Mandela Day: Germany supports food drive of football legends Delron Buckley and Sibusiso Zuma in KZN

On this year's Mandela Day the German Embassy partners with Bundesliga legends Delron Buckley and Sibusiso Zuma to honour the legacy of Madiba.

In times of the #Covid19 crisis the Embassy decided to support a food drive in Ndwedwe and Hammersdale in KwaZulu-Natal. Together with the former Bafana Bafana stars a small team of the Embassy will distribute over 1000 food parcels and 2000 cloth masks to community members in need in the two townships.

“We hope that we can contribute in the fight against Covid-19 and the negative effects the crisis has on South Africa's people. We are very proud to support Delron and Sibusiso in their efforts, because we can only overcome the crisis if we work together. What better way to honour Madiba's legacy than to help the home communities of two of the most famous South African football Ambassadors and celebrate the great friendship of our two countries”, said German Ambassador Martin Schäfer.

Time: July 18, from 10:00

Location: Ndwedwe and Hammersdale/KwaZulu-Natal
