

BOND PROJECTS

Reflected in Approved Bond Measure

PLEASE NOTE: *The cost estimates associated with each project are NOT a legal commitment to fund those projects at those levels and the cost estimates at NOT included in the now-approved Bond Measure. Moreover, the cost estimates are just estimates, primarily based on information in the Facilities Master Plan; the actual cost of each project is almost certainly going to be different. The inclusion of the cost estimates in this document (and in the original version that was presented to the School Board as Attachment B) was to ensure that the projects identified in the Bond would likely be able to be funded by the \$735 million generated by the now-approved Bond Measure.*
