### AIR FORCE

Lockheed Martin Corp., Marietta, Georgia, has been awarded a \$15,000,000,000 indefinite-delivery/indefinite-quantity contract for C-130J development, integration, retrofit and production activities for all C-130J variants. This contract provides flexibility to accommodate the broad enterprise of activities associated with the C-130J program. Work will be performed in Marietta, Georgia, and is expected to be completed July 16, 2030. This contract involves Foreign Military Sales and is the result of a sole-source acquisition. Fiscal 2018 and 2019 aircraft procurement funds in the amount of \$3,300,000 are being obligated at the time of award. Air Force Life Cycle Management Center, Wright-Patterson Air Force Base, Ohio, is the primary contracting activity (FA8625-20-D-3000).
