Bill,

I have HUGE news that I'm only sharing with our most trusted supporters.

I've written a new book titled, *Liberal Privilege*. It's not yet available to order - in fact, it won't be until next month - but, because you've always been such a loyal friend of my father's, I'm going to do something special just for you.

For the NEXT HOUR: I'm giving you EARLY ACCESS so that you can get your HAND-SIGNED copy of *Liberal Privilege* before it even hits the shelves.

That's right, Bill. All you have to do is make a contribution of \$75 and I'll send you a copy of my BRAND NEW book before ANYONE ELSE.

I am only offering this exclusive opportunity to our TOP supporters of the Republican National Committee, like YOU. When you get your signed copy, in addition to benefiting the RNC, your contribution will also be helping us fight to re-elect the President and ALL Republicans this November.

Contribute \$75 or more TODAY to claim your HAND-SIGNED copy of my new book LIBERAL PRIVILEGE. >>
