Hello Darren,

Unfortunately I can't access the "in process" contracts remotely. I've copied Kelly Mordaunt to see where it is in contract approval process. Kelly this is "HarpData".

Once that has been approved and the requisition updated the PO will be issued pretty quickly.

Regards

Rik

Darren, Thank you for assisting with getting the contract finalized. Please assist with facilitating on behalf of Mr. Robinson, he is a new vendor and appears to be in a haze regarding the next steps in the process. Thanks

Hello,

Thank you, Sharon, for that final push on the contract. I signed it Friday morning after we got everything needed. Do you know how long it will take to get the purchase order? We also don't have a shipment address or a technical POC or PM for BPS. We really need the purchase order and the shipping address ASAP so that we can order the hardware and start billing. Can you assist at all? With this snow falling already I know we have to start moving. Thank you very much.

Best,

IVORY ROBINSON
