing (2023)**	**Ongoing. Ascension Arms renewed affordability period with HUD for all units until 8-1- 2019.**
Program C 1.1.2: Below-Market-Rate Financing Program (Preservation)	Utilize available tax-exempt bond financing, CDBG, HOME funds, and Housing Authority reserves to assist housing operators to acquire and preserve as affordable units at risk of converting to market rates.	**Ongoing (2023)**	**Ongoing.**

Program C 2.1.1 Condominium Conversion Ordinance	With Zoning Code update, review the current condominium conversion regulations to consider their effectiveness to mitigate potential displacement of affordable units and to address complexes with approved condominium maps that are yet to be converted.	**Zoning Code underway (2020)**	**Zoning code update in progress.City Staff will evaluate opportunities to remove constraints and streamline housing project approvals. Anticipated completion date is late-2020.**
Program D 1.1.1: First-Time Homebuyer Program	Continue the City's first-Time Homebuyer Program, with an intention to provide homeownership opportunities to 5 or more potential homeowners for households at or below 120 percent of the area median income. Consider establishing a program to give priority criteria to homes located in older neighborhoods to increase ownership investment in those areas.	**Ongoing (2023)**	**Ongoing.**
Program D 1.1.2: Sweat-Equity Program for Homeownership	Consider implementing a program to provide financial subsidies to prospective homeowners in exchange for investing sweat equity in rehabilitating an existing home that is in need of significant repair.Consider targeting the program to foreclosed or blighted dwellings and working with a nonprofit organization such as Habitat for Humanity, which specializes in sweat-equity programs.	**2017. In 2019 identify an afforable work force project for teachers working in local schools.**	**Under consideration. Loan made to Habitat for Humanity in 2017. Community Housing Development Organization RFP process released in 2019.**
Program D 1.1.3: Section 8 Homebuyer Assistance Program	Reinstate and administer a program offering homebuyer classes and financial assistance, assuming available HUD financing, to Section 8 recipients to help in the purchase of a home.	**Ongoing (2023)**	**Online Educational Program, ongoing.**

Program D 1.1.4: Family Self-Sufficiency Program	Administer the Family Self-Sufficiency Program, with a maximum number of participants set at 50.	**Ongoing (2023)**	**Ongoing.**
Program D 1.1.5: Mobile Home Permitting	With the Zoning Code update, clarify that a single mobile home or a manufactured house on a permanent foundation will be processed and permitted the same as conventional single family homes in all zoning districts.	**Zoning Code underway (2020)**	**In progress. In 2019 launched an outreach campaign to increase FSS Program to an additional 23 eligble applicants.**
Program E 1.1.1: Section 8 Rental Subsidy Program (Tenant Based, Special Needs)	Meet with service providers on an annual basis to discuss opportunities to expand supportive housing, affordable housing that provides on-site services to people who may need support to live independently, for special needs populations, e.g., formerly homeless individuals and families, people with HIV/AIDS or physical disabilities, and young people aging out of foster care.	**Ongoing (2023); annual.**	**Service providers, developers, and landlord policy working group to begin meeting in May 2019.**
Program E 1.1.2: Senior Housing Needs	Identify the existing and future housing needs of senior citizens and identify annual funding opportunities. Apply for funding to complete a senior needs survey annually and/or as Notice of Funding Available (NOFAS) are released. Meet with affordable housing/senior housing developers, senior stakeholder groups, and other senior housing advocates such as the Legal Services of Northern California on an annual basis to discuss available sites and senior needs in the community. With Zoning Code update, provide incentives to developers to provide housing, care choices, and age in place options for seniors of all income levels.	**Apply for funding in 2016; meet regularly with developers; zoning update underway (2020)**	**Programs under consideration. Zoning code update in progress.City Staff will evaluate opportunities to remove constraints and streamline housing project approvals. Anticipated completion date is late-2020**

Program E 1.1.3: Homeless Needs	To identify the number of homeless persons, complete a Point in Time count to augment the HUD Continuum of Care Report 2013. Partner with agencies and other community organizations to pursue funding from available sources for homeless services. Annually apply for grants where appropriate or encourage/partner with local and regional nonprofit organizations that wish to apply for such grants.	**Ongoing (2023).**	**Conduct Point in Time (PIT) in January. Last PIT counted Jan 23, 2019.**
Program E 1.1.4: Community Action Partnership of Solano County	Continue to be an active member on the Community Action Partnership of Solano County Board (CAP Solano), a joint powers authority, to coordinate homeless services and develop a regional response to homeless needs.	**Ongoing (2023)**	**Ongoing.**
Program E 1.1.5: Reasonable Accommodations	As part of the Zoning Code update, and as required by both the federal Fair Housing Act and the California Fair Employment and Housing Act, establish a procedure for allowing reasonable accommodation requests made by persons with disabilities for exceptions or modifications and other special considerations during the planning and building permit review process.	**Zoning Code underway (2020)**	**Ongoing.**
Program E 1.1.6: Universal Design	Inform homebuilders regarding Universal Design features that can be incorporated into new houses, condominiums, and townhomes, including on the Planning Division's website, at the Planning Division's information counter, and at the Building Division's permit counters	**Ongoing (2023)**	**Ongoing.**

Program E 1.1.7: Support for Persons with Developmental Disabilities	Explore successful models implemented in other Bay Area cities that encourage the creation of housing for persons with developmental disabilities. Seek outside funding sources for housing construction and rehabilitation specifically targeted for housing for persons with disabilities.	**2017**	**In progress.**
Program E 1.1.8: Employee Housing	With Zoning Code update, ensure local zoning, development standards and permitting processes comply with California Health and Safety Code Sections 17021.5 and 17021.6. Section 17021.5 for Employee Housing.	**Zoning Code underway (2020)**	**In progress.**
Program F 1.1.1: Housing Discrimination Monitoring and Referral Program	Publicize fair housing requirements and the availability of assistance (VHA). For Section 8 participants, accept and investigate complaints of housing discrimination and works with Fair Housing Napa Valley regarding the incidence of housing discrimination complaints on other cases (VHA).	**Ongoing (2023)**	**Ongoing. Added a second legal aid provider to the local Resource Guide to expand the availability of this service.**
Program F 1.1.2: Analysis of Impediments	Coordinate efforts to further fair housing and equal opportunity through an update and revision of the local Analysis of Impediments to Fair Housing document (AI), as required by the U.S. Department of Housing and Urban Development (HUD). (VHA).	**15-May**	**Analysis complete - good until 2020.**

Program G 1.1.1: Housing Rehabilitation Program	Provide funds to assist very low-, low-, and moderate-income households to undertake repairs to their homes to bring them into a good state of repair and maintain them as viable units in the local housing stock. (VHA)	**Ongoing (2023)**	**Ongoing. In 2019 adding information about the owner occupied program to the City's website with appropraite links.**
Program G 1.1.2: Neighborhood Amenities	Evaluate proposals for higher density residential development to determine what, if any, project-serving retail or services could be incorporated into the project or concurrently developed adjacent to the project which would offer residents the ability to meet their everyday needs easily and efficiently.	**Ongoing (2023).**	**Ongoing.**
Program G 2.1.1: Code Enforcement Program	Continue to aggressively enforce existing codes through its Code Enforcement Program, utilizing all available authorities to compel property owners to correct code violations.	**Ongoing (2023).**	**Ongoing.**
Program: G 3.1.1: Capital Improvement Program	When updating capital improvement projects, collaborate with Vallejo Flood and Wastewater District to allocate resources to rehabilitate and/or replace infrastructure in older neighborhoods whose infrastructure is approaching obsolescence. (VPW).	**Cip Update Annually**	**Meet quarterly; CIP update accordingly.**
Program G 4.1.1: Rental Property Inspection Program	Present a resolution of intention to the City Council regarding a rental property inspection program.	**Implement program by late 2015.**	**After conducting a cost study, this program for market rate units was determined to be financially infeasible. An alternate inspection model is being explored with the Fire Department and Building Division.**

Program G 4.1.2: Crime Prevention Program (Crime Free-Multi-Housing Program)	Continue the crime-free rental housing program to target and help rehabilitate existing and new multi-family complexes. ACTION ITEM 8.B.

DATE: March 24, 2020

TO: Mayor and Members of the City Council

FROM: Randy Risner, Interim City Attorney

SUBJECT: **PUBLIC HEARING AND ADOPTION OF TWO ORDINANCES ON VACANT PROPERTY REGISTRATION AND FIRE PREVENTION VEGETATION MANAGEMENT; RESOLUTION SETTING FEES**

RECOMMENDATION

Conduct a public hearing and upon conclusion, adopt a resolution setting vacant and foreclosed property registration fees, and conduct second reading and adoption of two ordinances amending Vallejo Municipal Code Chapters 7.56 and 7.62 to require registration for vacant and foreclosed properties, amending fire prevention's vegetation management program.

REASONS FOR RECOMMENDATION

This ordinance was introduced at the previous City Council meeting. It addresses a City Council a Tier 1 priority related to the use and reuse of vacant lots and buildings. In studying the issue and working collaboratively with Common Ground, an interfaith grass roots organization that is interested in addressing the subject, staff identified a desire to beautify and fence vacant lots, including vacant commercial properties, in the already-successful registration program. Additionally, there is a need to address overgrown weeds in vacant lots beyond the current once-a-year model completed by the Fire Prevention Division. The public hearing is required to comply with Government Code provisions related to governmental fees.

BACKGROUND AND DISCUSSION

On March 10, 2020, staff came before Council recommending that Council amend two chapters of the Vallejo Municipal Code, Chapter 7.56 (Weed and Rubbish Abatement) and Chapter 7.62 (Vacant Buildings). These amendments were staff's efforts to accomplish a tier two priority for City Council of addressing and reusing vacant lots and buildings. Council unanimously passed both amendments.

The public hearing on March 24, 2020, is required by Government Code sections 66016, 66018, and 6062a. These sections require local agencies to conduct a public hearing, which is published in a local paper at least 10 days prior to levying a new fee or an increase in an existing fee, and have the data relied on to determine the fee made available for public review at least 10 days before the hearing.

Below is a summary of the vacant property ordinance and the vegetation abatement ordinance.

The Weed and Rubbish Abatement chapter

The city's existing weed abatement ordinance details a program wherein the Fire Prevention Division inspects the City's vacant lots for weeds and rubbish, and sends out notices in November of every year, notifying

owners to abate these fire hazards by May 1 of the next year. If on May 1 the hazards remain present, the property becomes the subject of a weed abatement effort conducted by the Fire Prevention division. The costs of abating the weeds is passed through to the lot owner via a special assessment. In FY 2019-20, 35 properties were abated. The majority of the properties were abated for $157 each, and six were abated for approximately $1500 each, for a total of $21,481.90. The program does not authorize the issuance of citations. In practice, this has meant that the Code Enforcement Division has steered clear of issuing citations for vacant lots to avoid confusion in noticing property owners as to when abatement must be performed.

The proposed amendment to the vegetation abatement ordinance accomplishes three important goals: 1.) It updats the definitions including changing weeds to vegetation and adding brush clearance. 2.) Now the ordinance explicitly states that the notices from fire supplement any notices from Code Enforcement. This will allow vacant lots to be addressed by Code Enforcement year round, and 3.) The amendments changes the noticing period from November 15th to February 15th. This amendment will better prevent owners from forgetting to abate their lawns on May 1st, as now there is only 60 days in between the first noticing as opposed to November.

Vacant Property Ordinance

The Chapter 7.52 amendments, now titled vacant properties, augmented the already successful vacant residential property ordinance to now include commercial properties and vacant lots. The existing vacant building registration program currently only covers residential buildings, but has been extremely successful in ensuring vacant homes are inspected by their owners on a timely basis and preventing squatters from illegally occupying, and/or starting fires in vacant buildings. The recommendation is that the existing registration program be augmented to include vacant lots, and vacant commercial and industrial properties. The new ordinance require that vacant properties be maintained and that owners produce monthly reports to provide evidence of compliance. It is expected that the same process would be followed for the existing vacant residential property registration program, with the primary difference being inclusion of vacant lots, and vacant commercial and industrial properties, only exempting those properties that belong to a governmental entity.

As of March 10, 2020, there were 153 vacant residential properties registered with code enforcement. Of the 153 only 9 properties had not sent their monthly inspection pictures and 3 properties had code cases on them due to property maintenance violations. This means that nearly 140 vacant properties were being maintained by the property owners and did not have trespassers or property maintenance violations.

Staff anticipates the program would encourage property owners to consider developing or selling their property instead of instead of leaving it vacant. This approach is an incentive to owners to make productive use of their property in lieu of paying annual registration fees, performing monthly inspections and sending the monthly reports. Additionally, the vacant property registration list would be available for distribution to potential developers, and posted on the City website.

Under the provisions of this ordinance, vacant properties are required to place “no trespassing” signs with contact information, so neighbors and concerned residents could report criminal behavior and make it easier for police to arrest trespassers. It should be noted that the standards for vacant properties have been

upgraded to require that broken windows and doors be replaced after 90 days rather than just be covered with plywood indefinitely. This would become a new standard for the code enforcement division as referenced in VMC 7.54.030 C.

The vacant residential property registration resulted in the City collecting fee revenue of $263,725 in Fiscal Year (FY) 2017-18 and $227,742 in FY 2018-2019. The entire program is managed by one Administrative Clerk, and is fully cost recovered. In the month of September 2019, there were 160 properties on the vacant property registration list and 6 are not in compliance. If the ordinances were approved, it is recommended that the City Council authorize three additional full-time employees (FTEs) to administer, manage and enforce the program. It is estimated that additional fee collection revenue and penalties would offset the additional positions, which staff anticipates adding as part of the next budget cycle.

The program will be initiated once necessary staffing is allocated to the program. The department expects a smooth program transition since procedures already exist.

FISCAL IMPACT

The current registration program is staffed by one Police Clerk. To successfully augment the registration program, it is recommended that the Police Department's Community Services and Code Enforcement Division increase staffing by one Administrative Analyst position and two Code Enforcement Officers. The Code Enforcement Officers will also require two vehicles to perform their job duties including inspections. However, these costs will be minimized by the revenue generated from the vacant lot registration fees and the administrative citations for not complying with registration requirements. For a comparison, in the 2017-2018 fiscal year the City received $263,725 for vacant residential property registration, and in the 2018-2019 fiscal year the City received $227,742.

Below is a table of projected revenue and expenses for the next three years if the amendment is implemented. These projections are based on the current fees and the addition of two code officers and an administrative analyst position.

	FY 2020/2021	FY 2021/2022	FY 2022/2023
REVENUE			
Vacant Lots	$175,000	$178,500	$182,070
Vacant Commercial	$65,625	$68,937	$70,316
Total Revenue	$240,625	$247,437	$252,386
EXPENSES			
Salaries & Benefits*	$401,638	$421,720	$442,806
Fleet – 2 vehicles	$70,000	$10,000	$10,000
Service & Supplies	$20,000	$5,000	$5,000
Total Expenses	$491,638	$436,720	$457,806

Net Income or (Loss)	($251,013)	($189,283)	($205,420)

* Salaries & Benefits increased by 5% per year. Includes 2 Code Enforcement Officers and 1 Administrative Analyst.

The registration fees that are recommended currently, and the reasonable basis for them are as follows:

- foreclosed property fee: $844 yearly
- vacant property fee: $475 yearly.

The fees were calculated using a blended Administrative Analyst/Administrative Clerk hourly rate estimating 8 hours annually on each foreclosed property per year. These properties tend to be more challenging to register in that determining the responsible parties is challenging, and changes in ownership require more attention. Additionally, multiple copies of notices are often required to be sent out to the holders of various property interests. It is estimated that 4.5 hours will be spent on each vacant property or lot performing the annual and monthly tasks for the program.

Additionally, to adhere to the shortened timeline and to accomplish more abatements, the Fire Prevention Division would need to augment the existing $50,000 abatement budget currently allocated to the Fire Prevention Division by $100,000 in order to facilitate hiring contractors to abate vacant lots that are potential fire hazards. The actual amount of the request will be included during the budget process. There is no budget action at this time. The cost of any abatement by the City will become a lien on the property that the City may recover through special assessment.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

ORDINANCE NO. _____ N.C. (2d)

AN ORDINANCE OF THE CITY OF VALLEJO MUNICIPAL CODE AMENDING CHAPTERS 7.56 REGARDING VEGETATION MANAGEMENT AND BRUSH CLEARANCE

THE COUNCIL OF THE CITY OF VALLEJO DOES ORDAIN AS FOLLOWS:

SECTION 1. The title of Chapter 7.56 of the Vallejo Municipal Code is hereby amended to read as follows:

Chapter 7.56 –***VEGETATION MANAGEMENT AND BRUSH CLEARANCE ORDINANCE***

~~WEED AND RUBBISH ABATEMENT~~

SECTION 2. Section 7.56.010 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.010 - Short title.

