DEFENDANTS' RESPONSE TO THE COURT'S SEPTEMBER 14, 2020, ORDER, ECF No. 119 Case No. 5:20-cv-05799-LHK

Pursuant to the Court's Order dated September 14, 2020, ECF No. 119, Defendants state that they would be willing to provide to the Court all of the documents that the Census Bureau and the Department of Commerce provided to the Department of Commerce Office of Inspector General (OIG) in response to the OIG inquiry identified in the Court's Order, on the understanding that:

- 1. The Court would treat all such documents as privileged and conduct an in camera review. If the Court determines that a document is not privileged, Defendants shall have a reasonable opportunity to object to the Court's determination;
- 2. The Court would not base its resolution of the preliminary injunction on privileged documents; and
- 3. The documents that the Court finds to be non-privileged, along with the nonprivileged documents that Defendants have already produced, shall be deemed by the Court to constitute the entire record in this matter. Defendants will not be required to conduct further document searches, reviews, or productions, or respond to any discovery, to develop a record in this case.

Defendants believe these stipulations are consistent with the Court's Order, ECF No. 119, as well as the discussion the parties and the Court had during the September 14, 2020, case management conference.

Defendants note that the volume of OIG documents will be larger than what can be transmitted over e-mail. Defendants further respectfully inform the Court that while they complied with the OIG request at issue, it took longer than the amount of time that the OIG had initially set for document production.
