Bill,

In just 100 short days, YOU get to vote in the most important Election in our Nation's history.

Battling the Fake News media and their Democrat Partners hasn't been easy. In fact, they've tried to make it impossible for our movement to succeed, but as long as I have you on my team, I know we'll **WIN BIG**.

I am committed to FIGHTING for you every single day, but I need your help. **The 2020 Election will be absolutely historic**, and I need your input now more than ever.

Without you, our movement would be NOTHING. *I would be NOTHING.*

All of our victories, our momentum, and our massive rallies are all thanks to supporters, like YOU, who are ready to secure **FOUR MORE YEARS** so that we can keep fighting to **Make America Great Again!**

We are in the fight of our lives right now, Bill. We The People are going up against the radical media, Joe Biden, his MEGA HOLLYWOOD DONORS, and special interest groups who want to see our Country FAIL.

To win this fight, I know what I need to do. I need to turn to my most trusted advisors: the American People.