This chapter shall be known and may be cited as the "Vallejo ~~Weed Abatement~~ ***Vegetation Management and Brush Clearance*** Ordinance."

SECTION 3. Section 7.56.015 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.015. Findings and Purpose

A. The Fire Chief, through its Fire Prevention Section of the Vallejo Fire Department shall be responsible for the administration of the Vegetation Management and Brush Clearance Ordinance. This Ordinance describes a program that serves to accomplish the following aims:

1. To educate the public regarding the fire hazard created by overgrown vegetation and rubbish and the public safety risk this creates for Vallejo residents.

2, To take precautionary measures to prevent potentially harmful fires, and property loss.

3. To ensure there is an annual City wide inspection program to abate vegetation and rubbish to reduce fuel available to potentially deadly fires, especially during the dry summer months.

4. To help reduce fire emergencies and the damage caused by them.

5. To comply with Health and Safety Code section 13146.4.

B. This ordinance, and program described herein, supplements other enforcement efforts by the City, including enforcement under Title 7.54 (Property Maintenance Ordinance). Nothing in this ordinance shall prevent enforcement officials, including Code Enforcement Officers from taking any and all enforcement action to enforce the Vallejo Municipal Code.

SECTION 4. Section 7.56.020 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.020 - Definitions.

As used in this chapter:

A. ***"Brush" means scrub vegetation greater than six feet in height. Brush does not include vegetation as defined elsewhere herein.***

B. "City" means the City of Vallejo.

C. "City Clerk" means the city clerk of the City of Vallejo.

D. "City Council" means the council of the City of Vallejo.

E. "Fire Chief means the fire department's top executive officer for the City, or his designated representative or representatives.

F. "Noxious ~~weeds~~ ***vegetation***" means any species of plant which is, or is liable to be, detrimental or destructive and difficult to control or eradicate.

G. "Person" means any individual, firm, association, partnership, or corporation, and includes the City, county, recreation district, citation and flood control district, school district, and other public agencies of the local, state or federal government.

H. "Rubbish" means waste or discarded matter, litter, trash, refuse, debris or dirt which is, or when dry may become, a fire hazard, or which is or may become a menace to health, or which is or may become offensive to the senses.

I. "Street" includes a public street, alley, lane, court, parkway, driveway, sidewalk, and the area between a sidewalk and the curb.

J. "Tax collector" means the finance director of the City, or his designated representative or representatives.

K. "***Brush and vegetation*** ~~Weed~~ abatement" means the removal or destruction of ***brush***, ***vegetation,*** ~~weeds~~ or rubbish, or ***all*** ~~both~~ from private or public property and streets in the city.

L. "***Brush and vegetation*** ~~Weed~~ abatement program" means the program conducted by the city through its own personnel or by independent contractor hired by the City to remove or destroy ***brush, vegetation***, ~~weeds~~ or rubbish, or ***all*** ~~both~~, from private and public property and streets in the city.

M. "***Vegetation*** ~~Weeds~~" ***for purposes of this chapter*** include***s*** any of the following:

1. ***Vegetation*** ~~weeds~~ ***that is unwanted or by its proximity to structures, rights of way, roads or other improvements creates a fire hazard in the opinion of the Fire Chief.***
2. Weeds which bear seeds of a downy or twiggy nature;
3. Sagebrush, chaparral, ~~or any other brush,~~ shrubs, vines or weeds which attain such large growth as to become, when dry, a fire hazard;
4. Poison oak and poison ivy when the condition of growth is such as to constitute a menace to the public health;
5. Dry grass, stubble, ~~brush~~, shrubs, vines, dead or diseased trees or the branches or roots thereof, or other flammable material which endangers the public safety by creating a fire hazard; and
6. Weeds, ~~brush~~, grass, shrubs, vines and dead or diseased trees or the branches or roots thereof, which are otherwise noxious or dangerous.

SECTION 5. Section 7.56.030 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.030 - Nuisance Declared.

The ***C***eity ***C***ouncil hereby declares that all ~~weeds~~ ***vegetation as defined herein,*** growing upon private or public property or streets in the City and all rubbish on such property or streets are public nuisances and are subject to abatement by eradication and/or removal under the provisions of Sections 7.56.060 through 7.56.140.

SECTION 6. Section 7.56.040 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.040 - Destruction and Removal—Required.

It is unlawful for any person owning, occupying, renting, managing or controlling any real property in the City to cause or permit any ***vegetation*** ~~weeds~~, or to place, cause or permit any rubbish, to be or remain on such real property in the City or on portions of streets that join such real property to the centerline of the streets. It shall be the duty of every such person to remove or destroy such ***vegetation,*** ~~weeds~~ and/or rubbish. Removal or destruction by burning within the City is unlawful unless the written permission of the Fire Chief and such other public official or agency having lawful jurisdiction is first obtained.

SECTION 7. Section 7.56.050 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.050 - Destruction and Removal—Methods.

Brush and/or vegetation ~~Weeds~~ shall be removed or destroyed by utilizing the alternative methods of discing, rotovating, preventative chemical control, and cutting, or other process or processes as determined by the Fire Chief to be an efficient and economical means of abatement. Rubbish shall be removed to an approved dump site unless it is biodegradable and the Fire Chief

authorizes its burial on the property. The property owner shall be granted the option of using any of the approved methods if the Fire Chief finds that the use of such method is practical under the circumstances. ***Brush, vegetation,*** or rubbish, ***or all,*** when removed from the property shall be sported and disposed of only in the manner prescribed by applicable federal, state and local laws, and regulations adopted hereunder.

SECTION 8. Section 7.56.060 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.060 - Destruction and Removal—Notice.

A. On or before ~~November~~ ***February*** 15th of each calendar year, the ***F***~~F~~ire ***C***~~C~~hief shall inspect the real property and streets throughout the ***C***~~C~~ity to determine compliance with the provisions of this chapter. ***By March 1st of each calendar year, the Fire Chief*** ~~he~~ shall notify in writing each person owning, occupying, renting, managing or controlling any real property where ***brush,*** ~~weeds~~ ***vegetation or rubbish, or*** ~~both~~ ***all, which such conditions are a violation of the Vegetation Management and Brush Clearance Ordinance and constitute a nuisance under this chapter*** ~~exist offering such person the opportunity to cause weed abatement to be accomplished under the city's weed abatement program, and notifying such person that the deadline for completing abatement is May 1st of the next calendar year.~~

B. The notice shall ~~contain~~ ***state that each person must abate the nuisance conditions within 60 days of the issuance of said notice and that if the brush, vegetation, or rubbish, or all is not abated by May 1st of that same calendar year, the City shall undertake the abatement and bill the property owner for such abatement.***

C. The notice shall contain a description of the real property requiring ~~weed~~ abatement, which description may be the number of the lot and block and the name of the map, tract or subdivision in which the real property is located, or may be the street and number thereof assigned to the real property, or may be any other description by which the real property may be reasonably and readily identified. One or more lots or blocks of land may be described in the same notice.

D. A postcard shall accompany the notice whereon the person may state the option to do his/her own abatement work, or to place the property under the City's ~~weed abatement~~ ***brush and vegetation management*** program. If the postcard is not returned within ten days after delivery thereof as reflected in the postal return receipt, it shall be presumed that such person has authorized and directed the ~~weed~~ abatement work to be accomplished under the City's ~~weed abatement~~ ***brush and vegetation management*** program. The notice shall advise of said presumption. The notice shall further advise that whether or not the City receives a response within ten days, no further or additional notice will be given to the person.

E. The notice shall describe in general terms the methods of eradication and removal performed under the ***C***~~c~~ity's ~~weed abatement~~ ***brush and vegetation management*** program and set forth the amounts charged for the various units of work that could be done by the City or its weed abatement contractor.

SECTION 9. Section 7.56.070 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.070 - Destruction and ***R*~~r~~emoval—Service of ***N*~~n~~otice.

A. The notice provided for in Section 7.56.060 shall be sent by certified or registered mail and shall be deposited in the United States Post Office at Vallejo, California, with postage thereon fully prepaid, addressed to the person or persons listed as the owner of the real property in the most current equalized assessment roll of Solano County, including up-dated computer printouts, available to the fire chief at the time notice is prepared at ~~his or~~ their last known place of address as shown therein.

B. If no address is therein shown and none is otherwise available to the Fire Chief, then the notice shall be securely affixed to the real property at such a location thereon as to be most likely observed by any person entering the property. Service of notice by posting the property shall be deemed complete for purposes of this chapter ten days after the notice is actually affixed to the property.

C. In any instance where mailed notice is returned by the postal service undelivered because the person is not at that address and the Fire Chief has no further information as to a current mailing address for that person, the Fire Chief shall accomplish service of notice by posting the property in the manner prescribed in this section.

D. As an alternative to the-above described methods of service of the notice, the notice may be served by personal delivery of a copy of the notice to the person to be served. Service of a notice in this manner is deemed complete at the time of such delivery.

SECTION 10. Section 7.56.080 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.080 - Destruction and Removal—Large Parcels.

In any instance where the property involved is one-half acre or larger in size and/or is located in a sparsely populated area of the City, the Fire Chief may direct that proper firebreaks be cut in lieu of requiring that the ***brush and/or*** ~~weeds~~ ***vegetation*** be moved from or destroyed on the whole of such property.

SECTION 11. Section 7.56.090 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.090 - Destruction and Removal—By City—When.

A. Notwithstanding the receipt or non-receipt of the notice provided for under Section 7.56.060, If the person or persons owning, occupying, renting, managing or controlling any real property in the City fail, refuse, or neglect on or before May 1st of each calendar year to remove or destroy therefrom and from the portions of streets adjoining the property all ***brush***, ~~weeds~~ ***vegetation*** and rubbish in accordance with the provisions of this chapter, it shall be the duty of the fire chief, and his assistants, employees, contracting agents, or other representatives of the City, to destroy or remove such ***brush***, ***vegetation,*** or rubbish and they, and each of them, are expressly authorized to enter upon such property, whether

privately or publicly owned, for such purpose. It is unlawful for any person to interfere, hinder, or refuse to allow them to enter upon the property for such purpose~~, and to destroy or remove weeds or rubbish~~ in accordance with the provisions of this chapter.

B. Any person owning, occupying, renting, managing or controlling real property in the City shall have the right to destroy or remove ***brush***, ***vegetation,*** or rubbish, or ***all*** ~~both~~, or to have the same destroyed or removed at his own expense up to the time that the fire chief or his authorized representative or representatives give at the site to undertake such work. Then, the property shall be under the control of the ***F***fire ***C***~~c~~hief for the purpose of accomplishing the abatement work, and it is unlawful for any person to interfere, hinder, or obstruct the ***F***~~f~~ire ***C***~~c~~hief or his lawful representative or representatives in doing the work.

C. If the ***brush and/or vegetation*** ~~weeds~~ has been ~~have once been~~ removed or destroyed, but because of ~~their~~ ***its*** seasonal or recurrent nature ***are*** again found growing on the real property or portions of streets adjoining the property during the remainder of the calendar year, ~~it shall be the duty of~~ the ***F***~~f~~ire ***C***~~c~~hief ***may issue additional notices*** in writing ***to*** such person or persons owning, occupying, renting, managing or controlling the real property to destroy or remove the same within ten days after delivery of the notice, and the notice shall be given in the manner prescribed in Section 7.56.070. The notice shall also contain an estimate for the city, or its contractor, to remove the ***brush, vegetation,*** ~~weeds,~~ or rubbish, ***or all***. If the ~~weeds~~ ***brush or vegetation*** are not removed or destroyed within the time allotted in the notice, the ***F***~~f~~ire ***C***~~c~~hief shall then proceed to have them removed or destroyed in accordance with the provisions of this chapter.

D. Nothing in this chapter shall preclude the ***F***fire ***C***~~c~~hief or other ***City*** enforcement ***department*** ~~officer~~ from taking ***additional*** action to abate litter, refuse, rubbish ***brush,*** or ~~weeds,~~ ***vegetation*** under the provisions of Chapter 7.60 of this code, where it is determined that the public health, safety and welfare required more expeditious action to remove or destroy such hazardous or offensive material.

SECTION 12. Section 7.56.100 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.100 - Destruction and ***R***~~r~~emoval—By ***C***~~c~~ity—Cost ***R***~~r~~eport, ***B***~~b~~illing and ***A***~~a~~ccounting.

A. The ***F***~~f~~ire ***C***~~c~~hief shall promptly report in writing to the tax collector the cost of destruction or removal of ***brush,*** ~~weeds,~~ ***vegetation*** or rubbish, or ***all*** ~~both~~, which was done at the expense of the ***C***~~c~~ity, the dates same was done, and the name of the owner or owners and a description of the parcel or parcels upon which the weed abatement work was done, their mailing addresses, and any other information deemed pertinent.

B. Upon receipt of the report, the tax collector shall immediately bill the person or persons responsible for payment of the cost of the weed abatement work, together with an administrative charge as set by a resolution of the ***C***~~c~~ity ***C***~~c~~ouncil on file in the ***C***~~c~~ity ***C***~~c~~lerk's office, stating that the billing is due and payable within thirty days of its date, and if not paid within that time the amount thereof may become a lien on the property upon which the weed abatement work was performed and may be collected with taxes assessed on the secured tax roll of Solano County.

C. The tax collector shall keep an account of the costs, including administrative charges, incurred by the ***C***~~c~~ity to destroy or remove ***brush,*** ~~weed~~s, ***vegetation,*** and rubbish as aforesaid for each separate lot or parcel of land and the portions of streets adjoining the same and shall embody such account in a report and assessment list made to the ***C***ity ***C***ouncil, which report shall be filed with the ***C***~~c~~ity ***C***~~c~~lerk. Such report shall refer to each separate lot or parcel of land by description reasonably sufficient to identify the same, together with the expenses, including administrative charges, proposed to be assessed against it. The report and assessment list need not contain any reference to lots or parcels of land upon which weed abatement has been done at the expense of the ~~C~~city, if the cost thereof has been paid to the ~~C~~city prior to the preparation of the report and assessment list.

SECTION 13. Section 7.56.110 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.110 - Destruction and ***R***~~r~~emoval—By ***C***~~c~~ity—Notice of ***R***~~r~~eport and ***H***~~h~~earing.

A. The ***C***~~c~~ity ***C***~~c~~lerk shall post a copy of the tax collector's report and assessment list on the bulletin board near the entrance to the City Hall, together with notice of the filing thereof and the time and place when and where it will be submitted to the city council for hearing and confirmation. The tax collector shall mail to the person or persons whose property is mentioned in the report and assessment list and in the manner prescribed in Section 7.56.070, a notice in form substantially as follows:

ASSESSMENT FOR DESTRUCTION OR REMOVAL OF ~~WEEDS~~, ***BRUSH, VEGETATION,*** OR RUBBISH, OR ***ALL*** ~~BOTH~~, AND NOTICE OF HEARING TO CONFIRM ASSESSMENT

NOTICE IS HEREBY GIVEN that pursuant to the provisions of Chapter 7.56 of the Vallejo Municipal Code, the Fire Chief has destroyed or removed weeds, ***brush, vegetation*** or rubbish, or ***all*** ~~both~~, from real property owned, occupied, rented, managed or controlled by you and from portions of streets, alleys and sidewalks adjoining the same, which real property and the cost of said abatement work are as described and set forth on the enclosed billing.

NOTICE IS HEREBY FURTHER GIVEN THAT on _____ day of _____, ~~19~~ ***20***___, at the hour of _____, or as soon thereafter as the matter can be heard at _____, the report of the Tax Collector on the cost of destruction or removal of ***brush,*** ~~weeds~~***, vegetation,*** or rubbish, or ***all*** ~~both~~, and the assessment list thereof, will be presented to the _____ for consideration, correction and confirmation, and that at said time and place any and all persons interested in or having any objections to said report or list of proposed assessments, or to any matter or thing contained therein may appear and be heard. The failure to make any objection or protest to said report and list shall be deemed a waiver of same.

Upon confirmation of said assessment by the _____, the amount thereof will be due and payable. In the event the same is not paid within fifteen (15) days following confirmation, said assessment along with an additional fee as set by resolution of the City Council on file in the City Clerk's office will be added to the secured property tax roll of Solano County and thereafter shall become a lien on said property.

If you have any questions, or want additional information regarding this matter, please contact the Fire Prevention Section at ~~703 Curtola Parkway, Vallejo, California 94590~~ ***970 Nimitz Avenue, Vallejo, California, 94592***, phone (707) 648-4565.

