Cynthia and James --

You saw a previous version of the "elevator speech" document already, but here is a similar (and shorter!) document drafted by Ben Page for the same purpose (explaining to a lay person why we need every minute of the requested schedule extension).

Can you review Ben's document "apportionment process" by mid morning tomorrow? I am reattaching the "elevator speech" document, but do not feel you need to re-review.

Thanks!
