The facts establishing the grounds for issuance of a search warrant are as follows:

Your Affiant has been a licensed police officer in the State of Minnesota for over fourteen years. The Coon Rapids Police Department hired your Affiant in January of 2005 where your affiant was assigned to the patrol division and later promoted to detective. At this time your affiant was assigned to the Anoka Hennepin Narcotics and Violent Crime Task Force and later the detective division at the Coon Rapids Police Department. Your affiant is currently employed as a Special Agent with the Minnesota Bureau of Criminal Apprehension. In that time your affiant has held numerous positions to include the investigation of predatory crimes, internet crimes against children and human trafficking offenses. Your affiant has also been a member of the BCA crime scene team and has received specialized training in that field. Your affiant is currently assigned to the BCA Homicide Section and is responsible for the investigation of death and homicide scenes including officer involved shootings. Your affiant's responsibilities also include all related follow up and investigation for these cases.

Your Affiant believes the below series of events to be true and factual. Because this Affidavit is being submitted for the limited purpose of securing a search warrant, Your Affiant has not included each and every fact known to him concerning this investigation. Your Affiant has set forth only those facts that are necessary to establish probable cause to believe that evidence of violations of Minnesota Statute are contained inside the hereinbefore described property. Where statements of others are set forth in this Affidavit, they are set forth in substance and in part. The facts establishing the grounds for issuance of a search warrant are as follows:

On May 25<sup>th</sup>, 2020 at approximately 2001 hours Minneapolis Police Officers were dispatched to CUP Foods located at 3759 Chicago Ave in the City of Minneapolis, County of Hennepin and State of Minnesota for a report of a forgery that just occurred.

Upon arrival officers found a male believed to have been involved in the forgery sitting in a Mercedes- Benz, MN Plate: BRJ026, that was parked in the area of E 38<sup>th</sup> St and Chicago Ave. Officers detained this male who later died in custody.

This arrest was filmed by an unidentified citizen. Your affiant viewed the video that was posted to Facebook and saw the decedent was lying face down on the pavement with a Minneapolis Police Officer with his knee on the male's neck. The male says he can't breath and later becomes unresponsive. The video does not show what led up to the time of arrest and the decedent is only visible from the shoulders up. The rest of his body was behind a Minneapolis Police car.

The decedent has been identified as George Terry Floyd, DOB: 10-14-1973 and his cause of death is still pending.

**Application Page 3 - 4**

Your Affiant is aware that the involved officers all have uniform and equipment lockers located at the Minneapolis Police 3<sup>rd</sup> Precinct. These lockers are issued to officers and can be used for the storage of department issue equipment along with personal items. The Minneapolis Police Department policy requires a search warrant to open up and search these lockers.

Your Affiant is aware that the Minneapolis Police Department maintains control of these lockers and also has combinations for the locks.

The officers involved in this incident have been identified as follows: Officer Chauvin (Locker M-209), Officer Thao (Locker M-205), Officer Kueng (Locker M-144) and Officer Lang (Locker-M277).

Minneapolis Police Administrative staff also informed SA Reyerson that Thao's work iPhone is located within his locker. A search is needed to determine if anything of evidentiary is located within the lockers.

A search of these city owned lockers is necessary to complete a thorough investigation.