DATED: _____

TAX COLLECTOR, City of Vallejo, California

B. The posting of the tax collector's report and assessment list and the mailing of notice to property owners as above provided for shall be done at lest ten days before the date of the hearing scheduled before the ***C***eity ***C***eouncil.

C. In every instance where weed abatement work has been performed at the expense of the city and a billing therefor has been rendered and is past due as of June 1st of any calendar year, the hearing for confirmation thereof shall be had by June 30th of that same calendar year; if the same is past due as of December 1st of any calendar year, the hearing for confirmation thereof shall be had by December 30th of that same calendar year.

SECTION 14. Section 7.56.120 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.120 - Destruction and removal—By ***C***eity—Hearing and ***C***eonfirmation.

At the time and place fixed for receiving and considering the tax collector's report and assessment list, the ***C***eity ***C***eouncil shall hear the same together with any protests or objections which may be raised or lodged by property owners or other interested persons. Upon the conclusion of such hearing, the ***C***eity ***C***eouncil shall make such corrections or modifications in any proposed assessment or assessments which it may deem to be excessive or otherwise incorrect after which such assessment or assessments shall be confirmed by resolution adopted by the ***C***eouncil. The ***C***eity ***C***eouncil may delete from the report and cancel any proposed assessment found improper or unjustified. The confirmation of the report and assessments by the ***C***eouncil shall be final and conclusive.

SECTION 15.Section 7.56.130 of the Vallejo Municipal Code is hereby amended to read as follows:

7.56.130 - Destruction and ***R***~~r~~emoval—By ***C***~~c~~ity—Effect of ***A***~~a~~ssessment—Notice of ***L***~~l~~ien.

A. It shall be permissible for any person to pay the amount of such assessment that has been imposed for the destruction and removal of ***brush,*** ~~weeds~~, ***vegetation*** or rubbish, or ***all*** ~~both~~, within fifteen days following the date of adoption of the council resolution confirming the assessment. If the assessment is not paid on or before said date, the total amount thereof shall be entered on the next succeeding fiscal year's secured tax roll of Solano County for that property, and the assessment shall thereupon become a lien against the property, and the amount of the assessment shall be collected at the time and in the manner of ordinary municipal taxes. The lien of the assessment shall have the priority of the taxes with which is it collected. If delinquent, the amount is subject to the same penalties and procedures of foreclosure and sale provided for ordinary municipal taxes.

B. If the property is owned by a public agency of the local, state or federal government, the assessment shall not be entered on the county tax roll, but rather collected in the same manner as other unsecured obligations due and owing to the city.

C. Further, if the assessment is not paid within fifteen days following the date of adoption of the City Council resolution confirming it, the Fire Chief may prepare and cause to be recorded in the office of the county recorder a notice of lien, which shall be in form approved by the City Attorney, and from the time of recording the notice of lien, the amount of the assessment shall be and constitute a lien upon the property having the force and effect of a judgment lien until released and discharged, or otherwise extinguished in the manner provided by law. When the assessment is paid, the Fire Chief shall promptly deliver to the person or persons entitled thereto a release of lien, which shall be in form approved by the city attorney, which may be recorded by such person or persons to extinguish the lien on the property. The Fire Chief shall not record a notice of lien against property owned by a public agency of the local, state or federal government.

SECTION 16. Severability. If any section, subsection, sentence, clause, phrase or word of this Ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have passed and adopted this Ordinance, and each one all provisions hereof, irrespective of the fact one or more provisions may be declared invalid.

SECTION 17. Effective Date. This Ordinance shall take effect and be in full force and effect from and after thirty (30) days after its final passage.

ORDINANCE NO. _____ N.C. (2d)

AN ORDINANCE OF THE CITY OF VALLEJO MUNICIPAL CODE AMENDING CHAPTER 7.62 OF THE MUNICIPAL CODE

NOW THEREFORE THE COUNCIL OF THE CITY OF VALLEJO DOES ORDAIN AS FOLLOWS:

SECTION 1. The Title of Chapter 7.62 of the Vallejo Municipal Code is hereby amended to read as follows:

Chapter 7.62 - VACANT ***REAL PROPERTY*** ~~BUILDINGS~~

SECTION 2. Section 7.62.010 of the Vallejo Municipal Code is hereby amended to read as follows:

7.62.010 - Title.

This chapter shall be known as the vacant ***real*** property ~~building~~ ordinance and may be cited as such.

SECTION 3. Section 7.62.020 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.020 - Findings and determination.

The city council finds and determines as follows:

A. Vacant ~~buildings~~ ***properties*** are a source of blight in the community. Such ~~buildings~~ ***properties***, if not well maintained and managed, significantly and adversely affect the general welfare of the citizens and property values within the community. Long-term vacant ~~buildings~~ ***properties*** that are not maintained and managed discourage economic development and impact the quality of life.

B. One vacant ***property*** ~~building~~ or vacant lot which is not actively and well maintained can be the core and cause of ~~spring~~ blight ***and nuisance conditions*** throughout a residential neighborhood or in a commercial or industrial area.

C. It is the responsibility of a property owner to prevent ***their*** ~~his or her~~ ***vacant*** property from becoming a burden to the community and a threat to the health, safety and general welfare of its citizens.

D. Because of the potential economic and public health, safety and welfare problems caused by vacant ~~buildings~~ ***properties***, there is a need to monitor such ~~buildings~~ ***properties*** so that they do not become attractive nuisances, are not used for criminal activities, are properly maintained, and do not become a blighting

influence. There are substantial costs to the city for monitoring properties, including personnel, materials, overhead and abating nuisance conditions associated with vacant properties. These costs should be borne by the owners of such vacant ~~buildings~~ ***properties***.

SECTION 4. Section 7.62.020 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.030 - Definitions.

A. "Accessory Dwelling Unit" shall mean any attached or detached residential dwelling unit which provides complete independent living facilities for one or more persons, which is not the primary residential structure on the property.

B. "Code enforcement manager" or "manager" shall mean the manager of the code enforcement division as designated by the city manager or the designated representative of the code enforcement manager.

C. "Commercial property" ***shall*** mean~~s~~ ***any property that has a commercial storefront that is used, or partially used, for commercial business activities including, but not limited to stores,*** office buildings, industrial property, medical centers, hotels, malls, retail stores, shopping centers, farm land, multifamily housing buildings, warehouses, garages and residential property containing more than four units.

D. "Commercial Storefronts" shall mean any commercial property located on the ground floor that has a storefront window that may be individually leased or rented for any purpose other than residential use.

E. "Days" shall mean calendar days. In the event the last day of the specified time period falls on a Saturday, Sunday or holiday observed by the city, the last days of the specified time period shall be extended to the next business day.

F. "Foreclosed" shall mean property for which the foreclosure process has begun with the filing of a notice of default.

G. "Property" shall mean any portion of unimproved or improved real estate which includes the buildings or structures located on it regardless of condition.

H. "Property owner" shall mean the owner or owners of record of real property as shown on the latest equalized assessment roll of Solano County and any person, partnership, co-partnership, association, corporation, beneficiary in a deed of trust, fiduciary, including a trustee or substitute trustee, or any other legal entity having a legal or equitable interest in the subject property as otherwise known to the code enforcement manager or other city official by virtue of more recent and reliable information, including any beneficiary that is pursuing foreclosure of a property subject to this ordinance secured by a mortgage, deed of trust or similar instrument or a property that has been acquired by the beneficial interest at a trustee's sale.

I. "Residential property" ***shall*** means any improved real property, or portion thereof, situated in the city of Vallejo, designed, built or permitted to be used for dwelling purposes, containing up to four units, specifically including the building and structure located on such improved real property. This includes any real property being offered for sale, trade, transfer or exchange as "residential," whether or not it is legally permitted or zoned for such use. ***For purposes of this chapter, residential property shall not include accessory dwelling units.***

J. "Storefront Window" shall mean any window of a commercial property that permits an unobstructed public view into the interior of the building from any immediately adjacent street, sidewalk or right-of-way.

K. "Vacant building" ***shall*** means any ***residential property or commercial property*** ~~building or structure~~ which is not occupied or used for more than thirty consecutive days, whether made vacant by voluntary action, fire or other damage, or as a result of enforcement action by the city.

L. "Vacant lot" shall mean a lot or parcel that is undeveloped.

M. "Vacant real property" shall mean any vacant lot and vacant building. For purposes of this chapter, vacant real property shall not include vacant lots or vacant buildings for which construction on the property is proceeding diligently to completion with active building permits, and shall not include property owned by a governmental entity providing adequate maintenance of their property on a monthly basis as determined by the City Manager.

N. "Violation" shall mean one or more violations of the provisions of this chapter.

SECTION 5. Section 7.62.035 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.035 - Registration requirements for foreclosed and vacant ***real property*** ~~residential buildings~~.

A. The registration requirements under this section shall apply to ***all*** ~~residential property~~ foreclosed and vacant real property located within the city of Vallejo. ~~Commercial property, as defined in this chapter, shall be exempt from the registration requirements contained in this section.~~

B. Any property owner who holds any property interest in any vacant ~~residential building~~ ***real property*** subject to this section where such property is located within the city of Vallejo must register the property with the code enforcement division of the city of Vallejo, on registration forms furnished by the city of Vallejo. The registration form must identify and have contact information stating who initiated the recording of the notice of default, ***if applicable***, and who will be performing the maintenance obligations related to the property which are required in this chapter and in the Vallejo Municipal Code.

C. The registration requirement is triggered within ten days after either of the following occurs:
   1. The ~~building~~ ***real property*** becomes ~~a~~ ~~"~~vacant ~~building"~~ ***and*** subject to this section; or
   2. A notice of default has been recorded.

D. For vacant ~~residential~~ buildings which became vacant or had a notice of default recorded prior to the effective date of this ordinance, the registration requirement is triggered within ten days of the effective date of this ordinance. The registration requirement for all ~~vacant and~~ foreclosed ***and vacant*** ~~residential properties~~ ***real property*** continues until the property is legally occupied by permanent tenants, at which time the property owner will notify the code enforcement manager that the property is legally occupied by furnishing an executed lease, deed, or other proof of legal occupancy.

E. For ***all*** ~~vacant and~~ foreclosed ***and vacant*** ~~residential buildings~~ ***real property*** subject to registration because a notice of default has been recorded, the registration requirement is triggered for the existing property owner within ten days of the recording of the notice of default, and for the new property owner, it is triggered within ten days of acquiring the property at a trustee sale and such requirement continues until the property is legally occupied, and the property owner notifies the code enforcement manager that the property is legally occupied via executed lease, deed, or other proof of legal occupancy.

F. The Vallejo city council shall establish a registration fee by resolution. A registration fee per property shall accompany the registration form. ~~The fee and registration shall be valid for the calendar year, or remaining portion of the calendar year, in which the registration was initially required. Subsequent registrations and fees are due January 1st of each year and must be received no later than January 31st of the year due. Registration fees will not be prorated.~~

SECTION 6. Section 7.62.036 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.036 - Responsibility for property maintenance and inspections.

A. Every property owner ***of foreclosed and vacant real property***, as defined by this chapter, within the city of Vallejo is responsible for maintaining their property to the applicable standards set forth in Chapters 7.54, ~~and~~ 7.62 ***and 7.63*** of the Vallejo Municipal Code.

B All property owners of ~~vacant and~~ foreclosed ***and vacant real*** ~~residential~~ property subject to the registration requirements in this chapter shall also have the obligation to perform an initial maintenance inspection within ten days after

becoming subject to the registration requirement, and thereafter, monthly maintenance inspections of the property to ensure that the property is free of trespassers and squatters, and that it complies with all applicable laws and ordinances, including Chapters 7.54, ~~and~~ 7.62 ***and 7.63*** of the Vallejo Municipal Code. Such inspections shall continue until the subject property is no longer subject to the registration requirement and becomes legally occupied. Evidence of subject inspections in the form of comprehensive property pictures and brief written reports shall be submitted to the code enforcement division within ten days after each monthly inspection. A property owner's failure to submit the required inspection evidence to the code enforcement division within ten days of the inspection, is punishable by a fine of two hundred dollars a day for every day that the required inspection evidence is not submitted to the code enforcement division, unless the property owner contacts and receives an extension of time for submittal from the code enforcement manager.

1. In the event a property owner resides out of county or out of state, the property owner's obligation to inspect ***their*** ~~his or her~~ property shall be satisfied by contracting with an appropriate service provider to inspect and maintain the registered property in accordance with this chapter and by providing such contract to the code enforcement manager.
2. All ***foreclosed and vacant real*** properties subject to the registration requirement shall also be posted with the name and twenty-four-hour toll-free contact phone number of the property owner, or the agent of the property owner responsible for the inspection and maintenance of the property. The posting shall be no less than eight and one-half inches by eleven inches and shall contain, along with the name and twenty-four-hour toll-free contact number, the words "THIS PROPERTY MANAGED BY" and "TO REPORT PROBLEMS OR CONCERNS CALL" or similar ***and "NO TRESPASSING."*** The posting shall be placed in a window adjacent to the entry door or attached to the exterior of the entry door. Exterior posting must be constructed of and printed with, or contained in, weather-resistant materials.
    a. ***For vacant buildings, the posting shall be placed in a window adjacent to the entry door or attached to the exterior of the entry door. Exterior posting must be constructed of and printed with, or contained in, weather-resistant materials.***
    b. For vacant lots, the posting shall include "NO TRESPASSING" in prominent letters and be placed on a sign constructed of and printed with weather resistant materials and be four feet by four feet in size. This sign shall have lettering of not less than six

inches high. The sign must be clearly visible from the public right-of-way.

c. Whether the vacant building requirements in section 7.62.040, or the vacant lot requirements in section 7.62.045, or both, apply to vacant real property will be in the reasonable discretion of the code enforcement manager.

SECTION 7. Section 7.62.040 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.040 - Vacant building requirements.

A. The property owner of any vacant building shall cause the building to be rehabilitated for occupancy within thirty days after the building becomes vacant. ***All vacant buildings must have functioning windows and doors at all times. Boarding up of windows and doors may be done as a temporary emergency fix in case the window(s) or door(s) break. However, the property owner must replace such boards with functioning window(s) and/or door(s) within 90 days of the break.***

B. ***The property owner of any vacant building shall preserve the interior of the building from damage by the elements or plumbing leak, and keep it free from accumulation of garbage and other debris, and from infestation by rodents, insects, or other pests.***

C. The property owner of any vacant building shall not allow the building to stand vacant for more than thirty days, unless one of the following ***three circumstances*** applies:

1. The building is the subject of an active building permit for authorized repair or rehabilitation and the property owner is progressing diligently to complete the repair or rehabilitation.
2. The building meets all codes, is ready for occupancy, and is actively being offered for sale, lease or rent.
3. The code enforcement manager determines that the building is both registered pursuant to Section 7.62.035 ~~of this chapter~~, and does not contribute to and is not likely to contribute to blight because the property owner is actively maintaining and monitoring the building so that it does not contribute to blight. Active maintenance and monitoring shall include ***but is not limited to***:
    a. Maintenance of landscaping and plant materials in good condition;
    b. Maintenance of the exterior of the building, including, but not limited to, paint and finishes, in good condition;
    c. Regular removal of all exterior trash, debris, weeds, litter and graffiti;

d. Maintenance of the building in continuing compliance with all applicable codes and regulations; and

e. Prevention of criminal activity on the premises of the subject building.

SECTION 8. Section 7.62.045 of the Vallejo Municipal Code shall be added to read as follows:

7.62.045 - Vacant lot requirements.

The property owner of any vacant lot shall not allow the lot to stand vacant for more than thirty days, unless one of the following three circumstances applies:

1. The vacant lot meets all codes and is actively being offered for sale.

2. The vacant lot is the site of a project for which land use and building permits are being actively pursued and construction is imminent or under way, in the discretion of the code enforcement manager.

3. The code enforcement manager determines that the vacant lot is both registered pursuant to Section 7.62.035, and does not contribute to and is not likely to contribute to blight because the property owner is actively maintaining and monitoring the vacant lot so that it does not contribute to blight. Active maintenance and monitoring shall include all of the following:

a. Maintenance of landscaping and plant materials in good condition;

b. Regular removal of all exterior trash, debris, weeds, litter and graffiti;

c. Maintenance of the vacant lot in continuing compliance with all applicable codes and regulations; and

d. If requested by the code enforcement manager pursuant to Section 7.62.055, good quality attractive permanent fencing and security measures that effectively prevent trespassers and deter criminal activity.

SECTION 9. Section 7.62.050 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.050 – Securing ***vacant buildings*** from trespassers.

