

Dave,

My liberal Democrat opponent is spending more than a million dollars a week on media attack ads against me, and he's taking things to a new low.

Jaime Harrison's latest hit job suggests that I misuse taxpayer dollars. **It's a shameful deceit.**

My office does such a good job stewarding tax dollars that we actually **RETURN** money to the U.S. Treasury every year – a rarity on Capitol Hill. In fact, we have returned a whopping \$4.5 MILLION in taxpayer funds allotted for my Senate office that we frugally saved.

It's a real shame, but with national Democrats and Hollywood elites bringing all their influence to bear – and a record-setting amount of cash to fund unlimited radio, TV, and internet hatchet jobs against me – *that's just how low this is going.*

But we don't have to drop to the Democrats' level or even outraise them to *win*.

We just have to ensure we have the resources we need to counter garbage like this and get our winning message to the voters. [My friend, will you help us fight back against these egregious attacks?](#)

Jaime Harrison outraised us by \$5.6 million in the Second Quarter alone, and here we are, less than ninety days from Election Day, running out of time to set the record straight.

[Please help however you can!](#)

Thanks,

Lindsey Graham
