RE: Purchase Order #H00P0601445 – Notice to Cure

Dear Mr. Gula:

The Maryland Department of General Services (DGS) is transmitting this correspondence regarding the subject Purchase Order, which was issued to Blue Flame Medical LLC on April 1, 2020, in response to Blue Flame's invoice #1002, dated April 1, 2020. This transaction involves 1,550,000 NIOSH certified N95 Masks and 110 Philips Respironics Trilogy 100 Ventilators, with a committed ship date of 4/14/2020.

Unfortunately, despite numerous requests for information and order status, Blue Flame Medical has yet to deliver any items under this order, or provide any pertinent data as to a pending shipment. As Blue Flame Medical LLC has failed to honor its delivery commitment under the terms and conditions, DGS is now formally requiring Blue Flame Medical to cure this deficiency.

Within forty eight (48) hours of the transmission of this notice, Blue Flame Medical LLC must provide DGS with a verifiable airway bill, showing full transparency into the number of cartons, weights, dimensions, along with any additional relevant data that demonstrates that the full quantity of this order is inbound to our delivery address. Failure to provide this data shall result in DGS canceling this transaction, and a demand for the return of the previously tendered deposit.

Your immediate attention to rectifying this matter is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Danny Mays".