All vacant buildings subject to this chapter shall be made secure from trespassers in the following manner:

1. All doors and windows of the building shall be in good, working condition and locked.

2. All broken doors and windows shall be replaced ~~or, with the consent of the code enforcement manager, shall be covered in a manner acceptable to the code enforcement manager~~ ***immediately, or with the consent of the code enforcement***

manager, broken doors and windows may be temporarily covered with boards for no longer than ninety days.

3. The code enforcement manager, in ***their*** ~~his or her~~ discretion, may require securing the property with steel panels, or having all windows and doors installed, ***permanent fencing around the lot in accordance with Section 7.62.055*** and a working theft-prevention system with an active account with a third-party security company, or any other reasonable measures to prevent trespassers. All property vacant for at least three months may be required to have lighting at entrances and exits from dusk until dawn. All entrance/exit lighting must be installed with automatic timers in accordance with any applicable city codes.
4. A property owner's failure to secure the property from trespassers is a violation of this ~~Code~~ ***chapter*** and, in addition to any other remedy at law or in equity, is punishable by a fine of two hundred dollars a day for every day the property is not secured.

SECTION 10. Section 7.62.055 of the Vallejo Municipal Code shall be added to read as follows:

7.62.055 - Securing vacant lots from trespassers.

A. Vacant lots shall be secured from trespassers as follows:

1. "No trespassing" signs shall be posted consistent with Section 7.62.036.

2. The owner shall install a split rail fence or permanent steel fencing enclosing and securing the vacant lot if the vacant lot has been the site of three or more citizen complaints or citations in a two-year period for any of the following:

a. Illegal dumping or the presence of refuse;

b. Trespassing;

c. Unauthorized camping;

d. Unauthorized fire/burning.

B. All fencing must be provided with a gate to allow access to the vacant lot for emergency services and such fencing shall be maintained in good condition at all times by the property owner. Chain link fencing is not an authorized fencing material as a means of securing vacant lots. Broken or open permanent fences shall be repaired or replaced within seven days of notification by the city.

SECTION 11. Section 7.62.060 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.060 - ***Passive security for*** ~~barricading of~~ alcoves and entry courts.

For any ***vacant*** building which is located within one foot of a public right-of-way, any alcove or entry court which has a horizontal depth of four or more feet (measured from the edge

of the structure adjacent and parallel with the public right-of-way) shall be ~~closed by the erection of a solid barricade extending from edge to edge along the front of the alcove or entry court~~ ***secured using design features which deter threats while remaining largely invisible to its users, such as by installing a security alarm system or placing stainless steel or aluminum artistic or perforated artistic protective barriers in lieu of plywood or bollards.*** ~~The barricade shall be constructed of tight boards of one-half plywood and shall be of a height of not less than eight feet above the front grade of the alcove or entry court. Doorways may be cut in the barricade if doors protect them and kept closed and locked. That portion of the barricade fronting upon the public right-of-way shall be covered with a weather-resistant paint or stain.~~

SECTION 12. Section 7.62.080 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.080 - Removal or repair of existing awnings ***of vacant buildings***.

Existing awnings shall be removed or repaired in a manner acceptable to the code enforcement manager.

SECTION 13. Section 7.62.090 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.090 - Removal or repair of marquees ***of vacant buildings***.

Any marquee extending over the public right-of-way that is in need of repair shall be removed or repaired in a manner acceptable to the code enforcement manager.

SECTION 14. Section 7.62.100 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.100 - Responsibility for property maintenance.

A. Every property owner within the city is required to maintain ***and monitor*** their property in a manner that does not violate the provisions of this chapter and applicable property maintenance ordinances, and such owner remains liable for any violation regardless of any contract or agreement with any third party regarding such property.

B. Every occupant, lessee, tenant or holder of any interest in real property, other than the owner thereof, who has assumed responsibility for maintenance of such property under the terms of a written lease, rental agreement or other contractual arrangement, and to the extent of that legal responsibility, shall maintain the

property in a manner so as not to violate the provisions of this chapter. At the request of the code enforcement manager, the person claiming a limitation on ***their*** ~~his or her~~ responsibility for maintenance shall produce for inspection the document establishing such limitation.

C. To the extent authorized by law, the code enforcement manager may enter on such property at reasonable times to make inspections.

SECTION 15. Section 7.62.110 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.110 – Vacant ~~building~~ ***real property*** monitoring.

Any and all vacant ~~buildings are~~ ***real property is*** subject to monitoring by the code enforcement manager. Monitoring is required to ensure compliance with this chapter and to ensure that the property owner is progressing diligently with authorized repair or rehabilitation, the building is ready for occupancy and actively offered for sale, lease or rent, or the property owner is actively maintaining and monitoring the building.

SECTION 16. Section 7.62.120 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.120 – Vacant ~~building~~ ***real property*** monitoring fee.

A. ***Annual*** Fee Imposed. There is imposed on every property owner of ***vacant*** ~~building~~ ***real property*** an annual ~~building~~ monitoring fee. The amount of this fee shall be established by city council resolution based on the reasonable cost of monitoring the vacant ~~building~~ ***real property***. The fee shall be payable as to any vacant ~~building~~ ***real property*** which is vacant for more than thirty days for any reason. ***The fee shall be valid for the calendar year, or remaining portion of the calendar year, in which the property was initially registered. Subsequent annual monitoring fees are due January 1st of each year and must be received no later than January 31st of the year due. Monitoring fees will not be prorated.***

B. Fee Waiver. The vacant ~~building~~ ***real property*** monitoring fee may be waived by the code enforcement manager if the manager finds ***that the vacant real property is duly registered and, in their discretion, finds that***:

1. The property owner has obtained ***a land use entitlement or*** a building permit and is progressing diligently with authorized ***construction***, repair or rehabilitation to ready the building for occupancy; or
2. The vacant ~~building~~ ***real property*** meets all applicable codes, ***is not likely to become a nuisance, is the subject of weekly inspections and bi-weekly***

landscape maintenance and is actively being offered for sale, lease or rent; or

3. Based on evidence provided by the property owner, the payment of the fee would impose a substantial hardship on the property owner or would hinder the repair or rehabilitation of the vacant ~~building~~ ***real property***; or
4. ***The property owner demonstrates to the satisfaction of the code enforcement manager that there is an ongoing contract to secure and maintain real property in compliance with the Vallejo Municipal Code.***
5. ***The waiver granted in this section may be rescinded at any time if the code enforcement manager finds that violations of the Vallejo Municipal Code are present on the real property. In such an event, the code enforcement manager shall send a notice as described in (C) below.***

C. Procedure. The code enforcement manager shall send a notice requiring the payment of the annual vacant ~~building~~ ***real property*** monitoring fee to the property owner at the address shown on the latest equals assessment roll of Solano county or as otherwise known to the manager or other city official by virtue of more recent and reliable information. The notice shall be sent first class mail and certified mail, ~~return receipt requested~~. The effective date of the notice is the date of the first class mailing. The notice shall include but not be limited to the following:

1. Amount of fee;
2. Date by which fee is due and payable;
3. Consequences of not paying the fee, including but not limited to, the issuance of administrative citations, imposition of fines and administrative charges or other legal remedies available to the city; and
4. Procedure for requesting a hearing to ~~contest the requirement for~~ ***request a waiver of*** the fee.

D. Fee Payment. The property owner shall pay the fee to the city within thirty days of the effective date of the notice.

SECTION 17. Section 7.62.180 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.180 - Notification of violation.

A. Notice of Violation. Whenever the code enforcement manager has found a ~~building~~ ***vacant real property*** in violation of any provision of this chapter, ***they*** ~~he or she~~ shall give written notice to the property owner specifying the violations and indicating the corrective action required under this chapter. Such notice shall be served on the property owner in accordance with the provisions of Section 7.62.190, and shall include but not be limited to the following:

1. A description of the violations;
2. A statement of the corrective action required under this chapter;
3. A statement that the time limit for abating the violation shall not exceed twenty days after the date on which the notice is served pursuant to Section 7.62.190, unless the code enforcement manager determines there are circumstances of hardship that warrant additional time for abatement;
4. A statement of the consequences of not abating the violation within the time specified in the notice;
5. Amount of the administrative charge owed the city pursuant to Section 7.62.260, a statement that the administrative charge must be paid no later than thirty days after the date the notice was served and a statement of the consequences of not paying the administrative charge;
6. A statement of the process to appeal the notice of violation, amount of the appeal fee and procedure for requesting an appeal fee waiver pursuant to Section 7.62.210; and
7. A statement that if abatement is not completed within the twenty-day period, the work may be completed by the code enforcement manager and the cost of such work assessed against the property as a lien or special assessment.

B. Hazardous Conditions. If the code enforcement manager or other city employees designated by the city manager determine the violation to be immediately dangerous to the general welfare, health and safety, the same may be summarily abated without ***further*** compliance with the provisions of this chapter.

SECTION 18. Section 7.62.190 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.190 - Notice of violation—Service.

Notice shall be served in one of the following methods:

A. The code enforcement manager may personally serve the notice on the property owner. The notice shall become effective on the date of personal service.

B. The code enforcement manager may mail the notice by first class mail and certified mail ~~return receipt requested~~, to the property owner ***or their agent for service of process either*** at the address shown on the county's last property tax assessment rolls or to any other address known for the property owner ***or agent for service of process***. The notice shall become effective on the date of the first class mailing.

C. The code enforcement manager may post the property where the violation occurs with the notice in a conspicuous place when the property owner resides at an unknown address. A copy of the notice shall also be sent by first class mail to the

property owner at the property where the violation occurs. The notice shall become effective on the date of the posting of the property.

D. The failure of any property owner to receive the notice shall not affect the validity of any proceedings taken under this chapter.

SECTION 19. Section 7.62.200 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.200 - Notice of violation—Appeal.

A. Any property owner who is the recipient of a notice of violation may appeal the notice and may request a hearing before the code enforcement appeals board as follows:

1. An appeal form shall be obtained from the code enforcement manager. The completed appeal form shall be filed with the manager within fifteen days of the effective date of the notice together with an appeal fee as established by resolution by the city council or a request for an appeal fee waiver pursuant to Section 7.62.210.
2. Only after the completed appeal form has been filed together with the appeal fee or with an approved appeal fee waiver shall the code enforcement manager set the date for a hearing. The hearing shall be set for a date not less than fifteen days nor more than sixty days after the manager received the request.
3. The appellant may request one continuance, but in no event shall the hearing be continued more than thirty days after the date of the originally scheduled hearing unless the code enforcement manager finds that circumstances of hardship warrant a longer continuance not to exceed ninety days after the date of the originally scheduled hearing.
4. The appellant shall be notified by first class mail and certified mail ~~return receipt requested~~, of the date, time and place set for the hearing. Such notice shall be sent at least ten days prior to the date of the hearing. The notice shall include a statement that if the property owner is found to be in violation of this chapter, then the city may pursue any and all legal and equitable remedies for the recovery of unpaid abatement costs and administrative charges. The notice shall be sent to the appellant at the address provided on the completed appeal form. Failure of the appellant to receive such notice shall not affect the validity of any proceedings taken under this chapter.
5. Any documentation, other than the notice of violation, which the code enforcement manager has submitted or will submit to the code

enforcement appeals board shall be served on the appellant at least three days before the hearing.

B. Failure of any property owner to file an appeal in accordance with the provisions of this section shall be deemed to waive ***their*** ~~his or her~~ right to an appeal hearing.

SECTION 20. Section 7.62.210 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.210 - Notice of violation—Appeal fee waiver.

Any property owner who requests a hearing to appeal any notice of violation and is financially unable to pay the appeal fee as required in Section 7.62.200 may file a request for an appeal fee waiver as follows:

A. The request for waiver shall be made on a form obtained from the code enforcement manager and submitted to the code enforcement manager within fifteen days of the effective date of the notice and order to secure.

B. The code enforcement manager may issue an appeal fee waiver only if the person requesting the waiver submits a sworn affidavit together with any supporting documents demonstrating to the satisfaction of the manager the person's financial inability to deposit with the city the full amount of the fee in advance of the appeal hearing.

C. The code enforcement manager shall issue a written decision specifying the reasons for issuing or not issuing the waiver within ten days of the receipt of the request. The decision of the manager shall be final.

D. If the code enforcement manager determines a waiver is not warranted, the property owner shall remit the appeal fee within ten days of the determination. If the manager does not receive the appeal fee within this time period, the request for hearing shall not be accepted and shall constitute a failure of the property owner to exhaust ***their*** ~~his or her~~ administrative remedies.

SECTION 21. Section 7.62.270 of the Vallejo Municipal Code shall be amended to read as follows:

7.62.270 - Recovery of vacant ~~building~~ ***real property*** monitoring fees, abatement costs and administrative charges.

A. Cumulative Remedies. At its discretion, the city may pursue any and all legal and equitable remedies for the recovery of vacant ~~building~~ ***real property*** monitoring fees, abatement costs and/or administrative charges owed to the city. Pursuit of one remedy does not preclude the pursuit of any other remedies until the total of

vacant ~~building~~ ***real property*** monitoring fees, abatement costs and administrative charges have been recovered.

B. Any property owner who fails to pay any vacant ~~building~~ ***real property*** monitoring fee, abatement costs or administrative charges owed to the city shall be liable in any action brought by the city for costs incurred in securing payment of the delinquent amount. The city's collection costs may include, but are not limited to, those for personnel, materials, overhead, attorney fees and any other city expenditure required to collect unpaid vacant real property monitoring fee, abatement costs or administrative charges.

C. Liens. The amount of any unpaid vacant ~~building~~ ***real property*** monitoring fee, abatement costs and/or administrative charges may be made a lien on the real property on which the violation occurred. The lien shall attach when the manager or ***their*** ~~his or her~~ designee records a lien listing unpaid vacant real property monitoring fee, abatement costs and/or administrative charges with the county recorder's office. The lien shall specify the amount of the lien, the street address, legal description, and assessor's parcel number of the parcel on which the lien is imposed, and the name and address of the record owner of the parcel. In the event that the lien is discharged, released, or satisfied, either through payment or foreclosure, notice of the discharge containing the information specified above shall be recorded by the director or ***their*** ~~his or her~~ designee. The lien may be foreclosed by an action brought by the city for a money judgment.

D. Special Assessments.

1. The code enforcement manager may initiate proceedings to make a vacant ~~building~~ ***real property*** monitoring fee, abatement costs and/or administrative charges a special assessment against the property where the violation occurred. The manager shall transmit a report of delinquent vacant ~~building~~ ***real property*** monitoring fees, abatement costs and/or administrative charges to the board. Upon receipt of the report, the board shall fix a schedule for hearing the report and any protests or objections thereto and to confirm the amount of the vacant ~~building~~ ***real property*** monitoring fees, abatement costs and/or administrative charges contained in the report.

2. The manager shall send notice of the hearing schedule before the board to the property owner by first class mail and certified mail, at least fifteen days prior to the date of the hearing. The notice shall be mailed to the property owner's address shown on the last Solano county equals property tax assessment roll or to any other address known for the property owner. The effective date of the notice is the date of the first class mailing. The notice shall set the date and time by which objections or protests shall be

filed with the manager. No objection or protest received after that date shall be considered by the board.

3. At the time fixed for consideration of the report, the board shall hear it together with any objections or protests of any property owner. The board shall limit its scope of review to the manager's report detailing the vacant real property monitoring fee, abatement costs and/or administrative charges together with any objections to its accuracy. The board shall not consider evidence regarding the merit of any previous administrative hearings or the validity of the abatement action. The board may modify the report as it may deem just. After hearing all objections and making any modifications to the report, the board shall confirm the report. The manager shall notify any property owner who filed an objection or protest of the board's decision regarding their objection within ten days of the date of the hearing. The decision of the board is final.

4. Upon confirmation of the report by the board, the vacant ~~building~~ ***real property*** monitoring fee, abatement costs and/or administrative charges shall constitute a special assessment against the property where the violation occurred. The manager shall file a certified copy of the confirmed report with the Solano county auditor/controller's office and the amount of the special assessment shall be entered on the assessment roll against the parcels listed in the report. Thereafter, such assessments may be collected at the same time and in the same manner as ordinary secured property taxes are collected and shall be subject to the same penalties and same procedures of sale as provided for delinquent ordinary secured property taxes. The assessments shall be subordinate to all existing special assessment liens previously imposed upon the property and paramount to all other liens except those for state, county and municipal taxes with which they shall be upon parity. All laws applicable to the levy, collection and enforcement of secured property taxes shall be applicable to such special assessments.

D. Recovered vacant ~~building~~ ***real property*** monitoring fees, abatement costs and administrative charges shall be deposited in the city's general fund to support code enforcement activities.

