Bill,

I want you to enter for the chance to have dinner with me on August 8th.

I am holding a very exclusive event in Southampton, New York, and as one of my top supporters, I wanted to make sure you got the invite first.

If you win, my team will cover your flight, your hotel, your 5-star dinner, AND you'll get VIP ACCESS. You can even bring a guest of your choice and we'll all take a picture together so that we can remember this moment forever.

**I'm only offering EARLY-ACCESS to YOU, Bill.**

*All you have to do is contribute ANY AMOUNT by 11:59 PM TONIGHT to be automatically entered to win this trip of a lifetime.*
