Re: Investigator Greg McMichael

Dear Director Jones:

I wanted to thank you for your help in resolving Greg McMichael's issue with POST. You were very kind to me and my Investigator, Mark Melton, when we visited your offices last week. I appreciate your willingness to meet with us and help us through the waiver process.

Thank you also for allowing me the opportunity to address the Council. At the Council's request, please accept this as a formal letter in support of the Council's decision to grant the waiver to Mr. McMichael so that he may continue to serve as an Investigator with my office. This situation has been a great embarrassment to me and to Investigator McMichael. It has negatively impacted my office, and I have taken measures to ensure that this doesn't happen again. Please accept my sincere apology.

If there is any further information or documentation I can provide to you, please let me know. Please contact me if my office can ever be of help to you.

Sincerely,

Jackie Johnson