SECTION 22. Severability

If any section, subsection, sentence, clause, phrase or word of this Ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it

would have passed and adopted this Ordinance, and each and all provisions hereof, irrespective of the fact one or more provisions may be declared invalid.

SECTION 23. Effective Date.

This Ordinance shall take effect and be in full force and effect from and after thirty (30) days after its final passage.

ACTION ITEM 8.C.

DATE: March 24, 2020

TO: Mayor and Members of the City Council

FROM: Randy J. Risner, City Attorney

SUBJECT: **CONSIDERATION OF ADOPTION OF A RESOLUTION RATIFYING AN ORDER OF THE DIRECTOR OF EMERGENCY SERVICES FOR THE CITY OF VALLEJO ORDERING A LIMITATION ON RESIDENTIAL AND COMMERCIAL EVICTIONS ARISING FROM A SUBSTANTIAL DECREASE IN HOUSEHOLD OR BUSINESS INCOME RELATED TO COVID-19**

RECOMMENDATION

Staff recommends that the City Council adopt A Resolution of the City Council of the City of Vallejo Ratifying an Order of the Director of Emergency Services for the City of Vallejo Ordering a Limitation on Residential and Commercial Evictions Arising from a Substantial Decrease in Household or Business Income Related to COVID-19.

REASONS FOR RECOMMENDATION

Vallejo Municipal Code section 2.50.070 allows the Director of Emergency Services to issue "rules and regulations" designed to protect the life and property of residents. That same section requires that any such rules and regulations be brought to the City Council and ratified at the "earliest practible time. . ."

BACKGROUND AND DISCUSSION

At its meeting on March 10, 2020, the City Council adopted a resolution proclaiming a local emergency resulting from the spread of the coronavirus. Adoption of such a resolution grants to the Director of Emergency Services broad powers designed to assist the residents of the City of Vallejo during the life of the emergency. On March 17, 2020, the Director of Emergency Services (which is the same as the City Manager), issued An Order of the Director of Emergency Services for the City of Vallejo Ordering a Limitation on Residential and Commercial Evictions Arising from a Substantial Decrease in Household or Business Income Related to COVID-19. Vallejo Municipal Code section 2.50.070D1 requires that the City Council confirm, or ratify such orders at the earliest practicable time. The previously referenced order is before the City Council for confirmation.

FISCAL IMPACT

The order before the City Council will have no significant financial impact on the City of Vallejo.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

AN ORDER OF THE DIRECTOR OF EMERGENCY SERVICES FOR THE CITY OF VALLEJO ORDERING A LIMITATION ON RESIDENTIAL AND COMMERCIAL EVICTIONS ARISING FROM A SUBSTANTIAL DECREASE IN HOUSEHOLD OR BUSINESS INCOME RELATED TO COVID-19

WHEREAS, COVID-19, commonly known as the novel Coronavirus, has spread throughout the United States and sometimes causes severe illness and death among the elderly and those with pre-existing conditions; and

WHEREAS, the President of the United States has declared a national emergency as a result of the Coronavirus; and

WHEREAS, the Governor of the State of California has declared a state emergency as a result of the Coronavirus; and

WHEREAS, the County of Solano has declared a county-wide emergency as a result of the Coronavirus; and

WHEREAS, the City of Vallejo has declared a City-wide emergency as a result of the Coronavirus on March 16, 2020 by Resolution No.20-026; and

WHEREAS, on March 16, 2020, Governor Gavin Newsom issued Executive Order N-28-20 allowing local jurisdictions to restrict evictions in response to loss of income caused by or related to COVID-19; and

WHEREAS, residents of the state and of the City of Vallejo ("City") have been dramatically impacted by COVID-19 and federal, state and local government responses thereto; and

WHEREAS, businesses in the state and in the City of Vallejo have lost business income as well as employees as a result of COVID-19 and federal, state and local government responses thereto; and

WHEREAS, in many cases, loss of income from a job or a business has and will create undue hardship on the employee or business owner; and

WHEREAS, such undue hardship will require an employee or business owner to decide whether to provide for family or to pay the rent for a residence or business premises; and

WHEREAS, the City has an important governmental interest in maintaining a vibrant and thriving residential and business community by limiting and restricting evictions so that employees and businesses owners have an opportunity to recover from the governmental actions resulting COVID-19.

WHEREAS, Section 2.50.070(D)(1) of the City of Vallejo Municipal Code empowers the Director of Emergency Services to make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by any emergency proclaimed by the Director of Emergency Services or by the City Council.

NOW THEREFORE, IT IS HEREBY PROCLAIMED AND ORDERED that all residential and commercial evictions in the City of Vallejo based upon the following are hereby prohibited:

1. Any eviction proceeding based upon the nonpayment of rent or foreclosure arising out of a substantial decrease in household or business income (including but not limited to, a substantial decrease in household income caused by layoffs or a reduction in the number of compensable hours of work, or a substantial decrease in business income caused by a reduction in opening hours or consumer demand), or substantial out-of-pocket medical expenses; and

2. The decrease in household or business income or the out-of-pocket medical expenses described in the preceding paragraph was caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19, and is documented.

IT IS FURTHER ORDERED that no landlord or property owner may evict or otherwise eject a tenant or occupant of residential or commercial real property by using the judicial foreclosure provisions of Code of Civil Procedure section 725a et seq. or the statutory cause of action for unlawful detainer set forth in Code of Civil Procedure section 1161 et seq. or any other statutory cause of action that is intended to evict or otherwise eject a residential or commercial tenant or occupant of residential real property after foreclosure.

IT IS FURTHER ORDERED that the City shall not disconnect or otherwise restrict access to the City's water system by any residential or business customer for failure to timely pay for such services arising out of an inability to pay caused by any of the reasons set forth in the paragraphs numbered 1 and 2 above. This section shall not apply to any water customer whose service was disconnected or otherwise terminated prior to March 1, 2020.

IT IS FURTHER ORDERED that this order does not relieve any tenant of the obligation to pay rent nor does it deprive any landlord the right to collect rent.

IT IS FURTHER ORDERED that this order shall remain in effect until the proclamation of emergency adopted by the City Council in Resolution No. 20-026 is terminated by the City Council.

IT IS FURTHER ORDERD that this order shall be presented to the City Council for ratification at the earliest possible time.

WHEREAS, the City of Vallejo has declared a City-wide emergency as a result of the Coronavirus on March 16, 2020 by Resolution No.20-026; and

WHEREAS, conditions of potentially extreme peril to the safety of persons and property have arisen within the City of Vallejo because of the novel coronavirus; and

WHEREAS, the extreme peril commenced on or about March 13, 2020; and,

WHEREAS, the conditions of extreme peril warrant and necessitate certain orders by the Director of Emergency services; and,

WHEREAS, the County of Solano, and City of Vallejo recommend the citizens of Vallejo follow the United States Government's recommendation to restrict all public and private gatherings to no more than ten individuals to prevent the spread of the Coronavirus; and

WHEREAS, Section 2.50.070(D)(1) of the City of Vallejo Municipal Code empowers the Director of Emergency Services to make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency; and,

WHEREAS, on March 17, 2020, the Director of Emergency Services executed An Order Of The Director Of Emergency Services For The City Of Vallejo Ordering A Limitation On Residential And Commercial Evictions Arising From A Substantial Decrease In Household Or Business Income Related To Covid-19, a copy of which is attached hereto as Exhibit A.

NOW THEREFORE, BE IT RESOLVED as follows:

1. That the City Council has reviewed Exhibit A and finds it to be a reasonable exercise of the emergency powers of the Director of Emergency Services.

2. That the City Council hereby ratifies the Exhibit A, which shall remain in force until the City Council determines that the current emergency no longer exists.

ACTION ITEM 8.D.

DATE: March 24, 2020

TO: Mayor and Members of the City Council

FROM: Shannon Eckmeyer, Assistant City Attorney

SUBJECT: **CONSIDERATION OF ADOPTION OF A RESOLUTION RATIFYING AN ORDER OF THE DIRECTOR OF EMERGENCY SERVICES FOR THE CITY OF VALLEJO ORDERING CURB-SIDE CANNABIS**

RECOMMENDATION

Adopt the attached Resolution ratifying an Order of the Director of Emergency Services of the City of Vallejo Ordering Curb-Side Cannabis (Order).

REASONS FOR RECOMMENDATION

Section 2.50.070(D)(1) of the City of Vallejo Municipal Code (VMC) empowers the Director of Emergency Services to make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency. These actions must be confirmed at the earliest practicable time by the City Council.

The Director of Emergency Services issued the attached Order on March 18, 2020 to allow cannabis retailers to provide curb-side pick-up of cannabis.

BACKGROUND AND DISCUSSION

The City Council declared a City-wide emergency as a result of the novel Coronavirus. The Coronavirus has spread throughout the United States and sometimes causes severe illness and death among elderly and those with pre-existing conditions.

The County of Solano and the City of Vallejo recommend that all citizens follow the United State Government recommendation to restrict all public and private gatherings to no more than ten individuals to prevent the spread of the Coronavirus. Cannabis retailers are considered are deemed "Essential Businesses." To be able to serve cannabis products to clients, the retailers can continue to operate by providing curb-side pick-up. By ratifying the Order the City is providing clear guidance that curb-side pick up of cannabis goods is permitted.

FISCAL IMPACT

Depending upon the severity of the spread of the Coronavirus, there may or may not be a fiscal impact on the City. If the virus continues to spread and there is a widespread impact upon the national, state and local economy, sales taxes could be greatly reduced. Such a reduction would reduce revenues to the City. Further, depending upon the severity of the emergency, the City may have to expend funds in its General Fund, and potentially its reserves, to combat the virus and to continue operations during the emergency.

There is no direct fiscal impact to the General Fund by ratifying the attached Resolution.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

SUBJECT: **CONSIDERATION OF ADOPTION OF A RESOLUTION RATIFYING AN ORDER OF THE DIRECTOR OF EMERGENCY SERVICES OF THE CITY OF VALLEJO ORDERING DELIVERY SERVICES FOR ESSENTIAL BUSINESSES**

RECOMMENDATION

Adopt the attached Resolution ratifying an Order of the Director of Emergency Services of the City of Vallejo Ordering Delivery Services for Essential Businesses (Order).

REASONS FOR RECOMMENDATION

Section 2.50.070(D)(1) of the City of Vallejo Municipal Code (VMC) empowers the Director of Emergency Services to make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency. These actions must be confirmed at the earliest practicable time by the City Council.

The Director of Emergency Services issued the attached Order on March 18, 2020 to allow Essential Businesses to continue services by delivery.

BACKGROUND AND DISCUSSION

The City Council declared a City-wide emergency as a result of the novel Coronavirus. The Coronavirus has spread throughout the United States and sometimes causes severe illness and death among elderly and those with pre-existing conditions.

The County of Solano and the City of Vallejo recommend that all citizens follow the United State Government recommendation to restrict all public and private gatherings to no more than ten individuals to prevent the spread of the Coronavirus. The City encourages businesses that are defined as Essential Businesses in the Order of the attached Resolution to continue services if it is financially feasible to do so. By ratifying the Order the City is providing clear guidance that delivery services are not only permitted, but encouraged.

FISCAL IMPACT

Depending upon the severity of the spread of the Coronavirus, there may or may not be a fiscal impact on the City. If the virus continues to spread and there is a widespread impact upon the national, state and local economy, sales taxes could be greatly reduced. Such a reduction would reduce revenues to the City. ACTION ITEM 8.F.

DATE: March 24, 2020
TO: Mayor and Members of the City Council
FROM: Heather Ruiz, Human Resources Director
SUBJECT: **AUTHORIZE A TOTAL TENTATIVE AGREEMENT BETWEEN THE CITY OF VALLEJO AND THE INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS (IAFF) AND AUTHORIZE A CHANGE IN THE IAFF SALARY SCHEDULE**

RECOMMENDATION

Authorize the City Manager to to finalize and execute a successor Memorandum of Understanding between the City of Vallejo and International Association of Firefighters, Local 1186 (IAFF or Local 1186), ratifying the attached tentative agreement, and authorize an amendment to the IAFF salary schedule as attached.

REASONS FOR RECOMMENDATION

The last Supplemental Agreement between City of Vallejo and IAFF expired on June 30, 2019. The parties have been actively engaged in negotiations for several months and have reached a tentative agreement. Pursuant to Cal Gov. Code 3505.1, if the parties reach a Tentative Agreement, the Council shall vote to accept or reject it within 30 days of its presentation to the Council at a publicly noticed public hearing. If the Council adopts the Tentative Agreement, the parties will jointly prepare a written memorandum of understanding.

BACKGROUND AND DISCUSSION

The last MOU between the City and Local 1186 expired nearly six years ago, on June 30, 2012. In June 2018, the Council approved a one year successor agreement.

The lack of an MOU, or any long term agreement between the parties has negatively impacted the morale and operations of the Vallejo Fire Department. The approval of the proposed successor MOU is expected to achieve greater stability for the Vallejo Fire Department ("VFD"), while resolving several ongoing issues. The improved stability should have a positive impact on recruitment and retention of Fire Department personnel.

Other than the 5% granted in 2018, the bargaining unit employees had not received a cost-of living raise since 2007-08, and experienced a wage reduction during the bankruptcy in fiscal year 2009-10. This has resulted in the wages for Vallejo Fire Department personnel to be below the market of our comparable jurisdictions.

The parties have been actively engaged in negotiations since January of 2019. On February 25, 2020, the City and Local 1186 reached a tentative agreement with the following key terms:

Duration	Two years and nine months (expires March 31, 2022)

Wages	3.5% Upon Adoption 3.5% Effective July 1, 2020 3.5% Effective July 1, 2021
Overtime	Implementation of a mandatory Overtime Policy consistent with that of other Fire Departments to reduce station/engine closures.
Promotions	Change requirements for promotion, implementing a Vallejo Fire Department Leadership Program.
Special Assignment Pays	Clarify language around special assignment pay, and add Fire Staff Premium Pay
Other Language Cleanup	Clarify or update language in a number of sections to reflect changes in law, or clarify or modify procedures. (See attached Tentative Agreement for details)
One Time Lump Sum	$2,000 one time lump sum payment

FISCAL IMPACT

Approval of the attached Tentative Agreement will increase General Fund expenditures by an estimated $332,000 in the current Fiscal Year (2019-20). The city anticipated MOU changes during the current fiscal year and funding has been appropriated in the General Fund's budget to absorb these potential costs. Therefore, no additional funding for FY 19-20 is pursued as part of this action.

The estimated increase in costs for Fiscal Year 2020-21 is $1.46 Million and Fiscal Year 2021-22 is $2.3 Million. Funding for future fiscal years will be appropriated as part of the upcoming budget process, and factored into the Five Year Financial Forecast going forward.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

Tentative Agreement
Between
The City of Vallejo
And
International Association of Fire Fighters – Local 1186

The following represents the parties' comprehensive tentative agreement on all issues in successor Memorandum of Understanding negotiations, after ratification by the International Association of Fire Fighters – Local 1186 ("IAFF-Local 1186") membership and adoption by the City Council.

The City and IAFF-Local 1186 agree to amend the Pre-existing Labor Agreement as follows:

1. **Duration.** Section 48A Term of Agreement is amended with the existing language replaced by the language below:

~~A. This Agreement shall become effective at 12:01 a.m., on March 25, 2010 and each provision of this Agreement shall become effective on such date unless a specific provision carries a different date. This agreement shall remain in full force and effect until June 30, 2012 and from year to year thereafter unless either party shall give written notice to the other of its desire to amend or terminate said Agreement at least six months prior to June 30, 2012 or any subsequent such anniversary date. The parties may, by mutual consent, extend this Agreement as their own Agreement for a specified period of time. This Agreement supersedes the previous Agreement between the City and IAFF Local 1186 and all Supplemental Agreements.~~

A. This Agreement shall become effective at 12:01 a.m., on the first full pay period upon Union ratification and City Council Approval of this successor contract and each provision of this Agreement shall become effective on such date unless a specific provision carries a different date. This agreement shall remain in full force and effect until March 31, 2022 and from year to year thereafter unless either party shall give written notice to the other of its desire to amend or terminate said Agreement at least six months prior to March 31, 2022 or any subsequent such anniversary date. The parties may, by mutual consent, extend this Agreement as their own Agreement for a specified period of time. This Agreement supersedes the previous Agreement between the City and IAFF Local 1186 and all Supplemental Agreements.

