

Guest interview pitch:

EXAMINING THE GEORGE FLOYD RIOTS

Dr. Michael C. Grayson, in Eastern Time, via phone, Skype or Zoom

Intro: First it was Covid-19 spreading out of control. Now it is riots spreading out of control.

What is behind the riots? Helping us put the riots on the couch, so to speak, is Dr. Michael C. Grayson who in 2014 made the cover of [REI Wealth Magazine](#) as their editors voted him as “the world’s leading credit expert”.

What does having good credit have to do with people rioting over the death of George Floyd?

Dr. Grayson explains that it has to do with energy, opportunity and productivity. Dr. Grayson has been credited as the man who has created a myriad of millionaires by repairing individual credit scores including the highest recorded credit score on record, of 990. He says Black men are far less likely to be rioting if they had great credit and great business opportunities.

Q&A:

1. Are George Floyd riots are the price of liberalism?

a. Liberalism is a political and moral philosophy based on liberty, consent of the governed and equality before the law. Without more Economic parity, it is impossible to solve racism

2. **How can cities prevent riots in the future?**
 - a. Enact an aggressive credit based financial literacy programs that foster true access to capital.
 - b. Increase minority small business ownership. It may seem simplistic but minorities who become capitalists are less likely to destroy their own businesses in riots.
3. **How can the government speak to the rioter?**
 - a. A riot is not a tactic to gain widespread sympathy. It's an expression of how inadequate other efforts have been.
 - b. Answering with violence only begets more violence.
 - c. The government has to show that it understands the true essence of rioting.
4. **Why is there's so much celebrity support for this cause?**
 - a. Racism is universally condemned.
 - b. However, solutions have been elusive.
5. **Why have the riots been so violent?**
 - a. Extremist have high jacked the message.
6. **Is rioting the solution?**

a. No, self-empowerment is. Minorities need to run their own businesses and be a productive part of the American Dream.
