From: Patrick A. Duhaney, City Manager *STAD*  
Subject: Overtime Costs Related to Demonstrations

---

The purpose of this memo is to update you on City overtime costs related to recent demonstrations and protests in Downtown Cincinnati and other surrounding neighborhoods. The events took place between Pay Period 12 (May 17 to May 30) and Pay Period 13 (May 31 to June 13).

The total overtime cost for Pay Period 12 is \$426,361. This does not include regular pay to staff, only overtime. Most of the overtime costs occurred on May 29 and May 30. The City Administration is in the process of determining non-personnel costs (materials, supplies, etc.) related to these events.

Overtime costs for Pay Period 13 will be available June 23 when the next pay period expenditures post to the City's financial system.