2. **Salary** Section 12 Salary is amended with the existing language replaced by the language below:

~~A. For the term of this Agreement, base salaries including steps will be maintained at the levels identified in the salary schedule effective July 1, 2009 – i.e. the 2% salary reduction that was effective July 1, 2009.~~

~~B.~~A. Effective after the first full pay period following adoption of this agreement by the City Council, base salaries will be increased by three-and-one half percent (3.5%). Effective within two pay periods following adoption of this agreement by the City Council, regular bargaining unit members in active status will receive a one-time payment of $2,000, less applicable taxes. Effective July 1, 2020, base salaries will be increased by three-and-one half percent (3.5%). Effective July 1, 2021, base salaries including steps will be increased by three-and-one half percent (3.5%).

3. **Tentative Agreements included as provided below**:

- Section 10 Vacancies and Promotions
- Section 23 Overtime
- Section 32 Job Connected ("4850") Disability
- Section 17 Education Incentive
- Section 26 Sick Leave
- Section 19 Out of Classification Compensation
- Section 1 Recognition
- Section 13 Other Pays
- Section 38 Grievance Procedure
- Section 3 Labor Requirements
- Section 5 Collection of Fees, Dues and Assessments
- Section 47 Physical Fitness Program
- Section 11 Reduction in Force (section M and N)
- Section 11 Reduction in Force (section C)
- Section 30 Release Time

Parties drop all other outstanding proposals.

Proposals from the City of Vallejo to IAFF 1186
Distributed at the Bargaining Table
City reserves the right to amend or modify its proposal

SECTION 10: VACANCIES AND PROMOTIONS

A. Promotions to the classifications within the bargaining unit represented by the Union shall be made from the lower ranks serving in the Fire Department, provided the candidate or candidates competing are qualified for the vacant position, using the rule of three.

B. Upon request of the individual employee, the Fire Chief shall advise such employee, in writing, of the reasons he/she was not appointed, and shall further advise such employee as to the areas in need of improvement to enable such employee to improve his/her future opportunities for promotion within the Fire Department. The existence of cause for such disqualification is subject to grievance by the employee.

C. Vacancy definitions and requirements for promotions and testing shall be located in the Vallejo Fire Department Rules and Regulation/Standard Operating Guidelines Manual(s).

D. A current Civil Service list shall be maintained at all times for the classifications of ~~Division Chief,~~ Battalion Chief, ~~Assistant Fire Marshal,~~ Fire Captain, ~~Paramedic Coordinator/Training Specialist,~~ Fire Prevention Inspector/Investigator and Firefighter/Engineer within the Vallejo Fire Department. Eligibility for acting or being promoted to all positions, excluding Fire Chief, within the Vallejo Fire Department shall be based on the following requirements:

1. Battalion Fire Chief ~~or Division Chief~~:

   (a) Five (5) years of experience in the Vallejo Fire Department as a Fire Captain, at least three (3) years of which shall have been in Fire Suppression.

2. ~~Assistant Fire Marshal~~

   ~~(a) Five (5) years of experience in the Vallejo Fire Department, successful completion of the Apprenticeship Program and past experience in the Vallejo Fire Prevention Division (excluding Limited Appointments and Light Duty), and~~

   ~~(b) Shall be required to show proof of completion of the~~

~~following courses:~~

~~I. Fire Prevention 1-A~~
~~II. Fire Prevention 1-B~~
~~III. Fire Investigation 1-A~~

~~(c) It shall be the responsibility of the individual to acquire these courses at his/her own expense and on his/her own time unless the class is otherwise provided by the Department.~~

3. ~~Paramedic Coordinator~~

~~(a) Five (5) years of experience in the Vallejo Fire Department, and~~

~~(b) Meet the qualifications of Fire Captain as set forth in subsection 4(a), below, and~~

4. Fire Captain:

(a) Five (5) years of experience in the Vallejo Fire Department and successful completion of the Apprenticeship Program ~~and~~ successful completion of the Vallejo Fire Department Leadership Program.

(b) For the Fire Captain assigned as the Paramedic Coordinator requires five (5) years of experience in the Vallejo Fire Department and successful completion of the Apprenticeship Program and must maintain a current paramedic license.

(c) The language below (Section 10 subsection 4(d and e)) is deleted upon implementation of the Vallejo Fire Department Leadership Program, which will be developed by Fire Administration in consultation with IAFF, and in line with industry best practices.

I. For those employees already qualified under the below language prior to the implementation of the leadership program, they will maintain their qualifications through the term of this contract.

(d) Shall be required to show any of the following:

(1) Proof of completion of the following state certified classes:

i. Fire Command 1-A
ii. Fire Command 1-B
iii. Fire Management
iv. Fire Instructor 1-A

Or

(2) Proof of completion of the following state certified classes:

i. Company Officer 2 C Fire Inspections and Investigations

ii. Company Officer 2 D All-Risk Command Operations

iii. Company Officer 2 E Wildland Incident Operations

iv. Instructor I Instruction Methodology

(e) It shall be the responsibility of the individual to acquire these courses at his/her own expense and on his/her own time unless the class is otherwise provided by the Department.

5. Fire Prevention Inspector/Investigator: Three (3) years of experience in the Vallejo Fire Department and successful completion of the Apprenticeship Program.

6. Firefighter/Engineer: Three (3) years of experience in the Vallejo Fire Department and successful completion of the Apprenticeship Program.

(a) Acting Firefighter/Engineer for employees hired after January 1, 1991:

i. Three (3) years of experience in the Vallejo Fire Department.
ii. Completion of the Vallejo Fire Department Apprenticeship Program (Completion of the Apprenticeship Program is intended to mean the date that an Apprentice Firefighter has successfully completed the program, regardless of the actual time employed by the Vallejo Fire Department).
iii. Within six (6) months of completion of the Apprenticeship Program, the employee shall complete the Vallejo Fire Department's Acting

Firefighter/Engineer's course.

Exception: Successful placement on a Register of Eligibles for the position of Firefighter/Engineer shall satisfy the requirements of this subsection.

iv. Minimum Firefighter restricted Class B C driver's license with a firefighter endorsement.

v. Failure to meet standards required in this section would result in the application of the Progressive Discipline Procedure and in termination of employment, if necessary.

E. After three (3) months, in the event the City fails to maintain a current Civil Service promotional list where required above, and a vacancy arises within one of those classifications, the employee who eventually receives permanent appointment to that position shall receive all back pay (offset by any acting pay already received), step increases and seniority as if he/she were appointed when the vacancy originally occurred. In the event that such failure is a result of a grievance or court action, such penalties and seniority rights shall not apply.

F. Job announcements for all promotional examinations within the Vallejo Fire Department shall identify the reference materials to be used in the examination process. Where reference sources are in conflict, the following procedure shall be applied to resolve the issue:

1. State statutes shall prevail over the conflicting sources;

2. IFSTA shall prevail over conflicting non-statutory sources;

3. Where non-statutory sources are in conflict and IFSTA is silent, the question shall be eliminated.

G. For all promotional examinations within the Vallejo Fire Department, all eligible candidates shall be given at least ten (10) calendar days written notice prior to each phase of the examination.

H. When a vacancy occurs within a classification, such vacancy shall be posted at each station, Fire Prevention ~~Division~~ Section and Training ~~Division~~ Section for a period of at least fourteen (14) calendar days. Any employee qualified for the vacant position and who wishes to fill such vacancy shall submit a written request to the Fire Chief's Office

prior to the close of business (5:00 p.m.) on the last day of posting.

1. Any employee on annual leave, sick leave, compensatory leave, holiday leave, maternity leave or 4850 leave for the entire posting period shall be notified by the Fire Chief's Office by certified mail of such vacancy and afforded the opportunity to submit a written request during the posting period to fill the vacant position upon his/her return to duty.

2. In the event that the Fire Chief's Office is unable to contact an individual on leave during the entire posting period, such position shall be filled conditionally by members who have submitted requests, until all employees who were unable to be reached have been afforded the opportunity to submit a request to fill the vacant position.

3. Station vacancies unfilled at first posting shall remain open and available on a first come basis thereafter.

   (a) Temporary transfers to unfilled station vacancies shall be allowed within an employee's regularly assigned shift and such transfers shall last a minimum of three (3) months.

I. Seniority and Veteran's Preference points shall be eliminated from final scoring in promotional exams certified by Civil Service Commission after November 17, 1992; provided, however, that seniority shall continue to be considered as a criterion pursuant to Charter Section 803(b).

J. When a temporary vacancy or absence occurs in a Firefighter/Engineer, Fire Captain, Battalion Chief classification assigned to the Fire Suppression Section ~~Division~~, the vacancy shall be filled in the following order:

1. A vacancy for ~~a shift or a fraction thereof, to and including~~ a period of limited duration, anticipated to be less than fifteen (15) shifts, shall be filled utilizing the overtime or acting provisions of the Agreement.

2. Once a vacancy is anticipated to be of a longer duration it ~~Prior to the fifteenth (15th) shift, the vacancy~~ shall be posted for a

temporary assignment and/or subsequent limited appointment.

3. When all temporary assignments are made, the position, which remains vacant, shall be filled by a limited appointment from the Register of Eligibles. Limited Appointments for Fire Suppression vacancies shall last until the regularly assigned employee returns or until the position is posted for a regular assignment.

4. If no Register of Eligibles exists and temporary assignments fail to fill a Suppression vacancy, the vacancy shall be filled utilizing the overtime provisions of the Agreement until the regularly assigned employee returns or until a Register of Eligibles is established, at which time a Limited Appointment shall be made for the remainder of the vacancy.

~~NOTE: When a temporary vacancy or absence is expected to go beyond fifteen (15) shifts, a temporary station assignment shall be posted in accordance with the vacancy posting provisions of the Agreement. All currently ranked employees in the classification needed may submit requests to fill the station assignment that is open. Employees transferred due to the temporary station assignment shall remain in the temporary assignment until the regularly assigned employee returns to duty or until the temporary vacancy is posted for bid on a regular assignment. A Limited Appointment may result at a different station, shift, or division from the original vacancy due to temporary assignments.~~

~~Example — A Captain assigned to Station 21C will be off duty due to illness for eight months. Prior to the fifteenth shift, a temporary station assignment notice shall be posted. The Captain from Station 26A accepts the temporary assignment to Station 21C; he/she shall remain at Station 21C until the regularly assigned Captain returns to duty, or until the vacancy is posted for a regular assignment. A Limited Appointment in accordance with the above guidelines would occur at Station 26A.~~

5. When a temporary vacancy or absence occurs in a Fire Captain, Division Chief, Battalion Chief, Fire Inspector, or Assistant Fire Marshal classification assigned to the Fire Training or Fire Prevention Divisions, the vacancy shall be filled in the following order:

(a) Immediately upon notification by the Fire Chief's Office that a temporary vacancy exists, the vacancy shall be posted for a temporary assignment. During the posting period the vacancy shall be filled utilizing the overtime provisions of the Labor Agreement. If no existing ranked employee wishes to fill the temporary assignment, the vacancy shall be filled by a Limited Appointment from the Register of Eligibles. Limited Appointments made in the Fire Training and Fire Prevention Divisions shall last until the regularly assigned employee returns or until the position is posted for a regular assignment.

(b) If no Register of Eligibles exists, any employee meeting the minimum requirements for the position may submit his/her request to fill the position during the vacancy posting period. The most senior employee submitting such a request will be given a Temporary Appointment to the vacant position. Temporary appointments shall last until the regularly assigned employee returns or until a Register of Eligibles is established, at which time a Limited Appointment shall be made for the remainder of the vacancy.

6. When a temporary vacancy or absence occurs in the Firefighter or Firefighter/Paramedic classification assigned to the Suppression Division, it shall be filled in the following order:

(a) Immediately upon notification by the Fire Chief's Office that a temporary vacancy exists, the vacancy shall be posted for a temporary assignment. During the posting period the vacancy shall be filled utilizing the overtime provisions of the Agreement when necessary. If the temporary assignment fails to fill the vacancy then it shall be filled daily utilizing the overtime provisions of the Agreement when necessary.

7. ~~When a temporary vacancy or absence occurs in the Paramedic Coordinator classification, the vacancy shall be filled in the following manner: Immediately upon notification by the Fire Chief's Office that a temporary vacancy exists, the vacancy shall be posted for a temporary assignment. During the posting period, the~~

~~vacancy shall be filled utilizing the overtime provisions of the Labor Agreement. If no existing ranked employee wishes to fill the temporary assignment, the vacancy shall be filled by a Limited Appointment from the Register of Eligibles. Limited Appointments shall last until the regularly assigned employee returns or until the position is posted for a regular assignment. There shall be no backpay for the individual appointed to the Paramedic Coordinator position and no additional step advancement as prescribed by section 10.E of this MOU or under any other theory.~~

8. ~~Upon implementation of the paramedic program there shall exist at every Engine Company a regular vacancy for both a Journey Level Firefighter and a Firefighter/Paramedic. Regular station vacancies for Journey Level Firefighters and Firefighter Paramedics shall be filled utilizing the procedure outlined in subsection "H" above.~~

K. Exchange of Assignment: Employees shall be allowed to exchange regular assignments with each other provided the employees exchanging such assignments are of equal classification (Firefighter for Firefighter, Firefighter/Paramedic for Firefighter/Paramedic, Firefighter/Engineer for Firefighter/Engineer, Fire Captain for Fire Captain) and have received written permission from all members within their classification who are senior to the junior employee requesting such exchange. Any refusal by a senior employee in that classification shall cancel the proposed exchange. Employees wishing to exchange assignments shall notify their respective Battalion Fire Chief, in writing, of the proposed exchange, and the effective date of the exchange. It shall be the responsibility of the employees exchanging assignments to cover the assigned duty days without any interruption of daily assignments, especially when exchanging from one shift to another. The City will not be liable for any additional Compensation under FLSA guidelines due to such exchanges. Once an employee has exchanged assignments with another employee, the exchange is considered to be final.

TENTATIVE AGREEMENT

SECTION 23: OVERTIME

A. "Overtime work" means work performed during overtime in compliance with order of competent authority. Overtime shall be considered all time worked other than regularly scheduled work hours. The Fire Chief shall keep a record of overtime credit for employees under his/her supervision. The record shall be available for inspection. The Fire Chief's Office will provide the Union Steward with copies of all overtime reports for overtime not called in through the call-in system.

1. Time spent on any paid leave status shall be counted as "Time Worked" for the purpose of calculating FLSA Overtime Payments. Paid Leave categories include: administrative leave, annual leave, sick leave, family sick leave, holiday leave, workers compensation leave, release time, military leave and bereavement leave. If any new category of paid leave is created during the term of this agreement it shall also be counted as time worked.

2. Members of the Training ~~Division~~ Section shall be paid the equivalent of FLSA base pay for Fire Suppression Captains while assigned to a forty (40) hour schedule in the Training Section ~~Division~~.

B. Overtime shall be paid at time and one-half (1-1/2) the hourly rate of the monthly salary of the employee in the classification in which the employee is regularly assigned but adjusted to a forty (40) or fifty-six and three tenths (56.3) hour per week basis, depending on the job filled.

C. Overtime shall commence at the time an employee is called to report for work outside of his/her regularly scheduled hours, provided that such employee reports for duty within sixty (60) minutes; otherwise, overtime shall commence at the time such employee reports for duty. Overtime shall continue until the employee is released.

D. When overtime exceeds one-half (½) hour, the overtime work shall be paid thereafter in one-half (½) hour periods, a fractional part of such period to count as one-half (½) hour.

E. When an employee off duty is called to work overtime and is not entitled to the provisions of emergency call back pay, he/she shall receive not less than two (2) hours overtime.

F. Overtime shall not be worked without authority of the Fire Chief or his/her authorized representative.

G. When overtime is to be worked, employees shall be required to report and be available for duty not more than sixty (60) minutes after the time requested.

H. Employees may decline ~~to offer~~ to work voluntary overtime, if they so desire, except in cases of emergency. Mandatory overtime shall be assigned in accordance with the Fire Department's Mandatory Overtime Policy

I. In the event an employee works overtime in a higher classification, he/she shall be paid the overtime rate of the higher classification, in which the employee works. The applicable overtime rate shall be adjusted to a forty (40) hour or fifty-six and three-tenths (56.3) hour per week basis, depending on the job filled. The top step in a position filled will be paid to an employee working in a lower classification.

J. Any employee called in due to a situation involving a fire emergency or alarm for work outside his/her regularly scheduled hours shall be paid at the rate of time and one-half (1-1/2) for hours actually worked but shall be guaranteed a minimum of four (4) hours pay at such rate. When such an employee is called in due to an emergency, regardless of the time the emergency exists, he/she shall be released and shall not be retained for the purposes of fire watch unless the employee accepts the overtime voluntarily or when no one is available to accept the fire watch overtime as provided for in Sections 21 and Rules and Regulations. Employees called for overtime to perform fire watch shall receive not less than two (2) hours overtime pay.

K. Employees working beyond their normal shift ending time for reasons other than being held in for a staffing shortage shall be paid at the rate of time and one-half (1-1/2) for hours actually worked but shall be guaranteed a minimum of one (1) hour pay at such rate.

"Emergency," for the purposes of this Section, is defined as a condition that requires the immediate response to a given situation, which involves the protection of life and property. The Chief Officer on duty shall declare when an emergency exists as defined in this Subsection and shall declare when the emergency ends.

Except in cases of emergency, including emergency holdins for staffing

shortages, no employee shall work overtime if so doing would result in his/her being on duty in excess of ninety-six (96) hours without a minimum twelve (12) consecutive hour break during that period. In the event a break of less than twelve (12) consecutive hours occurs, such break hours shall count toward the ninety-six (96) hour maximum until a twelve (12) consecutive hour break is achieved. Employees may volunteer to work beyond the ninety-six (96) hour maximum up to one hundred and twenty (120) hours, as allowed in Fire Department Mandatory Overtime Policy.

The parties agree to re-open Section 23 (Overtime) to negotiate through the impasse process, as provided in the Myers-Milias-Brown Act (MMBA), if during the term of this contract (through <DATE>) the Mandatory Overtime Policy does not result in the elimination of station closures.

L. Personnel who are assigned to a strike team and have been on such assignment for more than one hundred and twenty (120) hours shall be released upon his/her return for at least 24 hours.

1. If the return from the Strike Team assignment is after 3:00 pm on the first day of the normal work period then the employee shall be released for both normal shift days.

2. If the return from the Strike Team assignment is after 12:00 pm on the day prior to the first day of the normal work period then the employee shall be released from the first day of the normal work assignment.

City of Vallejo Proposal to IAFF
January 23, 2020

City of Vallejo Fire Department Mandatory Overtime
Standard Operating Procedure

If a vacancy is not filled by approved overtime call out procedures, then an employee shall be placed in the position via mandatory overtime. The procedure to ensure coverage for mandatory overtime is as follows:

1. The mandatory list will consist of employees on duty as of 20:01 hours, and will be by rank.

2. The mandatory list will be arranged by rank, in ascending order of mandatory overtime shifts worked. The person with the least amount of mandatory overtimes is at the top of the list.

3. If two or more employees have the same number of mandatory overtimes, the employee with the least seniority in that rank will be assigned the mandatory shift.

4. Battalion Chief or Staffer will start at the top of the mandatory list and will notify employees in list order. The first person on the list will be assigned the mandatory shift. That employee has an opportunity to present the face that they meet one of the approved exceptions listed in this policy, and if not will be assigned the overtime shift.

5. Once the employee is assigned the mandatory shift the employee will be given the specific reason, duration, and location of the mandatory overtime. Then a mandatory shift will be logged and the employee receives a mandatory credit.

   (If the member that was assigned the mandatory shift finds his/her own relief for the overtime shift, then no member receives a mandatory credit. Also, the original member that was assigned is off the mandatory list for that day only and TeleStaff should reflect "OT Mandatory Give Away".)

6. If the mandatory list for employees on duty has been exhausted and the position has not been filled, the department will utilize the following steps below in order to fill the shift:

Mandatory Off-Duty shift:

If no employees on duty are available, the process will be applied to the Off-Duty personnel for the original rank that has created the vacancy.

1. Mandatory out of rank:

   The mandatory out of rank list will consist of all remaining employees qualified to fill the vacancy in ascending order of mandatory credits.

   - Up to and including movement of actors on the needed shift.

   If two or more employees have the same amount of mandatory overtime credits for the out of rank list, then the employee with the least amount of department seniority will be assigned the shift.

Approved Exceptions for On-Duty/Off-Duty personnel with greater than 24 hours' notice

An "approved exception" for On-Duty/Off-Duty personnel is a circumstance that disqualifies an employee from being assigned a mandatory shift while they are On-Duty for either of the days immediately following their duty day or for Off-Duty personnel:

1. Illness/injury – if a mandatory is refused due to an illness/injury a doctor's note may be required.

2. The employee is on approved vacation or cannot report for duty within a reasonable amount of time.

3. When there is a mandatory court appearance for child custody/visitation matters, including cases where court orders require the member's appearance for a custody exchange.

4. When the employee has expended three hundred ($300) or more on a scheduled event, and the expense was occurred more than 6 days prior to the mandatory call (subject to timely documented verification, i.e. receipt).

Approved Exceptions for Off- Duty personnel with less than 24 hours notice

An "approved exception" for Off-Duty personnel is a circumstance that disqualifies an employee who is not on currently On-Duty from being called into work with less than 24 hours from when they are contacted:

1. Same as >24 hours of notice

2. Reporting to work would require the employee's children to be unattended.

3. The employee has consumed medication that would restrict their duty performance.

4. The employee has consumed alcohol within 8 hours of the needed shift.

5. Employee shall not be ordered in from his/her residence for less than a 6-hour shift, if that shift begins prior to 12 a.m. If after 12 a.m. an employee will not be ordered in from his/her residence for less than an 8-hour shift. However, in this circumstance, if an employee volunteers for a shift of less than 8-hours they will be given the mandatory credit. For purposes of this provision each day (24-hour period) will be treated as a shift.

If you do not meet any of the approved exceptions and you do not respond to your Mandatory Overtime call/notification you may be subject to discipline, as determined by the Fire Chief or his/her designee.

There shall be a 1-hour window for volunteer call back in order to fill the vacancy prior to referencing the mandatory list.

In the event that all above overtime provisions are exhausted, employees may be offered to

work up to 120 hours on a voluntary basis in order to prevent company closure.

If the staffing level for tenured non-officer positions (Firefighter, Engineer) reaches less than 5 vacancies the Probationary Firefighters shall be exempt from this policy.

SECTION 32: JOB CONNECTED ("4850") DISABILITY

A. Consistent with applicable state law, whenever any employee sustains any injury or disability arising out of and in the course of his/her employment with the City, and by reason thereof becomes entitled to receive disability indemnity under provisions of the Workers' Compensation Insurance and Safety Act of the State of California or under any State law, the employee shall be granted leave of absence without loss of salary, hereinafter referred to as "4850 compensation leave," while such disability continues, but not exceeding one (1) year for any injury or disability. "4850 compensation leave" shall be granted regardless of the accumulated sick leave balance credited to the employee and sick leave shall not be deducted from the employee's accumulated sick leave for each working day's absence so long as he/she is entitled to receive" 4850 compensation leave."

B. Employees must provide a doctor's certificate to verify each absence on Worker's Compensation leave.

C. Modified Duty

1. Suppression employees who have been out on 4850 Leave who cannot perform their regular fire suppression duties but are capable of performing other duties, may be required to work a Modified Duty assignment. Employees will be required to return to work on modified duty if the City can accommodate the restrictions identified by their physician. The employee's return to work shall be accompanied by a document prepared by the Fire Chief or his/her designee which outlines the employee's working duties and responsibilities within the limitations of the medical restrictions.

2. Modified Duty is defined as duty in the Training, Suppression or Fire Prevention ~~Divisions~~ Sections and shall be limited to administrative research, training evolutions, record maintenance, investigations, research, inspection and/or public presentations relating thereto, and shall not involve emergency fire suppression, rescue, medical emergency, maintenance duties or any activity requiring unusual physical activity. These duties shall not infringe any other work normally performed by any other labor group, e.g., IBEW, CAMP, etc.

Proposals from the City of Vallejo to IAFF 1186
Proposal November 4, 2019
Distributed at the Bargaining Table
City reserves the right to amend or modify its proposal

3. Modified Duty assignments shall only be allowed after documented proof has been submitted by a physician verifying that said employee is physically able to perform such non-emergency duty.

4. Duty limitations for Modified Duty personnel shall be as directed by his/her physician or specialist. Limitations for Modified Duty may include, but not limited to, lifting of weight, length of time of body position, or repetitive motion.

5. <u>If the Department has determined that modified light duty is available,</u> employees shall be given the option of working up to twenty-four (24) hour shifts, ten (10) hour days (including a one hour lunch) or up to eight (8) hour days (including a half-hour lunch). Employees may choose to work up to a maximum of five (5) days per week, excluding weekends and holidays, and shall work a fully agreed upon schedule except as modified by the employee's physician. The light duty assignment shall be subject to the employee's physician report, *e.g.*, employee can sit for 3 hours at a time or employee cannot lift items over 10 lbs.

6 Neither the City nor Fire Administration shall attempt to influence limitations set forth by the employee's physician.

7. Any hours beyond or in excess of the employees assigned work schedule shall be at an overtime rate of pay.

SECTION 17: EDUCATIONAL INCENTIVE PAY

A. Effective March 27, 2010, for current employees, the City shall maintain an Educational Incentive Pay Program with a First Step Award equivalent to three and one half (3.5%) percent of the employee's base salary and a Second Step Award equivalent to five (5%) percent of the employee's base salary in accordance with the procedure set forth below.

1. Purpose - This incentive pay program is established to encourage and reward uniformed members of the Fire Department in the classes of Fire Fighter/Apprentice through Assistant Fire Chief for the acquisition and maintenance of higher levels of educational achievement. The program provides an amount of pay, over and above the normal salary range for those classes, upon achievement of specific qualifications and requirements set forth herein.

2. Procedure - Eligibility to make initial application for the award will be determined by the achievement of either of the requirements set forth in subparagraph 3, Requirements, and such application may be submitted immediately upon meeting these requirements. Upon attaining eligibility for educational incentive pay, such pay will be earned from the first day of the month following approval of the award by the Fire Education and Training Evaluation Board.

3. Requirements

   (a) First Award - Initial Receipt of the Award

      i. Completion of 300 hours of Basic Training (in service) and completion of thirty (30) semester units of college work of which twenty (20) units will be needed to complete the Basic Certificate of Proficiency in Fire Science issued by a recognized college or university and four (4) years of approved experience; OR

      ii. Nine (9) Fire Officer Certificate Courses offered

iii. Bachelor's Degree in an approved field.

4. General Provisions

(a) A Fire Education and Training Evaluation Board comprised of the City Manager, Fire Chief and Human Resources Director shall be established for the purpose of determining standards of acceptance for study and training, and acceptance of A.A. Degree or Bachelor's Degree in an approved field.

(b) Acceptability of each course of study or training must be determined by the Board in advance of participation, if credit is requested.

(c) A member who wishes to enroll in a public school, institute, certificated program, college or university for the purpose of fulfilling the training requirement, shall do so on his/her own time and his/her own expense, unless otherwise approved by the Fire Chief.

5. Education and Training Qualifications

(a) Qualification will be determined by a combination of education, training and experience.

(b) A unit shall mean a semester college unit, or equivalent unit of classroom or field training time.

(c) Experience shall be acquired as a Firefighter for the City of Vallejo, unless other Fire Department experience is determined by the Board to be of equal or proportional value.

(d) Members may take courses in accredited public or private schools, certificated programs, colleges or universities which are undertaken for the purpose of improving their efficiency, knowledge or competency in the performance of their duties. Courses leading to a degree in the following fields will qualify toward meeting the requirements outlined in subparagraph 3:

Fire Science
Fire Administration
Chemistry
Public Administration
Political Science
OR any other major deemed to be beneficial to the Fire Department by the Board.

(e) Members attending outside schools, colleges or universities will be required to complete the selected course of study with a passing grade of "C" or better. (G.P.A equivalent to a 2.0 on a 4 point grade scale.) If, for departmental reasons, a member is unable to complete a course, credit will be granted to that point provided at least a "C" average has been maintained in the course.

(f) Outside seminars, lectures, workshops and similar educational meetings may qualify for the training requirement if so designated by the Board in advance of the training.

6. The Educational Incentive Pay Program shall not be available to employees hired after this Agreement is adopted.

B. EMT Pay

1. The City shall compensate any employee who shows evidence of EMT I (Emergency Medical Technician I) certification 5%

above base salary for the period of certification (two years).

2. It is understood that EMT-D certification is currently necessary in order to be eligible for the base level EMT incentive pay during the term of this Agreement. Should an enhanced EMT certification be required for EMTs in Solano County, it is agreed that the enhanced requirements would become part of the minimum requirements in order to receive the full five percent (5%) EMT Incentive Pay. It is agreed that all necessary training needed to obtain this enhanced certification shall be provided by the Department, on duty and at no cost to the employees.

3. The Emergency Medical Technician premium shall not be available to employees hired after this Agreement is adopted.

SECTION 26: SICK LEAVE

A. "Sick Leave" shall be defined as follows:

1. An illness or injury that physically incapacitates any employee from performing his/her duties. Personnel reporting for duty and later reporting off duty due to illness or injury are to be charged with sick leave to the nearest half (1/2) hour, with a minimum of two (2) hours for any such absence.

2. Illness or injury incurred in the line of duty to the extent not covered by job connected ("4850") disability leave.

3. Medical, dental and eye examination or treatment for which appointments cannot be made outside of working hours

B. Sick leave cannot be used for illness or injury directly traceable to employment other than with the City of Vallejo.

C. For the following reasons, "special leave," when accepted, shall be chargeable against sick leave credits: Exposure to contagious disease, when the presence of the employee for duty would endanger the health of others, except when such exposure occurs during the course of his/her duty day.

D. "Accrued leave" means that number of work days which remain after subtracting from the total sick leave: sick leave taken, plus sick leave canceled, as otherwise provided in these rules.

E. Each employee who has completed six (6) months of full time service will be eligible for sick leave with pay.

F. The accrual of sick leave shall be 8.31 hours per pay period, which shall be posted on the employee's check stub under "Earned This Period". Upon satisfactory completion of six (6) months of full time service by any regular employee, his/her record shall be credited in accordance with the appropriate accrual with 8.31 hours for each full pay period worked from date of employment to present.

1. All Fire Department personnel who work on a twenty four (24) hour shift (platoon) basis shall accrue sick leave by hours at the rate of eighteen (18) hours of sick leave each month, and credit

for such sick leave shall be posted in accordance with this Agreement.

2 All Fire Department personnel who work other than on a twenty-four (24) shift basis shall accrue sick leave at the same rate as twenty-four (24) hour shift personnel. While on assignment to a forty (40) hour work schedule, such accrual shall be reduced by multiplying the total suppression sick leave balance and the biweekly accrual of 8.31 hours by a factor of .7105. Whenever an employee is granted and takes sick leave the number of hours which are used for said leave shall be deducted from his/her sick leave balance. Upon the employee's return to a twenty-four (24) hour shift schedule, his/her sick leave balance shall be multiplied by a factor of 1.4075 and the biweekly accrual shall return to 8.31 hours. This formula shall result in the following accrual:

(a) 8.31 hours bi-weekly (Suppression) x .7105 = 5.90 bi-weekly (40 hour personnel)

(b) 216.06 hours annually (Suppression) x .7105 = 204.68 153.51 hours annually (40 hour personnel).

G. Sick leave with pay or special leave with pay, which is chargeable to sick leave, shall accumulate indefinitely without limitation.

H. Whenever any employee is granted and takes sick leave, the number of hours which are used for said leave shall be subtracted from his/her sick leave balance.

I. All Fire Department personnel who work on a twenty-four (24) hour shift basis, when granted sick leave, shall have sick leave deducted as follows: Sick leave shall be deducted by hours; for absences from a scheduled on duty shift, one twenty-four (24) hour shift of sick leave shall be deducted; when such personnel are permitted to take sick leave for less than a full twenty-four (24) hour shift, such sick leave shall be charged to the nearest half hour, with a minimum of two hours for any such absence.

J. Sick leave of greater duration than the employee's balance to date shall not be granted. However, accrued vacation leave, holiday time and accrued overtime credits may be used to extend the period of leave with

pay up to the maximum credited for the particular employee with such leave with pay.

K. A holiday occurring when an employee is on sick leave because of illness or injury shall be counted as a holiday and not charged as a sick leave day, except for employees who are required to work on holidays

L. Sick leave will not be approved where the injury or illness is directly traceable to employment other than the City of Vallejo or where the injury or illness is caused by the employee's serious and willful misconduct, as such terms are defined and interpreted under the Workers' Compensation and Safety Act.

M. Time off for doctor, dentist or ocular appointments may be taken as sick leave if the appointment is necessary because of illness, injury, dental care or eye examination. Not more than two (2) hours a day of sick leave is authorized for each appointment, except under unusual circumstances. Several such absences during a pay period may be accumulated and itemized on the same sick leave report. Employees should be requested to secure dental, medical or ocular appointments on their own time, but where this is not possible, appointments should be secured to reduce to a minimum the time away from the job

N. In order to qualify for sick leave payments, an employee must notify Fire Station 21 not later than one (1) hour before his/her normal starting time on the first day of absence, unless circumstances surrounding the absence make such reporting impossible, in which event the report must be made as soon thereafter as possible. All absences for which sick leave is required, regardless of the length or duration of such absences, require the completion, submission and approval of an "Application for Leave" form before payment is made

O. An employee who is laid off and reappointed within forty-eight (48) months shall have restored any accrued sick leave existing at the time of his/her layoff. When an employee is transferred to another position or department, his/her accrued sick leave shall continue to be available

P. Death of a member of the immediate family may be accepted as a reason for the use of bereavement leave. Barring unusual circumstances allowed in the sole discretion of the Chief, not over three consecutive calendar days of such leave may be taken for each such

instance and shall not be deducted from the employee's sick leave balance. The three (3) days allowance is to be regarded as a maximum allowance and should be used only where actually necessary. In the event a holiday or regular day off falls within the three days, these days are counted, but not charged to bereavement leave.

1. A member of the immediate family means the mother, father, husband, wife, son, daughter, brother, sister, dependent of the employee, or relation by affinity. Not more than one day of bereavement leave may be taken for the death of aunt, uncle, grandparents o r in-laws. Not more than one twenty-four hour day of bereavement leave may be taken for death of person (s), not an immediate family as described here, whose permanent residence is the same as the ~~re-living-in-the-household-of-the~~ employee. Additional leave may be approved by the Fire Chief or his designee, and such leave shall be deducted from the employee's sick leave balance.

Q. An absence to care for a member of the immediate family who is seriously ill or injured and who requires the care or attendance of the employee is authorized to use half of their sick leave accrual to attend to the illness of a child, parent or spouse in any calendar year.

R. Hospitalization of a member of the immediate family is a valid reason for special leave, under the following conditions. A day's absence may be authorized for the employee to be at the hospital on the day of an operation, on the day of the birth of his/her child, or in the event of critical illness of a member of the immediate family. Absences for these reasons of more than one (1) day may be authorized on special leave only if a doctor provides a written statement that the employee's presence away from work is required.

S. While on vacation, if an employee finds it necessary to render family care or attend the funeral of a member of the immediate family or be present at the hospital, special leave is not authorized.

T. All employees will be eligible for maternity leave for childbearing or pregnancy related disability as permitted by State and Federal law. ~~Maternity leave may commence no earlier than two (2) weeks prior to the expected birth unless stipulated by a physician. Extensions may be~~

~~granted upon the recommendation of competent medical authority.~~

1. ~~No employee will be penalized for time off due to her pregnancy or childbearing.~~

2. ~~All employees, while on unpaid maternity and/or pregnancy disability leave, will be responsible for full payment of any City paid contribution into benefits on behalf of the employee.~~

3. ~~Maternity leave must be requested in writing to the City Manager.~~

4. ~~No employee will suffer a loss in seniority as it relates to vacation scheduling, reassignments, layoffs and recall during the maternity and/or pregnancy disability leave.~~

5. ~~The employee shall have the option of using sick leave, annual leave, compensation leave, leave without pay, or holiday time, notwithstanding any other limiting provisions of this Agreement. The employee shall not lose seniority rights while in such leave status. Also, employees who elect to use annual, compensatory or holiday leave shall not be included in determining the maximum number allowed off per day for such leave purposes.~~

6. ~~After leave for childbearing or her pregnancy related disability, the employee shall be reinstated to her original position before the leave or to a position of like status.~~

U. Light Duty

1. All employees on extended Sick Leave or Maternity Leave, who cannot perform their regular fire suppression duties but are capable of performing other duties are eligible for a "Light Duty" assignment.

2. Light Duty is defined as duty in the Training, Suppression or Fire Prevention ~~Divisions~~ Sections and shall be limited to administrative research, training evolutions, record maintenance, investigations, research, inspection and/or public presentations relating thereto, and shall not involve emergency fire suppression, rescue, medical emergency, maintenance duties or any activity requiring unusual physical activity. These duties shall not infringe any other work normally performed by any other labor group, e.g., IBEW, CAMP, etc.

Proposals from the City of Vallejo to IAFF 1186

Distributed at the Bargaining Table
City reserves the right to amend or modify its proposal

3. Light Duty assignments shall only be allowed after documented proof has been submitted by a physician verifying that said employee is physically able to perform such non-emergency duty. "Light Duty" assignments for Sick Leave or Maternity Leave shall be offered as determined by the City. ~~shall be voluntary~~

4. Suppression employees who will be off duty ~~for ten (10) or more consecutive shifts~~ and who desire to work light duty ~~shall~~ may be given the option of working twenty-four (24) hour days, ten (10) hour days (including a one-hour lunch) or eight (8) hour days (including a half- hour lunch) If the Department determines that light duty assignment is available. If light duty is available, employees may choose to work up to a maximum of five (5) days per week, excluding weekends and holidays, not to exceed forty (40) hours per week, and shall work a fully agreed upon schedule except as modified by the employee's physician.

   The light duty assignment shall be subject to the employee's physician report, *e.g*, employee can sit for 3 hours at a time or employee cannot lift items over 10 lbs.

   (a) A modified formula shall be utilized whereby an employee may save all or a portion of his/her Sick Leave by performing light duty. Such employee shall have 17.052 hours deducted for each 24 shift of absence (24 x .7105 = 17.052) while on extended leave. He/she shall be credited with 14.075 hours for each 10 hour shift worked (10 x 1.4075 = 14.075) and 11.260 hours for each 8 hour shift worked (8 x 1.4075 = 11.260) while on light duty. These calculations are derived by the factors set forth in Section 26 G. (Sick Leave) of the Agreement.

   (b) Employees shall be entitled to regular pay and benefits, and shall continue to accrue all normal leave while on light duty.

5. ~~Maternity Cases—Includes cases before and after the birth of a child.~~

6. ~~Fire Prevention and Training employees who desire to work light~~

Local Proposal Number 15

Offered:

Subject: Local Interest:
The Local is interested in providing both parties clarity and understanding of rights and powers by addressing those items found within the memorandum of understanding that are protected by the Meyers-Milias Brown Act.

Proposal: The Local proposes to extend grievance timelines where noted, and clarify group type for filing a grievance.

SECTION 38: GRIEVANCE PROCEDURE

A. For the purpose of this Agreement, the term "grievance" means any dispute with respect to the application, interpretation or enforcement of this Agreement, as well as to questions of arbitrability hereunder.

B. This Grievance Procedure shall not apply to cases arising under or coming within the terms of Article VIII, Section 803, paragraphs (n) and (o) of the City Charter of the City of Vallejo.

C. Procedure for settlement of grievances:

1. First Step

(a) Any employee who believes that he/she has a grievance shall discuss such grievance with his/her or her immediate supervisor (designated for that purpose by the Fire Chief), with or without a Union representative within five (5) working days of the occurrence or knowledge of the event over which the employee believes he/she or she is aggrieved. The immediate supervisor shall orally answer the grievance within two (2) working days.

2. Second Step

(a) If the employee is dissatisfied with the immediate supervisor's answer and desires to pursue the matter, the grievance shall then be reduced to writing and a copy submitted to the Fire Chief or his/her designee, and a copy submitted to the Union's Grievance

Committee within ten (10) working days after receipt of the immediate supervisor's oral answer.

(b) The written grievance must:

i. state the facts on which it is based;
ii. state when the event occurred;
iii. specify the section(s) of the Agreement allegedly violated;
iv. specify the desired resolution; and
v. be signed by the employee and the Union President or his/her designee.

(c) If no written grievance is filed within the ten (10) day period, the alleged grievance may not thereafter be taken up.

(d) Within seven (7) working days following appropriate submission of the written grievance, the Fire Chief and/or his/her designee, who has authority to resolve the grievance, shall meet with the employee and a Union representative to discuss the grievance. A written answer shall be given by the Fire Chief or his/~~her designee~~ to the employee and the Union representative within five (5) regularly scheduled working days after the date of this ~~Second Step~~ meeting. fem

3. Third Step

(a) If the Union is dissatisfied with the Second Step answer and desires to pursue the matter, the Union President or his/her designee shall notify the ~~Human Resources~~ Director, in writing, of its appeal within ~~five (5)~~ ten (10) working days after receipt of the Second Step answer. 10/8/19 OK to change TA DW 10/8/19

(b) Within ten (10) working days after receipt by the said Director of the Union's notice of appeal, the grievance shall be reviewed and discussed at a meeting between the Grievance Committees of the Union and the City. Within ~~five (5)~~ working days after the date of said meeting, a written answer shall be given by the City's Grievance Committee to the Union's Grievance Committee, with a copy to the grievant. 10/8/19 OK to change TA DW 10/8/19

4. Fourth Step

(a) If the Union is dissatisfied with the Third Step answer and desires to pursue the matter to arbitration, it shall so advise the said Director, in writing, within twenty (20) working days after receipt

of the Third Step answer.

(b) Such notice to the said Director shall specify the reasons the Third Step answer is considered unacceptable and that the matter is being referred to an Arbitration Board.

(c) The Arbitration Board shall consist of one (1) representative selected by the City and one (1) representative selected by the Union. The Arbitration Board shall immediately request the California State Mediation and Conciliation Service to provide a list of seven (7) neutral arbitrators. The City and the Union shall alternately strike a name from the list (the winner of a coin toss to go second), and the last name remaining shall be designated as the neutral arbitrator and the third member of the Arbitration Board. The decision of a majority of the Board of Arbitrators shall be final and binding upon all parties.

(d) The Arbitration Board shall not add to, subtract from, change or modify any provisions of this Agreement.

(e) The expenses and fees of the impartial arbitrator shall be shared equally by the parties.

D. The time limits at any step of the Grievance Procedure may be extended or waived by mutual Agreement between the parties. Failure on the part of the Union and/or employee to meet the specified time limit(s) shall preclude further processing of the grievance. Failure on the part of the City to meet such time limit(s) shall, at the Union's option, move the grievance to the next step in the Grievance Procedure.

E. Union representatives shall suffer no loss of pay from their regularly scheduled work for time necessarily spent processing grievances as provided for in this Grievance Procedure. It is understood and agreed that the Union's Grievance Committee shall consist of no more than five (5) employees, provided, however, that the Union may select up to three (3) members of the Grievance Committee to attend any meeting with the City for the purpose of processing grievances.

10/8/19 Kark – OK to change 10/8 1st Draw

F. A grievance concerning matters affecting a majority of the members of a station, platoon ~~or classification~~ or the entire Fire Department may be filed by the Chairperson of the Union's Grievance Committee, provided such grievance is filed, in writing, with the City's Director of Personnel and Labor Relations within the time limits set forth in the First Step of the Grievance Procedure.

Such grievances shall be processed starting with the Second Step of the Grievance Procedure.

G. The City promptly shall be informed, in writing, as to the membership of the Union's Grievance Committee and any changes therein.

H. Disciplinary Arbitration

1. Arbitration of Disciplinary Actions

(a) An employee subject to disciplinary action as set forth in Civil Service Rule 18.1 may elect, at the employee's option, to appeal that determination through arbitration, pursuant to this agreement. Such employee may not appeal a disciplinary action to both the Civil Service Commission and arbitration.

2. Notice of Appeal

(a) An employee subject to disciplinary action shall have five (5) calendar days to file a notice of appeal. Such notice shall state the employee's election of an appeal before the Civil Service Commission or arbitration. Such notice shall be in writing, directed to the Human Resources Director. If the employee elects to have the appeal heard before the Civil Service Commission, the Commission's rules and regulations pertaining to appeals shall apply.

3. Selection of Arbitrator

(a) Within ten (10) calendar days after notice of appeal electing arbitration, the City shall request a list of seven (7) arbitrators from the State of California, Department of Industrial Relations, Mediation and Conciliation Service. Within ten (10) days of receipt of such list, the employee or the employee's representative shall meet with the Human Resources Director or his/her representative to select an arbitrator from the list provided. The City and the employee, (or his/her representative), shall alternatively strike a name from the list (the winner of a coin toss to go second) and the last name remaining on the list shall be designated the arbitrator.

4. Hearings

(a) The City shall promptly notify the selected arbitrator through the

procedures set forth by the Department of Industrial Relations Hearing dates shall be mutually determined by the parties.

5. Jurisdiction of the Arbitrator

(a) The arbitrator's jurisdiction shall be to determine if the disciplinary action taken is for "just cause" and may reverse, modify, or uphold the disciplinary action. The decision of the arbitrator shall be final and binding.

6. Fees and Expenses

(a) The expenses and fees of the arbitrator (including any cancellation fees) shall be shared equally by the City and employee. The expenses and fees, if any, of the employee shall be borne by the employee.

SECTION 5: ~~AGENCY SHOP;~~ COLLECTION OF FEES, DUES AND ASSESSMENTS

A. An employee may at any time execute a payroll deduction authorization form ("Deduction Authorization Form") as furnished by the Union. The Union will be the custodian of record for Deduction Authorization Forms and will provide the City with a written certification that it has and will maintain a Deduction Authorization Form, signed by each individual from whose salary or wages the deduction or reduction is to be made ("Certified List").

B. The City will direct employee requests to authorize deduction(s), or requests to cancel or change status regarding such deduction(s), to the Union and shall rely on information provided by the Union regarding whether an authorization/change in deduction(s) has been properly requested by the employee.

C. The City agrees to remit, once each month from the accrued wages of each employee; after all other required deductions have been made, the sum certified as Union dues, fees and assessments and deliver the said sum to the Union Secretary-Treasurer. The amount authorized to be deducted may be changed by written request of the President of the Union at the commencement of each fiscal year.

D. Consistent with state law, the Union shall indemnify and save harmless the City, its officers and employees, for (1) any claims made by an employee for deductions made in reliance on the Union's Certified List or a Deduction Authorization Form and (2) any claims made by an employee for deductions made in reliance on information provided by the Union regarding changes or cancellations to the deduction authorization.

Subject: Local Interest:
The Local is interested in providing both parties clarity and understanding of rights and powers by addressing those items found within the memorandum of understanding that are protected by the Meyers-Milias Brown Act.

Proposal: The Local proposes to refine the Reduction in Force section of the MOU.

SECTION 11: REDUCTION IN FORCE: *

C. Whenever it becomes necessary to reduce the number of employees in a given class, the appointing authority shall so notify the Commission and shall state the name or names of the employees to be laid off. Said appointing authority shall also notify the employee or employees, stating the reasons for the layoff and whether it is temporary or permanent. All reductions in personnel, whether temporary or permanent, shall be governed by department seniority ~~and quality of service of the employee whose poor service with the department cannot reasonably justify the employee's retention. If an employee is laid off out of seniority because of quality of service, such employee may resort to the grievance procedure provided for herein~~. The layoff shall be in the reverse order of employment, i.e., the last one employed shall be the first one laid off. The name of each employee so laid off shall be entered in the reemployment list. Reemployment shall be governed by department seniority in the reverse order of the layoff.

SECTION 30: RELEASE TIME

A. Two (2) employees who are members of the Union Negotiating Committee shall be granted leave from duty with full pay for all meetings between the City and the Union, for the purpose of negotiating the terms of an agreement when such meetings take place at a time during which such employees are scheduled to be on duty.

B. Unlimited shift trades shall be authorized for officers of the Union provided the Union President or his/her authorized representative gives five (5) days advanced notice to the Fire Chief's Office.

C. ~~On July 1, 201 0 and 2011, t~~The City shall deduct annual leave from each member of the bargaining unit (up to twelve (12) hours annual leave for Fire Suppression Personnel and eight and one half (8.5) hours annual leave for Fire Prevention and Training Personnel) to establish a separate Employee Contributed Leave Bank. The Union shall notify the City no later than May 181 of each calendar year as to the amount of annual leave to be deducted for that year. If such notification is not given to the City by May 18\ then the annual deduction shall remain at the same level as the previous year. The dollar value of the bank shall be determined by multiplying each employee's hourly rate by the number of hours he/she contributed. The amount deducted from the fund for such leave shall be determined by multiplying the number of hours used by the user employee's regular straight hourly rate. Any portion of the fund unused in any fiscal year shall be carried over to the following year and the fund accumulation shall be unlimited.

D. Under the Employee Contributed Leave Bank, no more than two (2) employees, unless approved by the Fire Chief, shall be allowed time off with pay for a period not to exceed nine (9) consecutive calendar days at any one time, for activities directly related to Union Business. Upon request by the Union, the Fire Chief at his/her sole discretion may approve time off charged to the employee contribution leave bank of more than nine (9) consecutive calendar day. Any denials shall not be subject to the grievance procedure.
